CROOKSTON PLAYS JUNIORS TONIGHT AT FAIR GROUNDS

Local Nine Wins Three out of 5 Games Played During the Past Week

Coach Jimmy Welton's junior baseball aggregation had a busy week, playing five games and coming through with three wins, losing to Ulen at Hitterdal and to Detroit Lakes at Detroit Lakes.

Last Thursday evening the locals swamped Stephen, 20 to 4, in a game played here. On Saturday, in a double-header, the local nine absorbed their two defeats, losing to Ulen, 8 to 7, in an afternoon game, and then being edged out, 7 to 6, by Detroit Lakes in an evening game.

On Sunday afternoon, playing at Warren, Don Perkins authored a no-hit no-run game to lead the local to a 13 to 0 win over the Ponies, and on Tuesday evening, on the Fair Grounden diamond, the local's Abe Hanson and Karlstad's Bub Carlson engaged in a southpaw pitching duel, with Hanson giving up one hit and Carlson allowing two hits, and which found Hanson the winner by a 3 to 2 score.

This evening Coach Walton's team will meet a strong Crookston Pirate nine on the local diamond; on Friday the team will journey to Bemidji for a return game with the Lumberjacks; Saturday will find the team at Grand Forks, playing Wen Schue's safety club; on Sunday the locals will travel to Stephen for a game; and on Tuesday evening the team will be at Crookston for a return game with the Pirates.

By all odds, the week's, and the season's too, highlight, was the no-hit, no-run pitching performance of right-hander Don Perkins against Warren on Sunday. Coach Welton's pitching ace collected sixteen strikeouts in the seven innings, and only four balls were hit to the infield.

The only players to reach base on Perkins' delivery, were the seven walks that the lanky right-hander issued.

Joe Louis Knocks out Conn in Eighth Round

Joe Louis successfully defended his heavyweight boxing championship Wednesday evening by knocking out challenger Billy Conn in the eighth round of the contest held in Yankee Stadium in New York. Louis, weighing 207 pounds, was the aggressor throughout the bout, and, with a right upper-cut and left hook, knocked the 182-pound Conn to the canvas, and out, after two minutes and nineteen seconds of fighting in the eighth round.

It marks the second time that Louis has repelled the challenge of Conn, for it was five years ago that Louis defeated Conn in a championship bout, winning by a knock-out in the thirteenth round.

LOOP LEADERSHIP AT STAKE SUNDAY IN CONTEST HERE

Thief River Falls and St. Hilaire Ball Clubs to Meet on Fair Grounds

The Northern Minnesota Baseball league will have an early season climax on Sunday afternoon when the circuit's two undefeated teams, St. Hilaire and Thief River Falls meet on the Fair Grounds diamond in a game to decide the undisputed league leadership. In the other league contest, Plummer will play Red Lake Falls at Red Lake Falls.

That the league lead will be at stake in the game here Sunday was decided by the two wins racked up by Thief River Falls and St. Hilaire this week, the locals trouncing Red Lake Falls, 17 to 2, and St. Hilaire shutting out Plummer, 4 to 0.

In the game played here, the locals scored in every inning but the 8th in rolling up their 17 tallies, while hurler Hemmy Sahl was holding the Red Lake Falls veterans to but two hits, a slow dribbler along the third base line by Linn Kiefenheim, and a clean single into right-center by "Doc" Columbus. Louie Benson, with four hits in five trips to the plate, driving in six scores, and Buckie Stephens, also with four hits in five tries, getting a double and a triple and a pair of singles, led the locals 19-hit attack on stocky Dave Kelly and Teddie Kiefenheim.

The box score:

Sweepstakes Tourney on Golf Links Friday

The golf tournament slated for the local course on Friday evening will be a sweepstakes tourney, *with handicap. In last week's long* driving contest, Vic Jung was the winner, supplanting last year's long driving champion, Dr. R. Robertson. There will be a couple of shortstop tournaments played in this vicinity on Sunday, with the Crookston conducting a shortstop tourney over its Minakwa course, and the Country club in Grand Forks also having a shortstop tournament.

VFW TEAM TAKES SOFTBALL LEAD

Defeats Oens 3 to 1 in Tight Game Monday

Results the week's games:

Poppler's, 11; Bridgeman's, 6.
V. F. W. 3; Oen's, 1.
Hartz Store, 10; Poppler's 8.

The week's Schedule

Friday, Brinkman's vs. Bridgeman's.
Monday, Oen's vs. Poppler's.
Tuesday, ultima vs. Brinkman's.

Eking out a 3 to 1 win in an exciting game with the Oen's nine on Monday, the V. F. W. team moved into the lead in the city softball league, being the only undefeated club in the circuit when the Poppler's team suffered a setback at the hands of the Hartz Stores nine on Tuesday night. The week's other contest found the Poppler's rolling up a 14 to 6 triumph over Bridgeman's on Friday night.

The week's climax game was the encounter between Oen's and the Vets, and for six innings it appeared that the Oen's would hang a loss on the powerful Vets nine for Gordy Reierson's team held a 1 to 0 lead up the 7th inning. In the 7th, Bob DuChamp was safe on an error; Johnny Jaranson drove out a ground single into left field; Jesse DuChamp popped out to catcher Jacobson; Louie Benson, who had tripled on his previous trip to the plate, was given a base on balls, filling the sacks; Hemmy Sahl then pumped a looping double into right-center, clearing the bases, and giving the Vets their 3 to 1 win.

An upset was recorded on Tuesday night when the Hartz Stores team handed the highly-rated Poppler's team a 10 to 8 loss, and dropped the green-jerseyed furniture nine down to third place in the league standings. "Ham" Myhrer, while holding the Hartz team to but five hits, was loose with his control, walking nine batters.

There will be an important softball meeting at the Civic and Commerce rooms this evening at 8 o'clock. Various matters, such as the interpretation of the rules and an increase in the player limits, will be discussed.

Jones Wins State Trapshoot Title

A. F. "Jack" Jones, the city's nationally known trapshooting expert, won the Minnesota state trapshooting championship on Sunday, breaking 100 straight targets in the meet held over the Twin Cities Gun Club lay-out. More than 200 shooters participated in the championship event.

Jones' win marks the second time that a local shooter has won the state championship, for back in 1917 the late Charley Nason won the state's premier trapshooting title. Nason was an all-round star, for in addition to being a top-flight shooter he was captain and second baseman on the city's baseball team.

A Game to See

That ball game scheduled to be played on the Fair Grounds diamond between St. Hilaire and T. R. Falls on Sunday afternoon should, according to all indications, be a game to see. Neither team has been defeated and the outcome will determine the leadership in the Northern Minnesota baseball league, and the winner will be installed as the favorite to win the championship. Further, it will be a duel between the locals' smooth-working Hemmy Sahl and St. Hilaire's power-armed Woody Almquist, the two pitchers who are the league's best.

The rivalry between the two clubs was intensified considerably by the softball game that was played on Monday night, and which was won by the Vets, 3 to 1, as the result of a three-run rally in the final inning. The Vets, who took over the softball league lead by virtue of that win over Oen's, have six of the local ball team players on their roster—Johnny Jaranson, Jesse DuChamp, Hemmy Sahl, Louie Benson, Berdeen Nornes, and Hobby DuChamp. The Oen's team has six of the St. Hilaire baseball players in its lineup—Woody Almquist, Don Johnson, Klem Gigstad, Harlan Olson, Arlo Jacobson, and Connie Swanson.

Oh yes, manager Johnny Jaranson is making a plea for baseball suits, ad if anyone has any of the old city uniforms in their possession, or any other serviceable uniforms, would they please call Johnny or Gordy Reierson. It's impossible to secure new uniforms, and several of the boys have been forced to play in "civvies". Take a look in the attic or in those old trunks, and if you find a suit let the boys know.

Hats off to Don Perkins

Don Perkins gave the local fans something to cheer about on Sunday afternoon when he turned in a "Hall of Fame" exhibition in shutting out the Warren juniors without a hit and a run in seven innings, and whiffed sixteen of the Pony hitters. The fact is, only four Warren hitters were able to put wood to ters. The fact is, only two of those "solid" and short-stop Gotho grabbed one of the line drives and first baseman Don Engelstad pulled in the other fly.

And what brings an especially broad grin to Coach Jimmy Welton's face, is the realization that black-haired Don Perkins will be available for another year of junior baseball. It's a safe wager that Perk will record another no-hit game before he concludes his junior career.

They're Getting Bigger

That's the way the fish are coming into town. On Sunday, fishing at Washkish, Harry Peterson made the catch that holds the city record for this season, for he brought to the net a 24 pound northern pike, the largest pike that has been reported out of Washish this year. They had quite a job in landing the big pike, for Harry's net was just an ordinary-sized affair, and the pike measured 41 inches in length. There were plenty of uneasy moments before they got the fish into the boat.

The United States experienced its first financial panic in 1837. Martin Van Buren was president of the United States at the time.

ALUMNI OF N. W. SCHOOL TO MEET

1946 Reunion to be Held at Crookston June 29

Alumni of the Northwest School of Agriculture will hold their annual reunion at the school at Crookston on Saturday, June 29. Clarence Bargent of Crookston, president of the Association, states: "The five-year reunions of the classes beginning with the class of 1911 and the alumni dance will be the main features of the day's festivities."

Picnics by classes, baseball and kittenball games between alumni, students and faculty will provide entertainment for the afternoon.

The annual meeting of the North west School Alumni Association will be held at 7:30 P. M. followed by the reception and dance at 8:30 P. M. Dr. Harry Hedin of East Grand Forks is reunion chairman for the class of 1911; Paul Engelstad of Thief River Falls is chairman for the 30th anniversary of the 1916 class.

1947 STUDEBAKER IS AT GUSTAFSONS

New Model Embodies Postwar Improvements

The first of the automobile industry's long-awaited 1947 models the Studebaker, went on display Monday, June 17, at C. D. Gustafson and Son, Inc., in this city.

Lower, wider and more fully streamlined than any previous automotive design, the cars bear the unmistakable stamp of "true postwar products" both in beauty and performance.

"This car could not have been built before the war," said C. D. Gustafson, firm manager.

"Progress in manufacturing and engineering program that touched virtually every part of the chassis and body is the blended unity of the new Studebaker design. Fenders have been absorbed into the body. A judicious application of curved glass has created an attractive appearance.

A further improvement in safety is effected by Studebaker's new self-adjusting brakes. An important "first" in transportation, the mechanism assures quick, firm stops throughout the life of the brake lining. The secret lies in a device that automatically moves the brake shoe outward in steps of .005 of an inch as the lining wears.

"HERE'S YOUR WAR"

By Dr. Albert Leonard Murray

If whiskey had to pay a tax on all the broken lives and tears! And on all crimes and accidents that it has caused through the years,

The whisky business would close down the biggest bankruptcy of time;

And yet, we all have paid, and pay to the last tear and the last dime.

We should throw off the cursed yoke, withdraw the license that we gave;

Eliminate all such diseased thirst and give ourselves a chance to live.

In freedom from the whiskey curse that saps our economic wealth;

Destroys more lives than war itself and undermines the nation's health.

As long as whisky's granted rights, the evils that it breeds infest,

Like deadly vermin everywhere; Destroying all that we hold best,

Our very lives, our names, our hopes, our self-respect and commonwealth; [illegible]

Yet all this curse is self-imposed because we lack a will of steel

We must defend humanity against this foe with all our might,

As we fight other enemies and rid ourselves of whisky's blight.

For if we don't crush whiskey out, its hold upon us will increase

Its strangling power till it kills our nation and our dreams of peace.

How to be a Good Rural Line Telephone Neighbor

Many farm telephone lines are overcrowded these days. That's the result of telephones being installed for an emergency at a time when we couldn't add enough new lines. We hope that it won't be long before we'll be putting in those lines and the necessary switching equipment. We'll do it just as fast as the manufacturers materials become available.

In the meantime a friendly suggestion: You can be a good rural line neighbor—

by keeping calls short

by not interrupting when the line is in use except in an emergency, and

by making sure your receiver is carefully replaced when a call is completed.

One receiver off the hook, you know, can tie up a whole line.

U.S.ROYAL!

For more than 30 years, American motorists have looked to U. S. Royals for the newest, most important developments in tire design.

Today, there is a great new U. S. Royal—built with super-strength rayon cord. It is a worthy successor to the famous U. S. Royals of the past—a dramatically better, safer, stronger tire. It's backed by long years of experience with rayon cord construction — for "U. S." marketed its first rayon-built tire more than 9 years ago!

All through the war, "U. S." built airplane and truck tires with rayon cord. *And now, the great new rayon-built U. S. Royal DeLuxe is available in many passenger car sizes.**

See your U. S. Tire Dealer now — find out how soon *you* can be riding on *rayon-built* U. S. Royals!

*Tested conclusively on highways and proving ground to 6.50 and larger.

HOLT

Sincere sympathy is extended to Mr. and Mrs. Oscar Bottom and family of Thief River Falls from this entire community in the loss of their son and brother Ernest. Ernest youngest son of Mr. and Mrs. Bottom aged 16 was wading in Red Lake River at Thief River Falls when he stepped over a sudden drop off and was not seen again by the other youths in his company Ernest, has been suffering with a heart ailment so it is possible that he died from a heart attack instead of drowning.

Ernest C. Bottom was born at Holt March 7 1930. He moved with his parents to Thief River Falls in 1944. Surviving his death are his parents, five sisters Mrs. Ruth Sorum Holt, Mrs. Alice Schieb, Pontiac, Mich. Mrs. Gladys Offerdahl, Florence and Dorothy Bottem, Thief River Falls, 3 brothers,Clarence of Holt, Melvin of Steiner, Pvt. Leonard Bottem with U. S. Army overseas, Morris, Reuben, and Laurence of Thief River Falls. Funeral services were conducted at the Zion Lutheran church at Thief River Falls. Rev. Pedersen officiated. Interment was made in the local cemetery.

A children's program and ice cream social was held at the Nazareth Lutheran church Sunday.

Dry Suds

Dry suds are an excellent outlet for odds and ends of soap that are too small for regular use at the sink or tub. These should always be saved and used in soap jelly or other ways so that not a single bubble is wasted.

Two river barge terminals. Coal is almost gone at both places as are stock piles in all parts of the country. Actually, the nation wide situation is such that the northwest could expect no relief from resumption of mining operation for at least 45 days, Deniers said. Insulate now and save fuel.

GOODRIDGE

Mr. and Mrs. Byron Forbes and Johnny of Bremerton, Wash., visited at Prestabakke on Friday.

A large crowd attended the Farmer Union picnic at Prestabakke on Sunday. The day was perfect and some splendid addresses were given. The main speaker was Rodney Jacobson of Minneapolis who is the Treasurer of the state C. I. O. Council. Other speakers were Oscar Reinitz of the state office and Irving presented the hospital proposition. The Prestabakke had done everything possible before hand for the convience of the crowd and everyone felt it was a day well spent.

Mr. and Mrs. Norman Thieling and Rickey of Gryglyn were Sunday supper guests at Prestabakke.

Mervin Prestabakk of Thief River Falls spent the week-end with his cousin Robert.

Mr. and Mrs. John Syvertson and grandson John and Mrs. Milton Syvertson and Judy all of Minneapolis were guests at the Robert Rambeck home. The ladies are Sisters of Mrs. Rambeck. Mrs. Rambeck had a dance Sunday in their honor. Other guests present at the Bob Rambeck home at Rosebany.

Mrs. Bjerken and Mrs. Swen Tweeton kept house at the Nick Urdahl home last week while Mr. Urdahl and Delores were in S. D.

Marion Knut of Minneapolis spent the weekend at the home of her parents.

Saturday evening guests at Oscar Johnsons were Mr. and Mrs. Jennings Jenson and family and Mr. and Mrs. Art Johnson.

Mrs. Ole Stromland and family were Sunday dinner guests at Oscar Johnsons. In the afternoon they all drove to Thief River Falls and visited Ole, who is a hospital patient here.

Mrs. L. J. Tenold received a card this week from Mrs. John Felstelling of the death of her husband June 5. The Fels formerly were in this vicinity but now are residents of Sandstone.

PROBABLY NEEDED CLEANING, HOWEVER

Balaton—"In good condition, none the worse for seven months exposure," is the report on Ernest Wolf's eyeglasses. It does seem probable, however, that they needed a thorough cleaning job, for they were lost in October 1946 and found in May 1946 in a pen around which 70 to 100 hogs had been trampling the entire time.

VOTERS TO PICK CANDIDATES MONDAY, JULY 8

Sample Ballots for Primary Election in The Times This Week

Published elsewhere in this issue of the Times are the official sample ballots designed to familiarize citizens with the ballots on which they will cast their votes in the primary election Monday, July 8.

Voters will receive two ballots at the polls, one the consolidated ballot on which Republican and Democratic-Farmer-Labor candidates for state offices and for congress are listed, and the other on which are listed non-partisan aspirants for the supreme court and for county offices.

In Pennington county there are no primary contests for any county offices nor any for state senator or representative from the 65th legislative district.

Much interest has been aroused in the Fifth district commissioner race in Eastern Marshall county, in which six candidates are making an intensive canvass of the field for the office now held by V. F. Kruta. Those seeking the position, in addition to Kruta include Sofus H. Bjertness, H. O. Hanson, Gunsten Skomedal, Elmer M. Thompson and Will Wayne.

The spotlight in the statewide primary is centered on the contests in the Republican party for United States senator between Henrik Shipstead, incumbent, and Edward J. Thye, and for the governorship between Luther W. Youngdahl and Hjalmar Petersen, former member of the Farmer-Labor party.

"U" THEATRE TO OFFER STAGE PLAY IN CITY JULY 8TH

Rotary Club Sponsors "Blithe Spirit" at School Auditorium

The University Theatre will present an all-student cast from the University of Minnesota in Noel Coward's comedy hit, "Blithe Spirit", at the Lincoln high school auditorium Monday evening, July 8, at 8 p. m.

Announcement was made by Roy J. Oen, president of the Rotary club, local sponsors of the production. He added that profits from presentation of the play would be set aside in a fund to be used to finance a series of attractive which the Rotary club hopes to be able to present here next winter.

"Blithe Spirit" is an international stage hit, having played for a year in London, five years on Broadway and more than two years in Chicago.

Commenting on the cast to appear here, Robert W. Smith, Minneapolis Star-Journal critic, said, "there is a production smoothly professional in staging, timing and performance. There is never a letdown, and the high-spirited comedy moves along engagingly."

Rev. Leonard Weber New Assistant to Rev. Merth in St. Bernard's Parish

Succeeding Rev. John O'Toole, who has been transferred to the Crookston parish, father Leonard Weber of Minneapolis arrived last week-end to take over duties as assistant pastor at St. Bernard church. Prior to his ordination into the priesthood June 2 at Crookston, Father Weber taught social science history and literature in Catholic high schools in the twin city area.

Out of the U. S. army only a few months, Nelson presents a steady flow of comedy chatter in connection with his musical performance.

WDAY Troupe Offers 3 Shows Here July 4 in City Auditorium

One of the highlights of the third annual water carnival in Thief River Falls July 3 and 4 will be three performances in the municipal Auditorium by a troupe from Radio Station WDAY, Fargo, headed by Ken Kennecy, master of ceremonies.

The visiting troupe will start out the day at 8:20 in the morning with a broadcast of the popular radio feature, Tell-o-Test Time, regularly heard thruout this area each morning, in which questions are asked of the radio audience, interspersed with musical selections.

At 4:30 in the afternoon and again at 8 o'clock in the evening, the Auditorium will be the scene of a lively program by Ken Kennedy and his entertainers.

Included in the dozen acts to be presented are Judy, Joan and Jill, singers of popular songs; Harris Nelson, the one-man band, who plays more than twenty instruments; and the Great Roy and Helen8, who will mystify the audience with magic stunts and mind-reading.

Other stellar offerings will include Bob Anderson, vocalist; Pat Kelly, pianist; Jean Hoverson, tap and acrobatic dancer; Audre Remme, accordionist; Jack Lockhart, tenor; Hank and Thelma, novelty team; and Audre and Jean, dancers.

It was announced today that reserved seats for the evening performance of the Ken Kennedy show will be available in advance at the J & B drug store on Third St.

His family will join him later in the month. Succeeding him as manager of the local branch will be Al Burton, at present manager in Glenwood, who will occupy the residence vacated by the Swenson family.

LOCAL PEOPLE IN GONVICK PARADE

50th Anniversary Fete Attracts Large Crowd

The spirit of the early settlers who pioneered a frontier, built a homestead settlement and out of it the framework of the present substantial community, was rekindled in the lives of many of their number during a two-day celebration at Gonvick June 21-22, marking the Golden Jubilee anniversary. A gathering of between 6,000 and 7,000, almost equally divided each day, is estimated to have been in attendance.

Stages of development from 1896 to 1946 were pictured in the colorful parades, opening the activities each day. The beautiful float entered by Land O'Lakes Creameries, Inc., took first prize while the Sabbath Ladies Aid with a float appropriately representing handiwork of pioneer days won a like award in its class. A decorative float sponsored by Oen's store of Thief River Falls received honorable mention at the hands of the judges.

Headline speakers were Harold E. Barker and Luther Youngdal, gubernatorial candidates on the Democratic-Farmer-Labor and Republican tickets, respectively. In keeping with the spirit of the occasion and along patriotic lines with slight mention of politics and legislative matters, addresses of both speakers were well received.

June temperature with clear skies and bright sunshine produced an ideal brand of weather to make for a successful observance. Delegations of Thief River Falls boosters including the Shrine Oriental Band took part in Friday's activities and acquitted themselves creditably.

The tomato was first introduced into the United States from Peru. For a long period after its introduction it was known as the "Love apple," and was considered poisonous.

62 8TH GRADE RURAL PUPILS GET DIPLOMAS

Rev. L. W. Lindholm Speaker at Exercises Friday Afternoon

Members of a class of 62 eighth grade graduates of the Pennington county rural schools received diplomas at impressive exercises in the Lincoln high school auditorium Friday afternoon.

Mrs. A. C. Matheson, county superintendent of schools, introduced Rev. L. W. Lindholm pastor of the Mission Covenant church who delivered the address to the graduates.

Mr. Lindholm counseled his young hearers as to the need for continuing to acquire knowledge and good habits as they go forward thru life. In addition, he said they should endeavor to absorb and assimilate knowledge, as well as learning to apply it, thus carrying out their good intentions.

Mrs. Max Jenson played the processional and recessional marches. Other musical features of the program included songs by Mrs. George Buzso, Elsie and Geraldine Husse; selections by the Tonette band composed of pupils from District 67, Trail; a selection by pupils from District 2; piano solo by Betty Ose; and a selection by Betty Roger and Gaylen Ose.

That Pennington county citizens are still investing in U. S. government savings bonds is revealed in an announcement from Minneapolis headquarters that from January 1 to June 1, 1946, county residents purchased a total of $132,149 in Series E, F and G bonds. April, with $35,609, was the top month for purchases.

BIG PROGRAM OF SPORTS SLATED AT WATER CARNIVAL

Swimming, Diamondball, Baseball, Tennis and Golf Are Scheduled

Sports-minded citizens will have a varied array of attractions to select from during the Jaycee water carnival next Wednesday and Thursday, July 3 and 4.

The two-day program will start Wednesday morning at 10 o'clock with track and field and tennis contests, while in the afternoon preliminary water events will get under way at 2 o'clock in Tindolph park, together with boat rides on the river.

Horseshoe preliminaries will be run off at 3 p. m. Wednesday, and at 7 there will be archery contests at the grounds west of the tourist park, also at 7 o'clock a softball game between teams representing Thief River Falls and Malung.

A junior golf tourney will open at 9 a. m. Thursday, while afternoon sports events include boat rides from 1 to 6 p. m., a baseball game between Thief River Falls and Roseau at 2:30 and water acts, boat races and horseshoe contests from 2:30 to 4 p. m.

2d Canning Sugar Stamp Becomes Valid July 1st

On the basis of allocations by the department of agriculture, no increase in canning sugar allotments for 1946 are anticipated, according to Charles L. Hughes, rationing executive of the district OPA in Fargo.

Besides spare stamp 9, validated on March 11 for five pounds of home canning sugar, spare stamp 10, also for five pounds, becomes good July 1, Hughes said. Both stamps are valid through Oct. 31 and should be transferred only when actually needed for canning.

In urging the use of home canning sugar only for the purpose intended, the rationing executive warned that the commodity will continue in short supply for months to come.

MANY PAY FINES IN KANGAROO COURT

Penalized for Failure to Wear Carnival Button

In the absence of Russell E. Olsen, appointed by the Junior Chamber of Commerce to serve as judge of its kangaroo court in advance of the water carnival July 3 and 4, Stanton R. Dahlen, acting judge, fined James Parkins and W. E. Dahlquist fifty cents apiece at the court's opening session Wednesday morning.

Their offense was failure to have on their person one of the Jaycee carnival booster buttons, the court ignoring their defense that they had bought buttons, but had neglected to wear them.

Others paying similar fines Wednesday were Hwrb and Walt Jung, Henry Storhaug, Kern Olson, Frank and Chris Rinkel, Richard Sjoberg of Middle River and C. R. Page, Fargo tire salesman.

It was announced that the court would hold sessions each day until after the carnival.

Church Wedding Unites Bernice Lindland and Adrian O. Magnuson

At candlelight nuptials in Zion Lutheran church last Thursday evening, Miss Bernice Lindland, daughter of Mr and Mrs. O. A. Lindland, and Adrian O. Magnuson, son of Mr. and Mrs. A. M. Magnuson, spoke their vows with a large number of relatives and close friends witnessing the event. Rev. Walter M. Pedersen officiated at 7:30.

While the guests were arriving Jerry Joringdal played a program of organ music including "Claire de Lune", Shubert's "Ave Marian", and Chopin's "Nocturne" He also played the Bridal Chorus from "Lohengrin" and Mendelssohn's wedding march. Mrs. Walter Pedersen, before the ceremony, sang "Ich Liebe Dich", Shubert's "Ave Maria", and later she presented "O Perfect Love" and "The Lord's Prayer."

Miss Helen Lindland attended her sister as maid of honor, while Miss Dorothy Miller was bridesmaid, and Nancy Magnuson, sister of the groom, junior bridesmaid.

Given in marriage by her father, the bride was lovely in a gown of Point de France lace and net made by her mother. It was designed with net yoke with matching cuffing, self-covered buttons extending to the waist in back, long sleeves tapering to a point over the wrist, and a double net entrained skirt. She wore a fingertip bluebird-type veil with heart shaped crown, and carried a white prayer book topped with a corsage of rapture roses and showers of sweetpeas.

Misses Lindland, Miller, and Magnuson were gowns of yellow, blue, and pink marquisette over taffeta, respectively, and carried colonial bouquets of talisman roses, bachelor buttons and carnations. Each had a ruffled marquisette hat to match her gown and each received a rhinestone bracelet from the bride.

For her daughter's wedding, Mrs. Lindland wore navy blue with lime green accessories, while Mrs. Magnuson wore a navy ensemble with accessories in rose.

Cut garden flowers lended a summer atmosphere to the caurch, and lighted tapers in holders of baby grand and carnations marked each pew.

James Magnuson, brother of the groom, and Luther Peiscar of Moorhead attended the groom, while Robert Carlisle of Kalispell, Mont., and Donald Hyde of Taylor, Nebr., were ushers.

With Miss Marian Parlot in charge of arrangements, Mr. and Mrs. Lindland entertained at a reception in the church parlors immediately following the ceremony. The bride's classmates, Margaret Wenstelin, Loretta Hylden, Jan Senstad, Vivian Engelstad, and Lorraine Arhart, dressed in pastel formals, were waitresses and Mrs. Walter Pedersen poured. Miss Margaret Wenstelin cut the wedding cake, which centered the serving table and was surrounded by pink and white streamers falling from a wedding bell. The bride's nieces, Lynne and Carol Davidson carried her train during the reception.

Mr and Mrs. Magnuson left immediately on a wedding trip to Yellowstone National Park and the Black Hills, and will be at home in Bemidji after July 1. For travel the bride chose a two piece dress of pink ponn parby rayon mesh with gray shortie coat and black accessories.

The bride, graduate of Lincoln high school in 1941, has been employed as secretary for the Norwegian Lutheran Church of America in Minneapolis. The groom, graduate of Lincoln high school in 1942, attended the University of North Dakota and later enlisted in the Navy-V-12 program at the University of Minnesota for two years. He was transferred to a radar school at navy pier in Chicago, and recently served as ship electronics technician shipping out of San Francisco, Calif. He received his discharge March 25. ADRIAN LORENTSON GETS BRONZE STAR

Admiral Nimitz Honors Navy Officer in Texas

Lieut. (jg) Adrian V. Lorentson, in charge of a Navy V-12 unit at Southwestern University, Georgetown, Texas, recently was presented by Admiral Nimitz with the bronze star medal, commemorating heroic action in a Pacific engagement in the late war. He is the son of Mr. and Mrs. Fred B. Lorentson of this city.

The citation reads:

"For heroic achievement in connection with operations against the enemy while serving as officer of the deck of the United States Ship Evans in the vicinity of Okinawa on May 11, 1945. During an overwhelming Japanese suicide attack, in which his ship destroyed fifteen planes and assisted in the destruction of four more before four suiciders crashed aboard, he courageously remained at his battle station amid flying shrapnel and in the face of diving suicide planes.

"His superb skill in detecting and identifying enemy planes, and designating targets for his commanding officer, contributed greatly to the success of this engagement. His disregard for personal safety and his devotion to duty were in keeping with the highest traditions of W. H. P. Blandy, Rear Admiral, U. the United States naval service." S. Navy.

ROTARY ANN NIGHT PROGRAM STAGED TUESDAY EVENING

P. J. Hoffstrom, St. Paul Cartoonist, Supplies Entertainment

Approximately sixty members of the Rotary club, their ladies and guests participated in the annual Rotary Ann night program in the Evelyn hotel Tuesday evening, with Roy J. Oen, retiring club president, presiding.

A highly entertaining program was provided by P. J. Hoffstrom, cartoonist on the staff of the St. Paul Dispatch and author of that paper's popular column, "Hawf and Hawf".

Mr. Hoffstrom displayed his ability to draw rapid-fire caricatures of members of the club, bringing out prominent characteristics for each subject. He also showed marked talent at converting his sketches from one subject to another with the addition of a few broad strokes. His humorous comments added much to the effectiveness of his presentation.

Musical features of the program included vocal solos by Ardith Burrell, accompanied on the piano by Joan Holmes, and by Walter Ekeren, accompanied by Harold F. Harrison. Rev. G. S. Thompson led the group in community singing.

Orriet Harpster Is Wed to L. Overvold

Miss Orriet Harpster of Devils Lake, N. Dak., was united in marriage to Lloyd Overvold of Fargo, N. Dak., formerly of this city, on Sunday, May 23, at 2:30 P. M., friends here learned this week. It was a double ring ceremony in the Bethel Free church at Devils Lake with Rev. J. G. Sortland officiating.

The bride was given in marriage by her father, Oscar E. Harpster, and she wore a pale pink chiffon gown with finger-tip veil and carried white carnations with tulle background.

Opal Harpster, sister of the bride, was matron of honor; Florence Johnson of Osnabrock, bridesmaid; and Margaret Haroldson, flower girl. Lee Palmer of Devils Lake and A. B. Foken attended the groom, while Stanley Caine and Jake Geinger served as ushers.

Following the ceremony a reception was given at the bride's home. Upon their return from a honeymoon, Mr. and Mrs. Overvold will make their home in Fargo.

Memorial Services for Holt Soldier Killed in Accident in Germany

The local American Legion post and its members of the Holt vicinity will have memorial services Sunday afternoon at 2 o'clock for Pfc. Reuben Larson, who was killed when the truck he was driving crashed where he was stationed in Germany. Rev. Thv Myhrer will officiate in the Emanuel Lutheran church north of Holt.

Pfc. Larson, age 19, was inducted into the army July 29, 1945, receiving training at Camp Robinson, Ark., and Camp Pickett, Va. He was home on furlough the latter part of December, following which he was sent overseas, and has been stationed since in Germany. He was born in Holt May 24, 1926, and received his schooling at the Ringbo school at Holt.

Survivors include his mother, Mrs. Elmer Rux of this city; a sister Marion of this city and a brother Clifford of Holt; five aunts and five uncles. Before entering the service Reuben made his home for several years with his uncle and aunt, Mr. and Mrs. Wm. Larson of Holt. Preceding him in death are his father in 1945 and one sister.

TEEN-AGE GOLF TOURNEY PLANNED IN CITY JULY 4

Vic Jung, Tournament Chairman, Announces Details of New Event

Vic Jung, tournament chairman, announced that an innovation as far as local golf tournaments is concerned will be instituted on July 4th when the local golf club as a feature in the Jaycee's water carnival, will conduct a "teen age" golf tourney over the local links.

The tournament will be limited to boys and girls who have not reached their 19th birthday, with the following divisions being set up: Senior boys—with boys who have had their 16th, 17th, and 18th birthdays, being eligible; junior boys—for boys who are under sixteen years old; and the senior girls—for all girls who have not passed their 19th birthday.

There will be prize awards for the championship, runner-up and consolation winner in each of the flights; and in the championship flight of the senior boys tournament, a Thief River Falls Jaycee cup will be awarded to the golf club of which that boy is a member. The cup will remain in possession of that club for one year and will return into competition next year.

The young golfers wishing to enter the tournament may shoot their qualifying rounds on their own courses, or they may shoot their qualifying rounds over the local course on the 1st, 2nd, or 3rd of July. The scores must be reported to the tournament committee by 9:15 on the morning of the 4th of July, for the championship flight is slated to leave the first tee at 9:30 A. M.

Among the northwest's top-flight golfers who are expected to play in the tourney are Don Fladland and Paul Brimson of Grand Forks, and Roseau's all-state hockey selection, Bob Harris.

According to the latest census there are 200,000 boys and girls between 10 and 21 living on Minnesota farms.

ST. HILAIRE LEADS NORTHERN MINNIE LOOP WITH 3 WINS

Plummer Team to Meet Thief River Falls on Fair Grounds Sunday

Northern Minnesota League

	W.	L.	Pct.
St. Hilaire	3	0	1.000
Thief River Falls	2	1	.667
Plummer	1	2	.333
Red Lake Falls	0	3	.000

Results of Sunday's games:

St. Hilaire, 4; Thief River Falls, 3.
Plummer, 7; Red Lake Falls, 0.

Next Sunday's games:

Plummer at Thief River Falls.
Red Lake Falls at St. Hilaire.

St. Hilaire, with Woody Almquist pitching four-hit ball, defeated the locals, 4 to 3, in a hotly-contested game here Sunday afternoon and gained the undisputed leadership in the Northern Minnesota baseball loop.

Next Sunday the league begins its second round schedule, with the Plummer Red Sox playing the locals on the Fair Grounds diamond, and Red Lake Falls meeting St. Hilaire at St. Hilaire.

In Sunday's game, the locals, appeared to on the way to a win for they counted a tally in the 1st inning. Jess DuChamp, lead-off man, poled out a double into left field; Clarence Rasmussen was safe when the centerfielder muffed his fly ball, with DuChamp taking third base. Johnny Jaranson was called out on strikes, but Rasmussen advanced to second on a steal. Loule Benson then dropped a perfect bunt down the fist base line, scoring DuChamp. Nornes struck out, and Wally DuChamp grounded out, short to first, to end the inning. Singles by Klem Gigstad and Connie Swanson, and Harlan Olson's double down the left field foul line, gave the Saints a score and knotted the game in the opening half of the 3rd inning.

A walk to Loule Benson in the 3rd inning, gave the locals another run, for Loule advanced to second when Almquist made a wild throw to first base after catching Nornes pop fly. Right fielder Jepson muffed Wally DuChamp's fly ball, with Benson going to third base, and when Almquist made a bad throw after fielding Stephen's ground ball, Benson tallied to put the locals into the lead.

A walk to Swanson, a fielder's choice, and left field doubles, by Almquist and Jacobson in the 5th inning, accounted for a pair of St. Hilaire scores; but a walk to Jess DuChamp, an infield out, Johnny Jaranson's single into left field, and Benson's ground ball to Gigstad, with Jess DuChamp scoring on the play, tied the game at 3-all.

Woody Almquist won his own game in the 7th frame, driving in Connie Swanson, who had singled in short right field and advanced to second on a stolen base, with a hard ground single past shortstop.

In the last half of the 9th inning, Erickson connected with a hard drive into deep right field, but Lindquist, playing well back, made a spectacular one-handed catch of the ball. If the ball had eluded the right-fielder, Benson would have had a double or triple. Nornes grounded out, third to first, and Red Boseman flied out to left fielder Al Thompson.

For the first time in many years Thief River Falls will celebrate the 4th of July with an elaborate program. An aggressive Junior Chamber of Commerce membership is putting a lot of zip into the preparations and it should be a good show. The things we particularly like about this event is that it takes the form of a water carnival, exploiting a local recreational facility that is still largely undeveloped. Our river actually is quite a lake. The swimming beach is popular with local residents and is being used by a steadily increasing number of people from neighboring communities, and this use will increase as the bath house facilities are improved. Two navigable rivers make boating interesting and in recent years there has been good fishing. That is about all any lake has to offer. The thing that is needed is a dredging job and this is needed from the standpoint of sanitation but it will also serve the purposes of recreation and beautification. The water carnival is especially worth while because it helps to promote a desireable program of development.

This week we learned the painful way that there is a substantial increase in the number and the cost of automobile accidents. The bad news came in the form of a bill from the insurance agent. The bill represented our share of the cost of accidents for the period of a year, the premium on our policy. This probably is the most effective way the story can be impressed upon us. We are fortunate of course, when we are not directly involved in an accident; but those accidens we see and read about are charged up to us nevertheless. We have a very direct and personal interest in all of them, just as direct and personal as is our interest in any public spending. We pay our share of the cost, and when a large share of that cost is due to carelessness we should be concerned. The national death traffic toll is running nearly 50% higher than a year ago. The property damage cost is increasing still more because of the generally higher costs of replacements and repairs. Keep this in mind when you do your 4th of July celebrating. Holidays are especially expensive on the highways.

Those who should know wherein they speak tell us a hundred new dwellings will be completed in Thief River Falls this year. If you are inclined to be skeptical, as we were, take yourself on a tour of inspection and make your own count, as we did. One contractor, Stanley Ranum, expects to have forty completed by the end of the year, and after watching his crew of builders in action we're willing to bet that he does. Most of the homes that are being built are substantial and attractive, and a credit to any neighborhood. A hundred new homes will not solve the housing problem but certainly it will help. This picture is more encouraging than it was a few months ago.

We cannot quite follow the argument that Harold Stassen is a dictator merely because he is supporting certain candidates for the offices of governor and U. S. senator. Presumably he urged Youngdal and Thye to become candidates for these offices but that is far from being dictatorial. If Minnesota were controlled by a political machine and the actions of this machine were controlled by one man, that might properly be called dictatorship. But that is not the situation. Whatever machine there is in the Republican party in Minnesota is opposed to Stassen. The Republican national organization very definitely is opposed to Stassen as it was opposed to Wilkie. Stassen is not dictating to or through any machine. He is campaigning nationally for a program of international cooperation. He is one of the leading advocates of a program to outlaw war. In this capacity he is interested in the election of men who will support that program. In an effort to secure the election of such men he is appealing directly to the voters. That is not dictatorship.

JUNIOR BALL CLUB WINS ONE, LOSES 3

Continue Heavy Schedule During the Coming Week

The local junior baseball nine was a "road" team this week, playing four games away from home, and they revealed that they aren't very good "travelers", for they dropped three of the games and won but one. This week another heavy schedule is in prospect for, starting this evening with a game against the Warren Ponies; the locals will play at Argyle on Friday; meet Bagley with its spectacular pitcher, Jack Miller, on Saturday evening; play Fisher, with its big Art Wagner doing the pitching, on Sunday afternoon as part of the double-header; play a return game with the Crookston Pirates here Monday evening; and journey to Roseau for a game on Tuesday evening.

The week's win was recorded at Stephen, when a barrage of homeruns—Don Perkins, Wayne Gothe, Swede Lund, and Abe Hanson connected for round-trippers—paced Coach Welton' nine to an easy 20 to 4 win.

Bemidji, by a 10 to 3 score, Grand Forks, by a 6 to 2 margin, and Crookston, by a 11 to 2 score, were the teams hanging defeats on the locals during this week. Tuesday evening's game at Crookston, which was a rugged affair, found the Pirates, with chunky Andy Carey and aggressive Don Wheelhouse playing active roles, proving that they are going to be the club to beat in the sub-district meet slated for next month. Both teams were held to eight hits, but the Pirates drew nine bases on balls off Abe Hanson's delivery. Carey, with a triple, double, and single, was the game's hitting star.

Against Grand Forks on Saturday, Don Perkins hurled a strong game, giving up but eight hits, but, his wildness proved costly. Don issued nine bases on balls, and heaved four wild pitches. He racked up six strikeouts.

Sportsmen Club July Session Is Cancelled

Due to numerous other activities scheduled for next week, the July meeting of the Pennington County Sportsmen's club, originally set for Tuesday evening, July 2, has been canceled, and the next session will be held in August, Wm. H. Borchert, secretary, stated today.

V. F. W. AUXILIARY NOTES

Members of the Auxiliary will march in the water carnival parade to be held July 4 at 1 o'clock. They are asked to meet at the auditorium at 12:30.

Monday is Last Day For Girls to Enter J-C Queen Contest

Young ladies who aspire to the honor of being crowned queen of the Thief River Falls water carnival next Thursday, July 4, still have time to enter the contest, it was announced today by Walt Larson, chairman of the event, who stated that entries will be received until next Monday evening, July 1, at 6 p. m.

The only restrictions placed on candidates is that they must be 17 or older by July 1, and not married.

Mr. Larson said that a field of 15 to 20 candidates is anticipated representing business firms and rural organizations. Each aspirant will ride in a float in the carnival parade at one o'clock on the Fourth while King Neptune, in the person of L. W. Rullen, will ride in the Jaycee float.

Following the parade, three out-of-town judges will select five girls from among the aspirants at 2 o'clock in Tindolph park. One of the five will be crowned queen in the arena at 11:30 that night, and the other four will be designated as her attendants.

Each of the five young ladies will receive an award, and the Junior Chamber plans to send the queen to share in the Detroit Lakes water carnival July 12-14, as well as in the Aquatennial in Minneapolis July 19-28.

Preliminary Trials for Boat Races Next Sunday

Entrants in the canoe and motor boat races that will be a feature of the water carnival July 3 and 4 are asked to report at Tindolph park next Sunday afternoon at 2 o'clock when preliminary trials will be conducted. There is still time for additional entrants to register for these events, the committee in charge announced.

Bjorkman's	1	2	.333
Bridgeman's	1	3	.250

Results of the week's games:

Bridgeman's, 31; Bjorkman's, 13.
Oen's, 10; Poppler's, 3.
Hartz Store, 10; Bridgeman's, 8.

The week's Schedule:

Friday, Bjorkman's vs. V. F. W.
Monday, V. F. W. vs. Poppler's.

The first round schedule of the city softball league will be concluded this week, and if the Vets win the two games on the slate they will be the first half leaders, having five wins and no losses. Oen's, defeating the Poppler's, 10 to 3, in a well-played game on Monday night, has clinched the runner-up spot, with only defeat on their record; a 3 to 1 loss administered by the Vets.

Monday night's entertaining game found the Oen's Milt Reierson pitching seven-hit ball and collecting nine strikeouts to lead brother Gordy's team to a 10 to 3 triumph. The game was a 1 to 0 affair for three innings, but in the 4th frame five hits, two walks and an error gave Oen's six runs. Poppler's averted a shutout by racking up three tallies in the 6th inning on Stephens' hunt, singles by Merle and Nicky Carlson and Harold Anderson's long centerfield double.

The schedule's highest scoring game was recorded on Friday night when the Bridgeman's totaled 31 runs to defeat Bjorkman, 31 to 13. And on Tuesday night, the up-and-coming Hartz team, with a Genereux poling out a pair of homeruns and Al Johnson connecting for a round-tripper, defeated Bridgeman's, 16 to 8, and move into fourth place in the league standings:

Keeping Score

.... with BUCK OLSON

All-city Softball Team

Manager Gordy Reierson, and his third base coach and assistant, Heinie Wang, should be able to place a formidable lineup on the field against Len Hedlund's Malung softball team next Wednesday evening. The game, which will be one of the features of the JayCee's Water Carnival, will get under way at about seven o'clock.

According to present plans, and if the players are available, Gordy and Heinie will have Blackie Stephens at first base, Johnny Jarnason at second base, Jess DuChamp at shortstop, Roy Lee at third base, Louie Benson, Woody Almquist, and Hemmy Sahl in the outfield, with Connie Swanson and Alton Johnson on hand for utility duty. The battery work will be taken care of by Arlo Jacobson and Bobby DuChamp as catchers, with Milt Reierson and Gordy Kaushagen the pitchers.

That's a lineup that should provide Malung's fast-ball pitcher, Hedlund, with quite a few headaches, and it should make a game worth the watching.

More of the Same

Those fans, and they were in such numbers that it was the best crowd the local ball team has had in several years, witnessed a first rate game on the Fair Grounds diamond on Sunday, and the indications are that they will have no other fine game to watch on Sunday when the Plummer Red Sox meet the locals. The fact is there will be a double header, for following the senior game, which will start at 2:30, Coach Jimmy Welton's juniors will play the Fisher juniors.

The Plummer team, with Deane Schuennuer manager (and he's the Northern Minny League's Lippy Leo Durocher) has been strengthened considerably the past week, for the have Harold "Brownie" McReady back of the plate to catch the offerings of big George Saunders. Last week the Red Sox shut out Red Lake Falls, 7 to 0. You will recall that in the league opener a couple of weeks ago, Plummer and the locals played through seven innings before Thief River edged out a 1 to 0 win.

Sunday's nip-and-tuck contest with St. Hilaire, for the league lead, was a tough one for Hemmy Sahl and the locals to lose and while St. Hilaire deserved their 4 to 3 win, a "break" or two could have changed the score in Thief River's favor. For instance, if the wind hadn't changed from a southeast to north-east direction in the late innings' Louie Benson's terrific clout in the last half of the 9th inning would have cleared the right-fielder's head and gone for three bases or a homerun. But the game's breaks were pretty evenly divided, for the St. Hilaire outfield made a couple of errors in the early part of the game that gave the locals a run or two, and then the Thief River outfield played badly on some fly balls with the result that the Saints picked up a pair of scores.

They're Plenty Busy

Coach Jimmy Welton's juniors are continuing to play a big league schedule, with a game a day. And they have been running into a slump this past week, for they marked up but one win while taking three losses. They romped over Stephen, 20 to 4, in a game played there, but they lost to Bemidji, Grand Forks, and Crookston.

Tonight they play Warren here, in a six o'clock game; Friday they play Argyle at Argyle; Saturday evening they play Bagley; and pitcher Jack Miller, here; on Sunday they meet Fisher here, as part of a double header; Monday evening the Crookston Pirates, who beat the locals, 11 to 2, on Tuesday evening, plays a game here; on Tuesday the locals travel to Roseau for a game and on Thursday, Argyle will meet the locals in a Water Carnival feature.

Case of Two Boys Who Shot at Automobiles Disposed of in Court

The two local boys, ages 11 and 12, who were taken into custody by police last week on a charge of shooting at automobiles with .22 rifles appeared last Thursday before Judge Herman A. Kjos in juvenile court. The judged issued orders committing the pair to a state training school, but at the same time deferred commitment and placed the boys on parole under supervision of Mr. Barlow, parole officer for the training school at Red Wing. The boys admitted having taken two rifles from the porch of a home in the neighborhood and of having purchased several boxes of cartridges.

DDT IS EFFECTIVE IN KILLING FLIES

Palmer Recommends Use on Pennington Farms

One of the most spectacular and effective uses to which DDT can be put on Pennington county farms this summer is fly control, says County Agent Ernest Palmer. Surfaces treated with 2½ to 5 per cent spray will continue to kill house flies for two months. They will control flies in very clean barns for three months and in dusty barns for four or five weeks.

Richard H. Daggy, entomologist at University Farm, suggests that two thorough applications of DDT, one about June 1 and the other August 1, may prove an effective treatment in keeping fly population reduced on the average Minnesota farm throughout the summer.

A 2½ per cent spray is preferable for the barn or other rough surfaces, Daggy says. The emulsion or wettable spray powder will be more satisfactory for use in spraying than an oil solution. Oil is more expensive, its fumes more unpleasant and wood saturated with it more likely to present a fire hazard.

For best results apply DDT as coarse wet spray or paint it on so that as much of the DDT as possible will remain on the surface without causing runoff. The liquid soon evaporates and the DDT is left behind as an almost invisible white deposit.

Thoroughly cover every surface where flies might land, Daggy says. For best results spray the walls, ceilings and beams of the barn, hog house, chicken house and other animal shelters.

Proper manure disposal is still essential to good fly control even with the use of DDT, Daggy says. Spraying the manure piles will help control flies before they lay too many eggs, but removing the manure from the yard is essential to keeping breeding down.

PLANNING A TRIP? CONSIDER SAFETY

State Traffic Engineer Offers Tips to Drivers

If you are planning a Fourth of July trip, now is the time to think about making it a safe trip, W. C. Rosenwald, traffic engineer of the Minnesota highway department, advises motorists. Not that anyone should take the exciting attitude and let worry over accidents prevent proper celebration of the holiday, he adds but the hazards should be considered and steps taken to avoid them.

"First of all it is important that your car is in safe operating condition," said Mr. Rosenwald. Don't start on any trip until you make sure that brakes, tires, lights and other equipment are O. K.

"Plan your trip so that you will have ample time to reach your destination without excess speed, without taking chances on hills, curves and intersections, and without contending for the right of way and endangering other traffic.

"Don't overdo your celebrating so that fatigue will dull your alertness when driving. Take it easy. Keep your eyes on the road and your mind on your driving. Use courtesy, caution and common sense. Remember that the trip isn't worth taking unless you drive so that you get there and get back safely."

High School Graduates Urged to Take Nursing Course at University

Trained nurses are needed now even more than during the war, Dr. William A. O'Brien, University of Minnesota director of post graduate medical education, declared this week in appealing to high school graduates to consider nursing as a profession.

"We will need more than 1,000 student nurses for fall enrollment in classes at the University", Dr. O'Brien said. "Also, we must have more graduate nurses for duty in our hospitals."

The university will admit for enrollment in the nursing school high school graduates who meet certain requirements, and in addition will take college students who have completed five quarters of work in other departments, Miss Katherine J. Densford, school of nursing director, announced.

"Nursing is a particularly appropriate field for girls recently discharged from the WAC, WAVES or other military service", Miss Densford suggested.

Gast-Finnestad Nuptials

Miss Nora E. Gast, daughter of August C. Gast, of Marsh Grove, and William I. Finnestad, son of Mr. and Mrs. S. E. Finnestad, of this place, were united in marriage on June 19, 1946 at the Lutheran Parsonage in Viking. The ceremony was read by Rev. Carl T. Thompson at 2:30 in the afternoon.

The bride was attired in a lime green street length dress and wore a corsage of pink and white carnations. Her two strand pearl necklace was a gift from the groom. She was attended by Mrs. Chester Tandberg, a sister of the groom, who wore a pale yellow dress and a corsage of pink carnations. Roy Gast, a brother of the bride, attended the groom.

Following the ceremony the newlyweds left immediately on trip to the Lake Region and upon their return will make their home on a farm near here.

Both of these young people are very well known in this community. The bride has been living at her parental home in Marsh Grove where she has kept house for her father and brothers for some time. The bridegroom received his honorable discharge from the U. S. Army in February after serving for five years. Since his return to civilian life he has been manager of the Peterson-Biddick produce station here. He recently purchased the Joe Weber Sr. farm about 4 miles southwest of town, where the newlyweds will make their home. Mr. Finstad will for the present, continue his business here with Peterson-Biddick.

We join Mr. and Mrs. Finnestad's many friends here in wishing them the best of everything in married life.

Re-elect V. F. KRUTA

County Commissioner
5th Dist. Marshall County

TO THE VOTERS—

In about a couple of weeks, you will go to the polls to elect the officials to operate your government. These officials will range all the way from United States Senator to county officials.

As a candidate for re-election as commissioner, I solicit the vote of every citizen of the Fifth District. As your commissioner for the past three and a half years, it has been my duty and trust to fulfill that office to the best of my ability. I have done everything possible to work for the best of this section, such as holding down real and personal property taxes—getting bladings machines in all sections of the district so your roads would be in better shape, and I have worked at all times for fair distribution of work throughout the county.

When I assumed office, there were deficits in the welfare, road and bridge, and sanatorium funds. These funds now have good balances. County debts have been substantially reduced.

Before you go to the polls, I ask that you review my record as to what you will realize that I've consistently worked hard for the best interests of the district.

Your vote, support and influence is solicited and appreciated.

(Signed)
B. F. KRUTA,
Co. Commissioner, 5th. Dist.,
Marshall County.

GARDEN VALLEY PHONE CO. PLANS IMPROVEMENTS

Stockholders Approve $150,000 Program to be Completed in 5 Years

At the recent annual meeting of stockholders of the Garden Valley Telephone company at Erskine the delegates present unanimously put their stamp of approval on a rehabilitation program presented by Carl M. Ostby, general manager of the company.

The program proposed by Mr. Ostby calls for the expenditure in the next five years of approximately $150,000. The 3,400 miles of pole line owned by the company will be completely metallicized in order to eliminate interference from power lines.

Mr. Ostby states that the improvements planned will be made as rapidly as possible and when materials become available. Orders have been placed for large amounts of supplies and equipment.

Considerable time will be required for the completion of the entire project but when supplies become available, extra crews will be put to work to rush its completion.

The company also decided to increase the wages of its employees as soon as permission has been secured from the Wage Stabilization board.

State Canneries Offer 25,000 Seasonal Jobs

Approximately 25,000 full and part-time jobs need to be filled this summer to process Minnesota's commercial vegetable crops, it was stated Friday by Dreng Bjornaraa, state director for Minnesota of the United States employment service. USES studies indicate that the pea pack will demand 10,080 workers and that sweetcorn canning will require 14,888. Since corn canning follows pea packing, it will be possible to use many of the same workers in both operations.

Soft Grits

Soft grits, made of ground corncobs or rice hulls, may soon be used for removing rust and carbon from automobile engine blocks, pistons and other parts.

CAN REINSTATE G-I INSURANCE

Paul Gray of VA Office Explains Procedure

National service life insurance for war veterans is not canceled because the holder indicated at the time of discharge that he planned to drop it, according to Paul Gray of the Veterans administration office in this city, who explained that if the holder failed to pay the monthly premiums since separation from service the policy has merely lapsed.

"National Service Life Insurance" said Gray, "may be reinstated by paying on the amount you wish to reinstate, one premium for the 31 day grace period during which your life was protected before your insurance became lapsed, plus one premium paid in advance for the month you desire reinstatement to be come effective.

"If you purchased NSLI before January 1, 1946 you may continue to be protected as you were in service for eight years from the effective date of lapse of insurance merely by sending your premium payments to Veterans Administration, 346 Broadway, New York 13, N. Y. If you have allowed your insurance to lapse, it may be reinstated any time within this eight year period. NSLI purchased after January 1, 1946, extends for a five year period from date of issue. Reinstatement may be accomplished without medical examination until January 1, 1947.

"You should retain as much of your NSLI as your income will permit. Remember this point, it is well to carry your NSLI as you held it in service until your future income becomes reasonably certain.

"No reputable agent will counsel or advise a veteran to drop his national service life insurance."

CROPS AND SOILS DAY SET JULY 9TH

Northwest School to Be Host to Farmers

The annual Crops and Soils Day at the Northwest School and Experiment Station at Crookston will be held on Tuesday, July 9. Crop specialists from the Northwest School and Station and University Farm, St. Paul, will be present for the open forum discussion on crops problems following the tour.

Increase fields of all of the new leading varieties of cereals flax and potatoes, grasses and legumes can be seen on the crops tour. O. C. Soine, agronomist, and O. C. Turnquist, horticulturists, will serve as tour leaders.

All persons interested in farming in the Red River Valley area are invited to attend the crops tour and program.

Duck Stamps Available at Postoffices in July

The 1946 migratory bird hunting stamp is expected to be available in all first and second class post offices July 1, according to postal authorities. Design for this year's "duck stamp", was taken from a sketch executed by Robert W. Hines, artist for the Ohio Conservation Department. The duck stamp series originated in 1934 with a J. N. "Ding" Darling design, and has increased from a sale of 635,000 in that year to a record 1,540,000 last year.

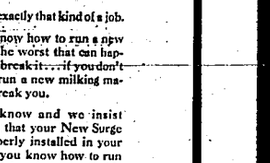
Not sold "OVER THE COUNTER"

THE milking machine has now become so generally accepted that many thousands of them are being sold over the counter as shelf merchandise the same as a dish pan or a monkey wrench.

The Surge is not sold that way. Each Surge *must* have the full backing and complete *in the barn* instruction of a Surge Service Dealer... and... each Surge Service Dealer is carefully selected and thoroughly trained... he has to know how to milk cows.



This is *not* because the Surge is harder to install, harder to use or harder to keep in repair, but because we want to sell you an efficient job of fast milking in your barn and no sale is complete until you have exactly that kind of a job.

If you don't know how to run a new tractor about the worst that can happen is that you break it... if you don't know how to run a new milking machine it may break you.

We want to know and we insist upon knowing that your New Surge Milker is properly installed in your barn and that you know how to run it... how the other fellow sells his machine is his business but that's the only way we will sell you a Surge.

All of this is not done just to be big hearted but because we expect to be in the milking machine business a long, long time after the present wild boom is over.

"No matter who you are or where you live Surge Service is available at a reasonable cost."

SUBSIDIES TO END ON CATTLE, SHEEP SUNDAY, JUNE 30

To be Paid No Longer on Slaughter Animals, AAA Chairman States

Farmers won't get subsidy payments on cattle and sheep sold for slaughter after June 30, Carl H. Anderson, AAA chairman, reminded livestock feeders today.

The production payments which have gone to farmers and to slaughterers who fed beef cattle, sheep and lambs to specified weight and grade specifications will cease on that date, but applications for subsidy on sales made before July 1, will be accepted until August 31.

To be eligible for payment, beef cattle, sheep and lambs owned by feeder- slaughters must be slaughtered before midnight, June 30. In cases where the feeder doesn't do the slaughtering himself, animals must be delivered to a slaughterer for slaughter before midnight June 30, to be eligible for payments Mr. Anderson explained.

Present payment rates amount to 50 cents per hundred pounds on cattle, a dollar per hundred pounds on sheep and from two dollars to $2.65 per hundred on lambs. Animals must meet weight specifications to be eligible.

The subsidy program was inaugrated at a time when feed supplies were plentiful to encourage feeding. Termination of the program is expected to adjust livestock numbers to the current tight feed situation, and to free more feed grains for direct human consumption, particularly for human relief abroad, Mr. Anderson said.

'Washboards' May be Due for Comeback on Gravel Roads: Hoffman

"Washboards," pet peeve of motorists before heavy motor-driven road graders came into general use, may again become a cause of complaint on gravel surfaced highways this summer. Inability to get new equipment or repairs for old units is hampering maintenance work, according to M. J. Hoffmann, commissioner of highways.

"Shortage of equipment makes it impossible to smooth graveled highways as often as necessary for comfortable travel," said Mr. Hoffmann. "Unless the equipment situation improves, this condition may become more acute during the summer months when travel is heaviest and frequent smoothing of road surfaces is most necessary.

175 WERE PRESENT AT WOMEN'S CAMP

Annual Event Held at Crookston June 10-13

A total of 175 women from Red River Valley counties of Minnesota and North Dakota were in attendance at the 20th annual Women's camp at the Northwest School at Crookston June 10-13. A new resident enrollment record of 143 was established at the 1946 camp. A full program of lectures, demonstrations and handicraft was carried on through the three days of camp.

Special recognition was given at the awards assembly to the women who have attended fifteen or more camps. Mrs. Albert Lindstrom of Waubun and Mrs. Ella Anderson of Fisher received bouquets for their nineteen years attendance record.

Women attending eighteen camps were Mrs. Emil Peterson of Middle River and Mrs. C. H. Roholt of Mayville, North Dakota; Mrs. Wm. Story of Hoynorth, Illinois, attended her seventeenth camp this year. Campers completing their fourth year were awarded attendance certificates.

Women winning daily prizes for finding the Golden Horseshoe were Mrs. Ed. Cailler, Crookston; Mrs. John Pafeanuie, Red Lake Falls; and Mrs. Irvin Arne of Hazel.

Women's Camp officers elected for the 1947 camp were Mrs. W. J. Cumming of East Grand Forks, president; Mrs. Henry E. Hanson of Bagley, vice-president; Mrs. Chester N. Fowler of Hatlock, secretary; Mrs. Allard Nelson of Roseau, sergeant-at-arms.

Miss Ruth Rede of the home economics staff at the Northwest School served as camp leader.

Minnesota Resorts Not Yet Filled to Capacity, Says Tourist Director

Minnesota's resorts are not booked full for July & August according to Verne E. Joslin, director of the Minnesota state tourist bureau, who has just made a survey of the situatin. Reports have been current that all resorts are already booked full for those months and that it would be impossible to get a place to stay, but these are far from true.

Only a very few of the long-established resorts, whose trade is mostly repeat business year after year are really filled with reservations for July and August and even those as well as all other resorts have some space available for the latter part of August and plenty of openings for September, which is an ideal vacation month in Minnesota.

Hundreds of the resorts throughout Minnesota still have from 10 to 60 per cent of their space unreserved for July and August, according to letters being received by Mr. Joslin.

Cooking Game

The secret of cooking any wild meat is to conserve moisture. Wild meat is naturally drier and tougher than domestic meat. The general rule is to cook game for a longer time at a lower temperature than other meats. While homemakers do not cook domestic meat in covered pans, this method is often better for wild meat. The covered roaster is best for long, slow, moist cooking.

HER LIFE IS ALL AT SIXES—NO SEVENS

Minneapolis—Thelma Shere has six letters in each of her names. She has six brothers and sisters, too. Moreover, on her sixth birthday Thelma had six teeth, having just lost six of the baby variety. All of which adds up to a string of sixes finished of by the fact that her sixth birthday was the sixth day of the sixth month, 1946. For Thelma Itsix of one and a half dozen of the other!

Times want ads bring results.

Four-H club members in Minnesota raised over 800,000 chickens and turkeys during 1945 as part of their project work.

Reports from Minnesota indicate that 59.3 per cent of all farms in the state need some form of tree planting.

EARLY INDIAN SPEAR-HEAD FOUND AT MILACA

Milaca—A copper spearhead of the type used by Sioux Indians in the late 1600's when Father Hennepin was exploring this part of the country, was found by a 10-year-old boy, Leander Peterson, near here. Each tribe used a different design, and Leander's find is believed to have come from the Ojibway on Nichols Bay, Mille Lacs lake.

Waiting is tough on us, too

For months we've been hoping to present each and every one of you with the new Packards you've ordered, and have been waiting for so patiently.

Last fall, the outlook was good. Packard was confident it would *double* its pre-war output in 1946. (The factory is equipped to turn out far more than that.)

Look what has happened!

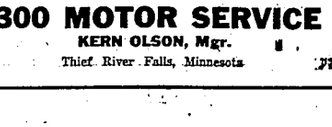
Then came material shortages. Parts shortages. For reasons completely beyond its own control, Packard was able to keep its assembly line moving *only nine days* in the first quarter of this year.

In the meantime . . .

Our friends have kept calling us up and asking, "Hey! Where's that new Packard I ordered weeks ago?" Many of these are old friends—Packard owners since 'way back.

But to make life more complicated, *everybody* seems to want one of these grand new Packards. Over 65% of the people out to buy new Packards are now driving some other make.

Honest, it's gotten so we hate to answer the telephone or look our friends in the face. But . . .



Your patience will pay off!

One of these days, the shortage of parts and materials is bound to ease up. And when it does, those twin-assembly lines at Packard will really roll.

Anyway, you can depend on this:

As fast as the factory ships cars to us, we'll do everything we can to deliver yours at the earliest possible moment.

So, we hope you'll be patient a little longer. We're doing the best we can, and so are the folks at the factory!

News of R. R. Valley Home for the Aged

We were glad to have Mr. and Mrs. Arthur Erickson, who have recently returned from Berkeley, Calif. call at the home and look over our recent improvements. The Ericksons have been real interested in the welfare of the home since Bible school days here that preceded the establishing of the home. Sometimes a disaster to some people proves beneficial to others and so it proved when Mr. and Mrs. S. C. Jenson with their son-in-law and daughter drove to town recently and a case of eggs became damaged and they brought them to us and it proved very worth while for us to sort them as we got several dozen of usable fresh eggs. That was a real act of thoughtfulness for which we are thankful.

The Erickson Funeral Home brought us some lovely baskets of flowers in memory of Mrs. Della Zeh who was a friend of the Home and had her application in for entrance. We shall miss her cheerful conservations over the telephone.

We also had a beautiful bouquet of yellow roses brought by Mrs. Joe Schneider and Mrs. Harry Larson and their little sons when they called on Mrs. Emil Hagen recently.

An unknown friend also brought us a large bouquet of Phlox, for which we now say thank you.

We have heard from many friends in this vicinity from the twin cities and even as far away as California, who will tell us how they enjoy our news column and miss it when it does not appear. We are gratified to know this and will do our part to have it appear regularly.

We have had letters from Ole S. Ranen, Thorwald Jacobson, and our former cook, Mrs. John Paulson. All are very well and send greetings to their many friends here.

Our new workers, Mrs. Nels Hackstrom as cook and Pearl Rieven as floor girl on second floor are well established in their duties and we were indeed fortunate to add them to our staff of workers.

We have had a double treat of late, coming from Mrs. Ostlund in appreciation for the many kindnesses shown her during the past several weeks when she hasn't been so well, and from her daughter, Mrs. Korvestad of Grand Forks, who likes to remember her friends here. The ice-cream and the watermelon were both tops.

Mrs. Regina Mostue accompanied her friend Mrs. Christine Olson to McIntosh for several days visit with friends, returning here by bus Saturday evening.

Our Daddy here at the home felt pretty important the former weekend when letters, gifts and cards came pouring in for Father's Day. It was just too bad to be a bachelor around here those days, but we have plans for the planning to remember their Dads for Father's Day.

Among our out of town guests recently have been Mr. and Mrs. O. Nesterud of Chicago, who have been looking after business interests here and visiting with friends the past week.

Carrie Hoverstad celebrated her birthday on Monday of last week, when several of her friends were present and Miss Hoverstad treated all to ice-cream and cake in the afternoon. We wish her a blessed and happy year.

We have had many callers recently to inspect our new kitchen which is completed on the floor. We do appreciate having things in order again.

And we are indeed grateful to friends who are helping us on the remodeling fund. We have made no appeal for funds, but friends who appreciate the home and the recent improvements come to our help any way and we are indeed thankful to God for these answers to prayer. May God indeed bless each one.

Callers recently have been Anna Ahlberg to see Mrs. Sundberg, the Arthur Gunderson family of Clearbrook to visit Mr. Gulbrulson and Mrs. Moe, and Mrs. Gulrud, Mrs. B. Knutson and Mrs. John Sundt who have many friends here.

Arne Sannes from Gonvick spent a few days here during a vacancy and has left to be on the farm with relatives until we have a room for him.

Gloria Ulshafer and Lorraine Moe completed a successful Bible School with Rev. Fleagle at Warren and came home to spend the week-end with their respective families, leaving again Sunday evening to begin another school at Pembina Trail.

Your correspondent, Mrs. Moe, has had inflamation in one eye for several weeks and left for Fargo to consult an eye specialist on Friday returning Saturday evening. She must return again this week for further medical care but hope to be back again soon able to again take up our duties at the home.

American farmers operate over 2,000,000 tractors in keeping farm production at its high level.

HAZEL

Mr. and Mrs. Ted Johnson returned home on Saturday after attending the Augustana Synod at Duluth and the Ordination of Roderick Johnson last Sunday. They also visited at Hill City and with the Russell Sarody family at Minneapolis.

Mr. and Mrs. Henry Sandberg, Betty Jean, and Roger spent Sunday visiting at the Arch's Lacoursiere home at Oklee.

Mr. and Mrs. Albrit Carlson, Beverly, Eileen, and Gary and Mrs. Anton Helmer and daughter were visitors at the Herman Sandberg home Sunday evening.

Mrs. Earl Peterson attended a bridal shower for Miss Eleanor Lieran at the Halvor Rhodegard home at Thief River Falls on Thursday evening.

Mr. and Mrs. Henry Sandberg and Roger, Mr. and Mrs. Clarence Roese, Mr. and Mrs. Wm. Palmquist and family, Mr. and Mrs. Carl Peterson and sons, Anton Peterson and Hjalmar, Emil Sandberg and Harold Walseth spent Tuesday fishing at Turtle River at Bemidji.

Mrs. Lena Sjoberg and Esther, Mrs. Albert Carlson were guests at the Frank Peterson home on Tues.

UNSAFE CARS, BAD DRIVERS TAGGED

Arrests for Dangerous Driving Jump in May.

Efforts of the Minnesota highway patrol to make travel safe for law-abiding motorists brought "must repair" tags in May to more than double the number of drivers given such tags in May last year, according to the monthly report of Earl M. Larimer, chief of the patrol division of the state highway department. Arrests and warnings for some types of traffic law violations also increased greatly.

Tags calling for prompt correction of illegal and dangerous equipment were given to 3,188 drivers in May. These tags indicated 4,797 violations, since many vehicles had more than one deficiency. Unsafe brakes, one head light out and rear lights out were the most frequent. In May, 1945, repair tags were issued to 1,131 drivers, representing 2,122 violations.

Arrests for serious traffic violations, and comparative figures for May last year, included the following: driving under influence of intoxicants, 103 and 59; careless driving, 208 and 121; improper passing, 104 and 42; improper equipment, 186 and 98. On the other hand there were decreases in arrests for excess speed, overweight loads and driving without drivers license. Arrests for all causes were 1,120 in May this year and 947 last year.

PLAN AIR SHOWS AT FARGO, G. FORKS

Speedy Army and Navy Planes Will Perform

Many North Dakota and Western Minnesota cities will be "bombed" in the near future, but the "bombs" won't injure anyone. They'll be leaflets calling attention to two spectacular air shows to be staged by Civil Air Patrol at Fargo Friday, July 12, and at Grand Forks Sunday, July 14.

Wing Headquarters of CAP has dispatched letters to mayors of a score of towns asking their permission to stage the "bombing" and in the next two or three weeks planes will be dispatched carrying their printed messages.

The two air shows will be staged by the Army Air Forces, under sponsorship of CAP, which is the official auxiliary of the AAF. Outstanding feature of the exhibition will be flight maneuvers by the fastest plane in the world, the P-80 Shooting Star, jet propelled fighter which reaches speeds of more than 600 miles an hour. One of these planes performed at the recent dedication of the million dollar airport at Bemidji, Minnesota.

Another army plane to be seen for the first time in the northwest is the H-5 Helicopter, which rises straight up from a standing start and can hover immovable in mid-air.

Jayc[illegible] Water Carnival in Full [illegible]wing July 4th

Walt Larson Reveals Names of Candidates in the Queen Contest

With a Fourth of July program crowded with activities in connection with the third annual water carnival sponsored by the Junior Chamber of Commerce, the expected thousands of entertainment seekers from thruout this section of the state will have a wide variety of entertainment features to select from.

Included in the day's program, in addition to water events and other sports features, are an impressive street parade getting underway at Lincoln high school at 1 o'clock; a street carnival on Second st.; performances by a WDAY troupe in the Auditorium at 4:30 and 8 p. m.; a spectacular display of fireworks at the fairgrounds 9:45; and dances in the Auditorium and arena.

Climaxing the day's events will be the crowning of the carnival queen by King Neptune in the person of L. W. Rullen in the arena at 11:30 p. m.

Walt Larson, chairman of the queen contest, announced that up to Tuesday morning names of eleven candidates for queen honors had been entered in competition.

The aspirants, together with their sponsors, include: Joan Lynde Oen's Store; Laura Jorde, Land O'Lakes Creameries; Avis Engelrude, Harts Stores; Margaret Olson, Veterans of Foreign Wars; Velma Myers, Civic and Commerce association; Dorothy Louze, Bridgeman Creameries; Darlene Pahlen, Fashion Shop; Pearl Sampson, Silverton 4-H club; Clara Mae Jorde, Steiner 4-H club; Deloris Johnson, North Star 4-H club; and Arlene Robinson, Silk Lodge and Vivian Borshein, Morton's Photo Shop.

Each of the candidates will ride on a float sheltered in the parade by her sponsors.

With WDAY Troupe in City Auditorium July 4th

Pictured above are the Great Roy and Helene, one of the popular acts scheduled to be presented by Ken Kennedy and his WDAY troupe in the city Auditorium on July Fourth at 4:30 and 8 p. m. The pair present a mystifying series of magic and mind-reading stunts, interspersed with comedy dialog.

No Fatalities Mark Storm Friday; 4 Hurt

Perhaps because residents of this community were at home in bed when the devastating windstorm struck Friday morning shortly before 3 o'clock, no loss of life was reported as a result of the gale.

However several persons had highly disagreeable experiences during the storm, and suffered injuries. Axel Larson, 68, was downstairs in his home which stood on blocks east of Maple ave. and near Mussey st., when the wind picked up the house and rolled it over on its side, piling furniture on top of Mr. Larson.

His daughter Teckla came to his rescue, and later assisted in removing him from the house thru a window. He was taken to a local hospital where he received treatment for a broken collar bone, being released Tuesday. Miss Larson escaped with bruises.

Mr. and Mrs. Edgar Longren were sleeping in a bunkhouse near their turkey flock northeast of this city when the wind picked it up and carried it 50 feet thru the air, demolishing it and exposing the occupants to the torrential rains until they were able to take shelter in their car nearby. Mr. Longren suffered a cut on the forehead, and both he and Mrs. Longren sustained severe bruises.

LINEMEN SPEND BUSY WEEKEND AT REPAIRING WIRES

Power Plant Crews and Phone Company Crews Repair Storm Damage

Linemen for the Thief River Falls municipal power plant and the Northwestern Bell Telephone company spent a hectic week-end making repairs to damaged wires and poles resulting from the record-breaking windstorm last Friday morning.

A. J. Rau, manager of the local telephone exchange, reported that with 600 telephones out of commission after the storm repair work got under way Friday at 4 a. m. and all services were restored by 6 p. m. Sunday.

Much of the work, consisting largely of replacing service wires broken by falling trees, was done by two Bell system traveling construction crews. The Farmers Mutual Telephone company had restored service on its rural lines on a temporary basis by Saturday.

More than 300 patrons of the power plant, mostly on the east side of the river and in the Riverside ave. area, were without electric service for varying lengths of time following the gale, but all save a few had been connected up by Tuesday afternoon, Supt. Ole Legvold reported, adding that the damage was by far the heaviest in his long experience. Repairs were made as quickly as possible by three linemen crews.

Local Truck Driver Hit by Lightning at Wadena

Owen Peterson, driver for Bridgeman Creameries, was struck by a bolt of lightning a mile northwest of Wadena last Wednesday evening while on his way to St. Paul, and is now recuperating in the Wadena hospital. His wife and family joined him at Wadena, and will stay there until he is able to return to this city.

CONSERVATION ASSN. MEETS IN E. GRAND FORKS

Dr. Bratrud Reelected President and Houry Storhaug Is Secretary

The Northwest Minnesota Association of Conservation clubs at its annual meeting in East Grand Forks last Wednesday night passed a resolution recommending creation of a breeding ground for fowl and game in the Roseau swamp area north of Greenbush and Badger.

In the resolution, to be forwarded to the state conservation department, the association asked that dams, dikes and other structures be built in the swamp area to create a 20,000-acre lake for a habitat for ducks, geese and fur-bearing animals.

Sixty-five delegates from 35 clubs in the Ninth congressional district attended the business meeting Wednesday afternoon. The East Grand Forks Rod and Gun club was host to more than 200 at the evening session, which was preceded by a banquet. All sessions were held at Eagles hall.

Ed Shave of Minneapolis, newspaperman and conservationist, was the evening's main speaker, stressing the necessity for a far-reaching program of conservation of soils, forests, fish and game.

Dr. Edward Bratrud of Thief River Falls was re-elected president of the association. Rand Humes of East Grand Forks, president of the local Rod and Gun club, who was in charge of local arrangements, was re-elected first vice president.

Other officers chosen included: C. Ohns, Gully, second vice president; M. McGrath, Detroit Lakes, third vice president, and Henry Storhaug, Thief River Falls, secretary.

The association also passed resolutions to:

Request the state conservation department to curtail commercial fishing on American waters in Lake of the Woods.

Recommend to the conservation department the building of a road and firebreak along the north shore of Upper Red lake to connect with U. S. highway 72.

STORM DESTROYS MORE THAN 3,000 YOUNG TURKEYS

Hundreds of Chickens Also are Victims of Friday Morning Gale

Tentative reports from local insurance agents and other sources indicate that in excess of 3,000 turkeys in the Thief River Falls area were destroyed in the tornadic windstorm that hit this section last Friday morning.

In addition, more than 500 chickens were killed while on the Clarence Peterson farm three cows were electrocuted when they came in contact with a high line wire knocked down by a fallen windmill. All but one of 15 head of young stock were rescued when the gale razed the barn on the Ole Sparby farm southeast of Gatzke.

Losses suffered by turkey growers, many of them being insured, include John L. Wold Jr., northwest of Thief River Falls, 750 birds; Mabel Breiland, Kratka, 650; Efteland Brothers, 350; Henry Arneson, 350; Silas Hanson, 400. In addition Louis Twete and Wm. Hedge, raising turkeys east of Red Lake Falls, lost more than 500 out of their flock of 5,000 birds.

Among owners of chicken flocks who suffered losses were Herman Christopherson, 400 birds and Chris Anton, 100.

PRIMARY VOTE SCHEDULED ON MONDAY, JULY 8

Lack of Local Contests Detracts from Interest in Current Campaign

Due to the lack of any local contests for county office a relatively light turnout of voters is in prospect for the primary election to be held next Monday, July 8. Thief River Falls voters will cast their ballots in the municipal Auditorium between the hours of 7 a. m. and 8 p. m. while in the rural precincts the polls also will close at 8 o'clock.

Interest in the statewide primaries centers around the contests between Edward Thye and Henrik Shipstead for the Republican nomination for United States senator, which office Shipstead has held since 1922; and between Luther W. Youngdahl and Hjalmar Petersen for the Republican nomination for governor.

In the Democratic-Farmer-Labor party, Theodore Jorgenson of Northfield is the endorsed candidate for U. S. senator, while Harold H. Barker, Elbow Lake newspaper publisher and former representative in the state legislature, has the endorsement for governor.

The proposed British loan issue was injected into the senatorial campaign this week when Senator Shipstead reiterated his objections to the loan, while his opponent, Governor Thye, maintains that the matter will be disposed of before he takes his seat in the senate next year, if elected.

Unwilling to have the state's care of inmates in its institutions maligned by political opponents, Governor Thye this week asked John E. Coughlin, Rice county attorney to take immediate steps for the calling of a grand jury to investigate not only the care of patients at the Faribault school for the feeble-minded but to investigate the circumstances under which the affidavits were gathered which Hjalmer Petersen presented to the Rice county attorney.

The governor disclosed that many of the affidavits which Petersen submitted to the county attorney were dated April 9, 1940, more than six years ago. Why were these affidavits held all these years, Governor Thye asked.

MANY FROM CITY AT IWVA PARLEY

Local Citizens Spend Week-end in Winnipeg

Thief River Falls was well represented at the annual convention of the International War Veterans Alliance in Winipeg last week-end. Included in the local group were Mayor Wm. J. Oakville, delegates from the Legion post, and the 14-man Marine Corps league drill team sponsored by the local post of the Veterans of Foreign Wars.

The program of events included impressive memorial services, attended by 20,000 persons; and a parade in which the local Legion post was represented by an attractive float. In the business session Kern M. Olson was elected one of the ten U. S. members of the board.

The Thief River Falls Civic and Commerce association and Legion post invited the alliance to stage its 1947 convention in this city, but the matter was referred to the board of directors for decision later.

Former Local Citizens Plan Outing in Berkeley

Former residents of the Thief River Falls community now living in North Central California will resume their annual get-togethers with a picnic Sunday afternoon, July 14, in Live Oak Park, Berkeley, Calif., Thomas H. Chittick, secretary, informed the Times last week. He added that the outings were started in 1926 and continued each year until stopped by gasoline rationing in 1943.

SCHOOL GARAGE DESTROYED BY STORM THAT SWEPT THRU CITY FRIDAY

Destruction of the school garage and damage to the municipal sewage disposal plant were the biggest single items of loss within the city when a tornado swept through the community early Friday morning. Above is a view of the remains of the garage in which five school busses were housed. Both the garage and the disposal plant were covered by insurance.

Sewage Disposal Plant and School Bus Garage Heaviest Loss in City

In the most destructive windstorm ever recorded in this area, buildings in Pennington county were damaged or destroyed to the extent of approximately a quarter of a million dollars last Friday morning shortly before 3 o'clock.

The storm, accompanied by a torrential rain, followed a path from Crookston in Polk county to the Red Lake Falls area, and then traveled from southwest of Thief River Falls, hitting the south and east sections of the city and then moving on north and east.

A survey made by County Agent Ernest Palmer in cooperation with the Times in the rural areas revealed the destruction of more than fifty barns with an estimated value of $120,000; 100 barns damaged to the extent of $70,000, 80 other buildings damaged to the extent of $8,000; and 40 silos damaged, with the loss fixed at $12,000.

An incomplete list of farm buildings destroyed appears elsewhere on this page. The remainder of the damage occurred in the city of Thief River Falls.

Red Cross Acts

The disaster committee of the local Red Cross chapter, headed by Ben I. Fevilland, was called into action immediately by Chafrman Herman A. Kjos, and received reports on damage from O. L. Ihle and County Agent Palmer.

Thru the midwest Red Cross office in St. Louis, arrangements were completed in Washington to give highest A.A.A. priorities to this county on $100,000 worth of material needed in reconstruction work, Harold Groningen, field man, reported Tuesday. Material to be supplied thru local lumberyards included cedar and asphalt shingles and roll roofing.

Groningen said he would return here next week to ascertain if any of the storm victims are in need of financial assistance. He also praised the local chapter for the promptness with which it swung into action following the storm.

The Red Cross survey indicated that in the city approximately 250 houses were damaged, most of them only to the extent of broken windows and damaged roofs and chimneys.

School Garage Razed

Biggest losses in Thief River Falls consisted in the destruction of the school bus garage constructed last year south of the old Lincoln high school building and the blowing away of the south half of

Fifty Pennington County Barns Destroyed in Storm

A survey of damage resulting in the rural areas from last Friday morning's disastrous windstorm was made by the Times in cooperation with County Agent Ernest Palmer, and revealed that approximately fifty barns in Pennington county were destroyed by wind, most of them in a path southwest and north and east of Thief River Falls.

Other losses include extensive damage to 100 other barns and to 80 houses and outbuildings, as well as to 40 silos.

Harold Groningen, field man for the American Red Cross, reported here Tuesday that losses in Red Lake county included destruction of six barns and damage to 20 others; 25 outbuildings destroyed and 30 others damaged; and 15 houses damaged.

Groningen also stated that in the Crookston vicinity, where the storm originated, ten barns were destroyed and 16 damaged; 15 outbuildings destroyed and 25 damaged; and 15 houses damaged.

Following is a partial list of buildings destroyed on Pennington county farms:

Southwest of T. R. Falls

Ole Jaranson, barn; V. C. Noper, barns on Stone and Pope farms; Ed Timm, barn; Gust Timm, barn; Chris Anton, all buildings except house; Nis Anton, barn; Albert Koop, silo; Hans Anton jr., silo; Maynard Mehrkens, silo; Ludvig Ona, barn; Tom Welch, barn; Hugo Swanson, barn on Vernon Anderson farm; Enoch Swanson, barn; Richard Swanson, barn; Antoff Larson, barn; George Swanson, well house and garage.

North and East of City

Christ Norbeck, barn; Clarence Peterson, barn; Henry Hanson, barn; Erick Rosala, barn; Gus Halberg, barn; Wm. Jensen, barn; Gust Berggren, barn; O. K. Lerol, barn; Stanley Panek, barn; Carl Olson, barn; Odin Hanson, granary and his house; Louis Quam, Reiner, house and barn; James Ramsey, Highlanding, barn.

Reports received by the Times Wednesday indicate that barns also were destroyed on the Juel Cherveland and Ben Bendickson farms in the River Valley area on the Taral Kvesta farm in Highlanding.

South of City

Henry Oen, barn; Fred Kraemer, barn; Ed Bruggeman, barn; Fred Bruggeman, barn; Carl Amren, Hazel, silo.

FORMER MEMBER OF POLICE FORCE TAKES OWN LIFE

Elmer Berg Hangs Self in Home Here; Funeral Services on Saturday

Committing the rash act in a fit of despondency, Elmer B. Berg, former member of the local police force, late Monday evening took his own life by hanging in the basement of his home on Crocker av. N. He was 48 years old.

Funeral services will be conducted Saturday afternoon at 2 o'clock from the Gulbranson funeral chapel and interment will be in the Clearwater cemetery.

Born in Garnes township, Red Lake county, January 7, 1898, Mr. Berg served as patrolman in Thief River Falls from January, 1937, until in November, 1945, shortly after which he left for the West Coast to be employed. He returned to this city last fall.

Surviving his death are his wife and a son.

To Appear Here July 8

Shown above are Audrey Kiekenapp and Dick Nelson in a scene from the comedy hit, "Blithe Spirit", to be presented in Lincoln high school auditorium next Monday evening, July 8, by the University of Minnesota Theatre under the local sponsorship of the Rotary club.

Marriage Licenses Set High Mark of 24 in June

Setting an all-time high mark for the month of weddings in Pennington county, 24 marriage licenses were issued in June by Henry Storhaug, clerk of court, compared to only seven for the same month in 1945. Testimony as to the effect on the marriage market of the return of young men from military service is found in the fact that in the first six months of 1946 85 licenses were issued, more than double the total of 31 for the same period of 1945.

SECOND STORM SATURDAY NIGHT ADDS TO DAMAGE

Wind and Hail Damage Crops and Buildings in Restricted Area

Following closely after Friday morning's disastrous windstorm, a short-lived wind and hail storm Saturday evening damaged several silos in the St. Hilaire vicinity, and leveled grain crops in a strip pastthru Hocksburv, Smiley and Highlanding townships.

The wind missed Thief River Falls, but the city received a heavy downpour of rain, a total of .95 inch being recorded at the power plant, compared to .65 inch in Friday morning's storm.

During the Saturday night storm a bolt of lightning struck the plant of Fred Forsberg & Sons on Conley av., generating a blaze between the outside walls and in the ceiling. The fire department extinguished the blaze before it got a good start.

George Mostue Raises Ripe Tomatoes by July 4

Getting in ahead of other local gardeners, George Mostue, proprietor of the Thief River Greenhouses, will eat ripe tomatoes on July Fourth, raised in his garden adjoining the greenhouse. He is the first to report the ripening of the fruit at this early date.

PLANNING BOARD TOPIC AT SESSION OF C. & C. GROUP

Proposal Offered for Local Stores to Stay Open Friday Evenings

Following further discussion of the proposed permanent planning board, the Civic and Commerce association, at a luncheon meeting last Thursday noon in the Palm Garden Cafe, authorized the appointment of two members to represent the association.

Other local groups invited to take similar action include the Junior Chamber, Lions, Woman's club and Business and Professional Women's club. It also was voted to give representation to any other groups requesting it.

Also discussed was a proposal that local business places remain open Friday evenings and close Saturday nights during the summer months as is being done in several other cities in Minnesota. No action was taken at the meeting, the matter being referred to the merchants committee for investigation.

Vows Spoken Saturday by Miss Eva Robarge and Julian Londobeja

At nuptials performed in St. Bernard's rectory Saturday morning, Miss Eva Robarge, daughter of Mr. and Mrs. V. F. Robarge, became the bride of Julian Londobeja, son of the late Mr. and Mrs. Peter Londobeja. Father Leonard Weber prompted the exchange of vows at ten o'clock.

Mr. and Mrs. Andrew Champeau of Red Lake Falls served as the couple's attendants, the latter wearing an aqua suit with a complimentary corsage. An attractive white suit worn with a white bridal hat and a corsage of salmon gladioli was Miss Robarge's choice of wedding attire, and she wore a gold cross, a gift of the groom.

Mr. and Mrs. V. F. Robarge were hosts to members of the immediate family and a few friends at an informal reception early that afternoon. A profusion of flowers and blooms lended a garden atmosphere to the Robarge home, and a three tiered wedding cake, topped with bridal figurines, and placed on a mirrored plateau, highlighted the buffet luncheon that was served. There were also white carnations with greens, and lighted tapers in crystal candelabra on either side of the centerpiece. Miss Mabel Stokke cut and served the wedding cake, and the bride's sister, Mrs. Lionel Breitland, poured.

For her daughter's wedding, Mrs. Robarge chose a gold afternoon dress with matching corsage, while the groom's sister-in-law, Mrs. Walter Londobeja, with whom he has made his home the past few years, was attired in a brown frock with a corsage to compliment that color.

Leaving that afternoon on their honeymoon to the North Shore Drive, Mrs. Londobeja donned a pink cable knit dress with white accessories.

The bride, graduate of Lincoln high school, has owned and operated the Chan's Beauty Shop in this city for the past several years, while the bridegroom operates his farm in the Thief River Falls vicinity, where they will be residing.

Russell Garness and Virginia Miller Are Married in Illinois

Miss Virginia Miller, daughter of Mrs. Bessie Miller of Nelson, and Russell T. Garness, son of Mrs. E. M. Larson of this city, were united in marriage June 29 at Sterling, Ill., friends learned here this week. The ceremony was performed by Rt. Rev. Msgr. A. J. Burns in the rectory of St. Mary's church.

Cousins of the bride, Mr. and Mrs. James Frickleton of Sterling, were the attendants.

The bride was attired in a two-piece pique dress, large picture hat trimmed in blue, and blue citay length gloves. There were pink roses in her shoulder corsage. A two piece pink Shantung dress was worn with white accessories by Mrs. Frickleton, with white roses at her shoulder.

A wedding dinner was served to the immediate families in the Lincoln hotel and a reception was held that evening at the Miller home in Nelson.

The bride, a former army nurse, was graduated from Community high school, Sterling, in the class of 1941 and from the school of nursing at St. Joseph's mercy hospital, Savanna, Ill., in 1944. For 18 months she served in the Way Beaumont General hospital in El Paso, Texas.

Mr. Garness was a sergeant with the 707th infantry division during the war. He was graduated from Lincoln high school in this city and had two years of college at Luther college in Decorah, Iowa, and one year at the Montana State College.

Mr. and Mrs. Garness spent their honeymoon in Denver, Colo., and they are now residing in Minneapolis.

Ellen Mae Janda Is Bride of Army Captain at Wisconsin Wedding

Elle Mae Janda, daughter of Mr. and Mrs. Wesley J. Janda of Washington, Nebr., and Capt. Ronald R. Faust, son of Mr. and Mrs. Charles J. Faust of Madison, Wisc., exchanged marriage vows at St. Paul's University chapel, Madison, Wisc., Monday morning, June 24, at 9 o'clock, with Father Alvin Kutchera officiating.

The bride's gown was fashioned with white satin bodice, full net skirt with train, and she had a finger-tip veil of matching net. She carried a colonial bouquet of mixed white flowers.

Robert W. Janda, brother of the bride, gave the bride in marriage, and serving as attendant were the bride's sister, Corporal Stella Janda, and Lt. Comm. John Hilgus, brother-in-law of the groom.

A wedding breakfast was served in the Longfellow hotel for 25 invited late members of both families, and Mr. and Mrs. Faust left on a wedding trip to northern Wisconsin and Minnesota.

The bride is a graduate of the University of Minnesota school of nursing. She is on terminal leave after three years service in the army nurses corps, one year of which was spent in China, Burma, and India. She was formerly of St. Hilaire, and a graduate of that village's high school.

The groom attended the University of Wisconsin, and was graduated from the forestry school at the University of Michigan. He is on terminal leave after four years service in the army infantry, 14 months spent in the Pacific theatre.

Mr. and Mrs. Faust are at home in Madison, Wisc.

Alvina Arveson and Alfred Hanson Marry at Church Nuptials

Miss Alvina Arveson, daughter of Mr. and Mrs. Ed Arveson, and Alfred Hanson, son of Mr. and Mrs. Gilbert Hanson, were united in marriage Sunday, June 16, at 2 o'clock. The wedding, a double ring ceremony, was performed at the Nazareth Lutheran church by Rev. Halvard Lie. Miss Lenora Arveson, cousin of the bride, and Merrill Christianson attend the couple.

The bride chose a white two-piece wool dress with a corsage of red roses and sweetpeas, and she wore lavaliere and bracelet, the groom's gifts. The bridesmaid had an aqua blue two-piece dress with corsage similar to that of the bride.

A reception was held at the bride's home for relatives following the ceremony. Lunch was served buffet style and centering the serving table was a wedding cake topped with a miniature bride and groom.

Mr. and Mrs. Hanson, returned last week after a wedding trip to Duluth and the North Shore Drive. They are residing in this city, where the groom is employed at the Co-op Oil Station and the bride is employed at Anderson's Jewelry.

Mrs. L. Hanson Hostess to Eighteen on Friday

Mrs. Leonard Hanson entertained 18 guests Friday afternoon complimentary to her sister-in-law, Mrs. Leland Schuster, who has been visiting here from Hastings, Nebr. The afternoon was spent sewing and visiting, and Mrs. Hanson served lunch. Mrs. Schuster received a guest award from her hostess, while Mrs. James Walker drew the other prize.

Moe-Jackson Nuptials Performed in Bemidji

The First Lutheran church, Bemidji, was the scene of lovely wedding Friday afternoon, June 28, at 3:30, when Miss Mary Ann Moe, daughter of Mr. and Mrs. J. M. Moe of this city, became the bride of Lt. Jack Jackson, son of Mrs. K. R. Jackson of Los Angeles, Cal.

An altar of lighted tapers in branched candelabra and baskets and bouquets of seasonal flowers formed the setting for the exchange of vows. The Rev. L. E. Evans read the service, using the single ring ceremony.

Preceding the ceremony, Mrs. Arthur Hamilton of this city played a program of nuptial music. Mrs. Fred Mann, Jr., of Devils Lake, N. Dak., accompanied by Mrs. Iner Nathanson, sang three selections. The traditional wedding marches were used.

The bride, who was given in marriage by her father, was attired in a floor length gown of white satin nylon with the skirt extending into a long train. The fitted bodice was fashioned with long sleeves and sweetheart neckline. Her three-quarter length veil fell from a pearl bonnet headdress of seed pearls.

A hand bouquet of Pinocchio roses, gladioli, and delphinium completed her ensemble.

The maid of honor, Miss Ruth Sandberg, a classmate at the University, wore aqua satin nylon with net. Miss Joan Jackson of Los Angeles, sister of the groom, as bridesmaid, was attired in white net over satin. Both carried colonial bouquets of gladioli and carnations in peach and orchid, respectively.

Attending the bridegroom were Earl Van Sickle of Minot, N. Dak., a classmate from West Point, and Bill Jackson, his brother, of Los Angeles, Calif. Cadet Phil Feir of West Point and Seaman Jack Robbins of Annapolis, in white uniforms, served as ushers and lighted the candles. Assisting with the ushering were Tom Corrigan and Joe Hatch of Bemidji.

A reception was held in the church parlors immediately following the ceremony with the Naomi circle in charge.

Both bride and bridegroom are graduates of the Bemidji high school. Mrs. Jackson has taken nurses training at the University of Minnesota, and Lt. Jackson was graduated from West Point Military Academy in June. He has been assigned to Phoenix, Ariz., for his transition flying, following which he will receive his assignment for overseas duty. Mrs. Jackson plans to accompany him.

Home Ceremony Sunday for Clarice Plymire and Carl E. Carlson

The F. C. Plymire home was the scene of a two-thirty o'clock wedding Sunday, June 30, when Clarice M. Plymire, daughter of Mr. and Mrs. J. C. Plymire of this city, became the bride of Capt. S. Carlson, son of Mrs. A. B. Carlson of Warren. The double ring service was read by Rev. G. P. Rothelm in the presence of approximately 75 close friends and relatives.

Attending the couple were the bridegroom's brother-in-law and sister, Mr. and Mrs. Roy Erickson of Warren.

For her wedding the bride chose a blue cable net street length dress with white accessories and a corsage of white carnations. Her jewelry consisted of a locket and bracelet, gifts of the groom.

A reception was held at the home of the bride's parents and the couple left immediately by car for Idaho and other western points to visit friends and relatives. For travel the bride chose a black and white jersey dress with white accessories. Mr. and Mrs. Carlson will be at home in Warren after July 15.

The bride, a graduate of the Newfolden big school in 1935 and of the Thief River Falls teacher training department the following year, has taught school in Marshall county, the past 3 years at Radium. The groom is the Standard Oil bulk agent of Warren.

Miss Julia Mack Weds Vincent E. Roeder at Double Ring Ceremony

Wedding vows were spoken Saturday morning in the Plummer Catholic church by Miss Julia Mack, daughter of Mr. and Mrs. F. J. Mack, and Vincent E. Roeder, son of Mrs. Margaret Roeder of Rochester. Father Vincent Zarecki read the double ring service at 9 o'clock, and attending the couple were Eleanor Mack of Chicago, sister of the bride, and Lowell Roeder of Rochester, brother of the groom. James Jack served as usher.

Miss Martha Hazel played the wedding marches and the children's choir sang hymns throughout Mass.

A white net over satin gown with train of net and a finger-tip veil was the bride's choice of attire, and she carried a bouquet of white carnations, gardenias, and lilies of the valley. Her attendant had a blue chiffon over taffeta gown with matching chapeau veil, and a bouquet of pink and white carnations and yellow roses.

A wedding dinner followed in the club rooms of the municipal auditorium for 35 guests, including members of the choir and the altar boy, and, that afternoon a reception was held at the bride's home.

Mr. and Mrs. Roeder left on a wedding trip to Itasca state park and Duluth, and after July 12 they will be at home in Rochester, where the groom is employed as telegrapher for the Chicago Great Western Railway.

The bride is a graduate of Pershing high school in Plummer and the Red Lake Falls teacher training department. Her husband is a graduate of St. John's high school in 1935.

Jorde-Rondorf Wedding at Trinity Lutheran Church Last Wednesday

A double ring ceremony at Trinity Lutheran Church Wednesday afternoon at 2 o'clock united in marriage Miss Olive Louise Jorde, daughter of Mrs. Ada Jorde of this city, and LaVerne Rondorf, son of William Rondorf, Rev. G. S. Thompson read the service, and attending the couple were Clara Mae Jorde, sister of the bride, and Eugene Rondorf, brother of the groom.

The bride wore a two-piece pink dress with silhouette roses and white accessories. Her corsage was composed of white roses and pink sweetpeas. A yellow two-piece dress trimmed with black scroll with a corsage of pink carnations was the bridesmaid's choice of costume.

Following the ceremony a reception was held at the Steiner community hall for 150 guests. A three tiered wedding cake on a mirror topped with a miniature bride and groom served as centerpiece on the serving table. Bouquets of peonies, canterbury bells, pansies, and carnations, as well as lighted tapers, decorated the tables around which the guests sat.

Places of honor were laid at the bridal table for Mr. and Mrs. Louis Anton, grandparents of the groom, and Mr. and Mrs. Thomas Jacobson, grandparents of the bride. Blanche and Delores Rondorf were waitresses, while Mrs. Gil Sannes cut and served the wedding cake. Mrs. N. E. Murray poured, and Joyce Meyers presided at the guest book.

James Jorde, with Mrs. Knute Jorde at the piano, led the guests in singing songs of welcome to the newlyweds. A humorous history of the bride and groom was read by Mrs. Lloyd Johnson, James Jorde sang two solos, and throughout the serving Mrs. Knute Jorde played and sang several selections.

For their trip through northern Minnesota and Canada, the bride chose a blue suit with white accessories and a rose gold pendant, a gift of the groom. Following their return, they will be at home on a farm near St. Hilaire.

The bride is a graduate of Lincoln high school with the class of 1940 and of the Denning Beauty school last fall. The groom received his discharge from the army after serving as sergeant for four years in the Pacific area.

Miss Eleanor Leiran Bride of H. Bothman at Trinity Ceremony

A double-ring candlelight ceremony was held in Trinity Lutheran church Saturday evening at 8 o'clock when Miss Eleanor Leiran, daughter of Mr. and Mrs. J. S. Leiran, became the bride of Henry J. Bothman of Washington, D. C., son of Mr. and Mrs. Frank Bothman of St. Hilaire. Rev. G. S. Thompson officiated.

Mrs. Arthur Hamilton provided nuptial music before the ceremony, as well as the traditional wedding marches, and Mrs. Wm. Gilbertson sang "Beloved, It Is Morn" and "Because."

The bride's white satin gown was fashioned princess style with sweetheart neckline, long sleeves, and full skirt. Her veil was fingertip length and she carried a bouquet of pink roses and white carnations.

Miss Viola Jorgenson was maid of honor and Miss Evelyn Bothman sister of the groom, was the other attendant. They wore pale blue gowns and carried identical bouquets of roses and carnations.

The bride's little niece, Diane Leiran, was flower girl and her cousin, Donovan Peterson served as ring bearer. Roy Bothman, brother of the groom, and Louis Sagatuen were the gentlemen attendants, while Russell Bothman and Carduff Leiran served as ushers. Mr. J. S. Leiran gave his daughter away in marriage.

A reception for 150 relatives and friends followed the ceremony in the church parlors. A wedding cake flanked with lighted tapers decorated the table from which a buffet supper was served.

Mr. and Mrs. Bothman left on a short trip to Winnipeg, Man., and after July 20 plan to make their home in Washington, D. C., where Mr. Bothman is employed as radio technician with the U. S. Army air forces, Bolling Field.

The bride is a graduate of Lincoln high school, attended the Merritt business school in Oakland, California, and was graduated from the Minnesota School of Business in Minneapolis. She has been employed as stenographer for the Soo line in this city. Her husband, graduate of the St. Hilaire high school, attended a radio school at Detroit, Mich., and took a specialized radio course at the University of North Dakota and the University of Colorado.

GIRL SCOUT NOTES

Despite the bad weather last week, there were on the average of thirty Brownie Scouts in attendance at day camp at Birch Lane. On Friday it was necessary to move to the auditorium to finish up activities. At 7 P. M. a program was held in the Olson Memorial Park for the parents. Several of the scouts who did not attend the last day are asked to pick up blankets, handicraft or any other articles left at camp—these are being kept for you at Mrs. Victor Jungs' over Jungs' Bakery—please get them soon. In handicraft, scouts made clay pottery bowls and plaster plaques. Thanks to all who helped to make day camp interesting and successful.

The first group of Girl Scouts enrolled for the week of July 7-14 will leave by bus Sunday at 1:30 P. M. Bus stop at the City Auditorium. There will be thirty-four girls from Thief River Falls for the first week at Camp Beltrami, Girl Scout camp at Lake Bemidji.

The council and camp chairman, Mrs. Tom Peck, are happy to list the following: camp staff: Miss Ruth Beddle of Warren, who will be the camp director, has just returned from Indianapolis, Indiana, where she has completed a camp director's training course which is under national scout direction. Three of the unit leaders are Myrtle Sellie, Cathay, North Dakota, Rose Dueschman, Red Lake Falls; Phyllis Lofgren, Hallock. Mary Lou Ecklund of International Falls will be director of waterfront, assisted by Mary Headsten of the same place. Mrs. Clarence Knudsen, camp nurse; Mrs. William Yonke, camp cook, assisted by Mrs. Arvid Lindholm; assistants to unit leaders, Misses Ann Jacobson, Kathryn Sagmoen, and Camile Narverud, all of Thief River Falls.

Mrs. Victor Jung will attend a Girl Scout leaders' course which is under national scout direction at Camp Lolita, Grand Forks, Minnesota, July 9-12. The course will be on troop program planning.

Sunday Miss Evelyn Van de Streek Becomes Bride of L. Swanson

Miss Evelyn Van de Streek, daughter of Mr. and Mrs. E. Van de Streek of rural Thief River Falls, and Lester W. Swanson, son of Mr and Mrs. C. O. Swanson of Red Lake Falls, were married at a double ring ceremony performed by Rev. C. F. Johnson of this city in the Terra Lutheran church, St. Hilaire, Sunday afternoon at 3 o'clock.

Mrs. Carl R. Mosbeck provided the wedding marches, and Miss Eileen Presby sang "Bless Be the Tie That Binds" and "O Perfect Love."

Miss Van de Streek's gown was made of white brocaded rayon fashioned with sweetheart neckline and three-quarter length fitted sleeves. Her fingertip veil of illusion was edged with lace and she carried a bouquet of red roses. Her sister, Dorothy, was bridesmaid in a white net over taffeta gown with embroidered bodice and sweetheart neckline. Her bouquet was composed of large pale orange glads and baby glads in a darker shade.

Helmer Swanson of Red Lake Falls, brother of the groom, was bestman and Charles Swanson, brother of the groom, and Dale Carlson served as ushers.

A reception for 45 guests was held in a setting of garden flowers and pink and white streamers in the church parlors. A three-tiered wedding cake, baked by Mrs. Allen Merritt and topped with bridal figurines, centered the serving table.

Mr. and Mrs. Swanson will return from their honeymoon to the lake region the latter part of this month and will be residing at 2711 Aldrich Ave. N., Minneapolis. For going away, the bride chose a brown gabardine suit with white accessories and a corsage of roses and white carnations.

The bride, graduate of the St. Hilaire high school, was employed prior to her marriage at the J. C. Penney Co. in this city. Her husband is also a graduate of the St. Hilaire high school and was a student at the University of Minnesota.

Dahlquist to Meet with Thye on OPA Problems

Governor Edward J. Thye yesterday invited W. E. Dahlquist, state senator, to participate in a conference in St. Paul Saturday relative to problems arising from the failure of Congress to extend the life of the OPA agency, particularly in relation to rent controls.

TRINITY CHURCH PURCHASES LARGE NEW PIPE ORGAN

Members Unanimously Approve Purchase of $12,461 Instrument

The congregation of Trinity Lutheran church at a meeting Sunday unanimously approved the purchase of a large new three-manual pipe organ to replace the present smaller type organ, which was originally installed in the 'Synod church here in 1909, and which is no longer adequate.

The new organ, which is being purchased from the N. P. Moller company of Hagerstown, Maryland, at a cost of $12,461, is scheduled for delivery and installation in the spring of 1947.

Purchase of the organ followed an investigation of installations in Minneapolis by a committee including Rev. G. S. Thompson, pastor; Dr. O. F. Melby and Dr. A. E. Jacobson.

The new instrument will be of the electromagnetic type with detached console and 19 ranks of pipes. The organ will be installed on both sides of the chancel in the church.

"BLITHE SPIRIT" TO BE PRESENTED HERE ON MONDAY

University Theatre Play Will Be Given in High School Auditorium

Under the sponsorship of the Rotary club, the University of Minnesota Theatre will present the sensational Broadway hit, "Blithe Spirit", in the Lincoln high school auditorium next Monday evening, July 8, at 8 o'clock.

Roy J. Oen, club president, announced today that tickets may be obtained in advance from any Rotarian or from members of the drama group of the Woman's club, and also will be available at the high school Monday night.

The highly competent cast of university students, who recently scored a success with their presentation of the play in Minneapolis, is directed by Dr. Frank M. Whiting.

Commenting on the production, the Minneapolis Tribune critic wrote, "The audience loved it, and frequently gave forth with appreciative applause it couldn't hold back. Dr. Whiting's deft direction is much in evidence, and there are no heavy spots."

NEW OFFICERS IN CHARGE OF ROTARY

Dr. Hedemark Succeeds Roy Oen as President

Completing his term as president of the Rotary club, President Roy J. Oen at the luncheon meeting Tuesday noon in the Evelyn hotel turned over the reins of office to his successor, Dr. Homer H. Hedemark, at the same time thanking the members for their cooperation during the past year.

Other officers taking over their duties include P. L. Fjelstad, vice president; and E. B. Benson, secretary-treasurer. As retiring secretary, Mr. Fjelstad reported that top attendance records in the local club are held by Dr. A. E. Jacobson, with a 100 per cent record for 19 years; Tom Mehegan, 12 years; and Anton Hall, ten years.

Dr. Hedemark, in taking over the presidency, gave a detailed discussion of the club's objectives, stressing community service and the building of a permanent peace.

Final Rites Tuesday for Mathias Schaack

Mathias J. Schaack of St. Hilaire passed away at his home in St. Hilaire June 28 at the age of 66 years. Funeral rites were conducted in St. Bernard's church Tuesday morning at 9 o'clock, Father Leonard Weber officiating and interment was made in St. Bernard's cemetery.

Survivors include Mr. Schaack's wife Elizabeth; one son and four daughters, John and Gertrude at home, Mrs. Dan Van Risseghm of Onamia, Mrs. Clarence Hesse and Mrs. Raymond Shumway of this city; one sister, Mrs. Henry Strouss and 13 grandchildren.

Mr. Schaack was born in New Trier Sept. 8, 1879. He was married there to Elizabeth Diedrich May 17 1904, and farmed in that vicinity until 1909 when he and his wife moved to Plummer. In 1938 they came to St. Hilaire to establish their permanent residence. Mr. Schaack served on the village council for a number of years.

The combined length of the Mississippi and Ohio rivers is about 4200 miles.

BIG DAMAGE RESULTS FROM WINDSTORM IN DISTRICT ON FRIDAY

(Continued from page 1)

the main building of the sewage treatment plant.

The bus garage, of concrete block construction, housed five school buses, which were slightly damaged. The loss was covered by insurance, and Supt. Fjelstad announced that salvage included rafters, doors, and concrete blocks, hangers and plumbing. The building cost $7,000 to build.

Sections of the sewage treatment plant building were blown several hundred feet. Ole Ness, superintendent, announced that operation of the plant is continuing on a normal basis, none of the equipment having been damaged.

Business property hit by the storm included the Fred Forsberg and Sons plant, which suffered damage to the roof, as well as the adjoining potato and honey warehouses in the milkyard.

The old building owned by Mrs. J. M. Bishop at the east end of the First st. bridge collapsed in the storm and fell on the Alvin Holsknecht car parked along side, which however, escaped with minor damage. The Bishop building was used by the Peppler Piano and Furniture company for furniture storage.

During the storm lightning struck the Lynde building on La Bree av., breaking a hole thru the roof and permitting the heavy rain to enter the Leo DuChamp apartment on the second floor. Lightning also struck the Brumund block, with only minor damage resulting.

Other city-owned property damaged included the greenhouse, in which 40 panes of glass were destroyed, and the chimney razed; buckling of a section of the arena roof on the west side; damage to the tile roof of the municipal power plant; and blowing away of all paper on the roof of the old power plant.

Houses Damaged

Among residence properties which suffered considerable damage were the Donald Elofson house on North Maple av., moved off its foundation; Axel Larson house near east city limits, blown over on its side; Bert Larson house on Kneale av. S., blown off its foundation; Bob Sjulestad house on Conley av. S. moved off its foundation; Nelson Brothers house, west of the Great Northern tracks, blown over at a sharp angle.

Carl B. Larson's double garage, one of several in the city to be destroyed, was blown into the river adjoining at the rear, but his automobile and an old headse stored inside were scarcely touched.

One of the most regretable features of the storm was the destruction of hundreds of shade trees, many of them aged elms and oaks. Hardest hit were trees along Conley, St. Paul, Markley and Kendall ave. S. on the east side, and along Riverside av. on the west side. Many trees also were damaged in Greenwood cemetery, as well as in the tourist park and at Oakland park sanatorium.

The wind broke two plate glass windows in the Woolworth store building and one in R. J. Lund's office.

Control Bleeding

Bleeding from a vein can be controlled as a rule by placing a compress over the wound and bandaging snugly but not too tight. Continue the finger pressure on the side away from the heart if the bleeding is severe. It is important to stop very severe bleeding quickly whether from a vein or an artery, for the loss of a large quantity of blood is serious; over a quart may be fatal.

BIG MARSHALL CO. FAIR SCHEDULED FOR JULY 11 TO 13

Fortieth Annual Event Will Get under Way at Warren Next Thursday

Marshall county's 40th annual fair will be on at Warren on July 11, 12 and 13 (Thursday, Friday and Saturday), when a great array of grandstand and track attractions will be shown to the public in a tremendous Victory Celebration.

Two outstanding afternoon programs have been booked, with the All American Thrill Drivers scheduled to perform on Friday afternoon while on Saturday afternoon, the national championship auto races with some of the world's best known dirt track drivers, will compete on the Warren track. The track will be treated for dust to add to the comfort of the spectators.

The evening programs will feature the "Birth of Freedom" show which will include a dozen or more high class vaudeville and circus acts, music and comedy. A $4000.00 Fireworks program will also be displayed at the Friday night's program as a special attraction.

A combined Marshall county band with 50 or more talented musicians from several county towns will play at all programs during the Fair.

Marshall county 4-H clubs will take a prominent part in activities at the Fair and will exhibit numerous projects and club booths. The 4-H style Queen Revue will take place before the Grandstand Friday evening. Marshall county's rural schools will also have an exceptionally fine exhibit this year in their own building.

On the Midway ride will be found the Barger State Shows—a new organization appearing in the Red River Valley for the first time this season. This company will have eight big thrill rides, eight clean and moral shows and 30 to 40 concessions.

William Vanous, 64, Passes Away Friday

Funeral services were conducted in St. Bernard's church Monday morning for Wm. J. Vanous of route 2, Strathcona, who passed away Friday morning at a local hospital. Father Leonard Weber officiated and interment was made in the National cemetery northeast of Strathcona.

Mr. Vanous, who was 64 years old at the time of death leaves to mourn two brothers, Edward of Strathcona, Fred of Chatanooga, Tenn.; 14 nieces and nephews. He was preceded in death by his parents and one brother.

The deceased, born in Blooming Prairie May 25, 1882, came with his parents in 1901 to Strathcona. There he was engaged in carpenter work and operated a threshing machine many seasons. For 12 years he was a member of the town board of Popple Grove township. Mr. Vanous had been in ill health the past ten years.

NAME SUPERVISOR FOR ON-THE-JOB TRAINING ON FARM

Charles Shelgren to Supervise Work of 25 Veterans on the Farm

Charles Shelgren, war veteran recently with the Farm Security agency at its Roseau office, has been appointed supervisor of an on-the-job farm training program for a group of 25 veterans already enrolled under provisions of the GI law, it was announced today by Supt. Philip Fjelsted, chairman of the local committee.

Mr. Fjelsted stated that other farm veterans of the late war who are interested in availing themselves of the benefits of the program are urged to contact the Veterans Administration office across from the postoffice.

Mr. Shelgren is a graduate of Iowa state agricultural college at Ames, Iowa, and is also a qualified Smith-Hughes agriculture instructor. He received his discharge from the armed forces last March.

The credit of the government, the integrity of its currency and the inviolability of its obligations must be preserved.—William McKinley.

News of R. R. Valley Home for the Aged

We were happy to entertain as guests for Tuesday dinner, Rev. R. Daiell, Jean Floyd and daughter Phyllis, who had just completed a week's special meetings at the First Baptist Church here. On Wednesday they drove on to St. Paul to attend the conference at Bethel College, and from there expected to go to Upsala, Minn., to have a series of meetings with Rev. and Mrs. Emory Larson. Mrs. Larson was formerly Margaret Moen of this city.

On Wednesday Earl Doland of Duluth visited here with his father-in-law Oscar Williams and other friends in the city, leaving that evening for Crookston and other nearby towns, calling on friends and relatives.

Mrs. Hans L. Sande called at the Home on Wednesday to visit with Mrs. Sevland and Mrs. Sevalson. Mrs. Hoecer was also a guest of Carrie Hoverstad the same afternoon. Alida Peterson and Lena Gullingsrud were also callers at the Home on Thursday.

We were indeed startled and excited, when the sudden wind storm struck here early Friday morning. A cellar door was picked up by the wind and thrown thru our dining room bay window, and one window on third floor crashed. That was all the damage done here and we were soon back in our beds again, thankful for safe deliverance from worse injuries and losses. We were very much surprised in the morning to see the fallen trees and learn of the extent of damage in this vicinity.

Several from here have enjoyed the Bible Camp at Warren the past week. Among the attendants for one day or more have been Frank Brodin, Mr. and Mrs. E. O. Hagen, Mrs. Moe and Mrs. Backstrom.

Ned Langness and Alf Anderson are completing the new back porch and cellar-way on the east side of our building this week.

T. G. Kleven of McIntosh, who has lived with us several months has visited some time with his relatives near there and while there obtained a place at the Hiseby Old Folk's Home, so he can be closer to his home folks.

Peter Belanji was 93 years old on June 29th, and is able to be up and around and enjoy himself every day. He goes down town and attends to his shopping and frequently attends church all alone, so he is doing real well for his ripe old age.

Mrs. Moe returned by bus Thursday evening after spending a few days at Warren and at Fargo, where she had a slight operation on her left eye. She has to return again this week for observation.

We have received a card from the Rev. J. O. Jacobson family who are vacationing in Itasca State Park stating they are enjoying immensely the scenery, the fishing and bathing, and the rest. We hope Rev. Jacobson's health will be improved when they return here again.

We appreciate very much the good magazines left for us recently and also the pieces of furniture given by Mrs. Otto Parbst, and the food given us by the Ladies Aid of the Trinity and First Lutheran Churches.

John A. Hanson who has been quite poorly for some time, has improved, somewhat and was able to go to the hospital to see his brother-in-law Mr. Dyrud, who is confined there.

Edwin Sandberg—from Long Beach, Calif. called to see his mother here on Monday. Other visitors to see Mrs. Sandberg were, Mr. and Mrs. Herman Sandberg and Patricia, Mrs. Anderson and Emil Sandberg.

We are very thankful for the following memorial gifts:

In memory of Mrs. Ernest Ahlstrom of Middle River, and given by Mr. and Mrs. Oscar Sorenson and Mrs. Marian Pearson; and in memory of Ernest Bottem given by friends, and also in memory of Mrs. Betsy Austin, given by friends. These memorials were sent in by Rev. Walter Pederson of the Zion Lutheran Church of this city.

We were glad to have the newlyweds, Mr. and Mrs. Willie Gangness call on us Sunday afternoon. We extend our hearty congratulations and best wishes to this happy pair. Mrs. Gangness is a dear friend of many years to many of us here.

Mrs. Mary Hjorvestad and Miss Mollie Gangness were also callers on Sunday afternoon.

PAID ADVERTISEMENT—Inserted at regular rates by Thye for Senator Volunteer Committee, William G. Lindmeier, Chairman, Lake City, Minn.

WHY?

Why does Senator Shipstead at the last minute try deceptively to base his campaign against Governor Thye on the dead horse issue of the British Loan?

Because his record on every other issue was wrong.

He was wrong on the Case Bill to reduce strikes. He voted "no".

He was wrong on National Defense. He voted "No" and made more difficult the task of our fighting men.

He was wrong on World Peace and organization to prevent war. He voted "No."

He was wrong on price control. He ducked and did not vote at all.

THE REAL ISSUE

As was expected, the big punch line in the Shipstead appeal for reelection is the British loan. The Senator knows this loan is not popular and he hopes to create the impression that the loan is a campaign issue. This trick worked well in Nebraska. Here, as in Nebraska, it has been held in reserve as the basis for a last minute attack. Maybe that is smart politics but it isn't statesmanship.

The British loan is not an issue in this campaign. The legislative body of which Senator Shipstead is a member has already approved the loan and as far as Ed Thye is concerned it is past business.

The question that is an issue, and an important one, is the attitude of our representatives in Congress toward the idea of international cooperation to maintain peace. We are experimenting now with a United Nations. The experiment is not working well. Its record can be shot full of holes. We all know a lot of things that are wrong with it. Maybe it will fail. That is the problem with which we are confronted and the question in this campaign is whether we are going to send men to Congress who want it to fail or men who want it to succeed.

Shipstead wants it to fail. Ed Thye, his opponent, wants it to succeed. Shipstead believes that the way to avoid war is to have nothing to do with other nations, scrap our army and navy, and hope that the world will leave us alone. Ed Thye believes that the way to avoid war is to outlaw war and maintain peace by international cooperation and organization.

There probably is good reason to doubt that the plan of Thye supports can be made to work successfully. It may fail. We believe however that it is worth trying. We know from experience that the plan Shipstead advocates is hopeless.

How much did the storm cost our community? The repair bill and replacement cost of buildings has been estimated at more than a quarter of a million dollars. At any rate that is an impressive figure. If that cost were distributed equally among us we would absorb it without much difficulty or hardship. But the cost will not be so distributed. A comparatively small number will pay the bill and for a few it will mean hardship. That is the dark side of the storm story. On the brighter side is the thought that it might have been worse. No lives were lost and few people were injured.

As a result of quick action by local Red Cross officials top priorities have been granted on building materials that will be needed to repair and rebuild what the storm has damaged or destroyed. Under present conditions that is a necessary and very important first step. The next step, that of actually securing the materials that will be needed, probably will take more time. We may not get everything we need as quickly as we would like to have it. One experience in waiting will make it easier for us to be patient.

Trees took a bad beating here in Thief River Falls and at the same time were directly responsible for interruptions in power and telephone service. Telephone and power repair crews who worked day and night to restore service, and did a good job of it, complained of the uncontrolled tree growth that was responsible for most of the lines being down. In the interests of safety the city probably should go into the tree trimming business on a more extensive scale.

CITY COUNCIL PROCEEDINGS

Thief River Falls, Minnesota.

Pursuant to adjournment the City Council of the City of Thief River Falls, Minnesota, met in regular session in the Council Chambers in the Auditorium and Municipal Building on June 17, 1946. The meeting was called to order at eight o'clock P. M. with Alderman Bergeson, Engelstad, Anderson, Berge, Nelson present and Alderman Bergstad absent.

Minutes of the meetings of May 14th, 20th, 28th and June 10th were read and the same were approved and adopted as read.

Monthly reports of the City Clerk, Treasurer, Manager of Sports Arena, Superintendent for April and May, Fire Department and Park Department were presented, examined and ordered filed.

Applications for licenses were presented and read as follows: M. E. Loyden, Electrician; Lee plumbing and Heating Company, Peck Plumbing & Heating Company, Plumbing; Chester Grevstad, operation of 4 pool tables; Theatre operation, Falls and Avalon and Gambling and Sale of cigarettes and papers. Alderman Berge moved that such applications be approved and that the City Clerk be directed to issue licenses therefor. Motion was seconded by Alderman Nelson and such motion was declared by the chair to be duly voted by roll call.

An application was presented, the same being signed by Gordon and Raymond Johnson and Harold J. Dimberg asking transfer of the ownership of unexpired portion of license No. 3.2.5 from the former to the present location of business 21 Third Street, from the former to the former. It was moved, seconded and duly carried that such application be referred to the License Committee of the Council.

A petition was presented and read, which was signed by property owners of Block 1 Addition requesting that the Council take steps to have the surfacing applied to that street from the east approach to the bridge on Second Avenue eastward to intersection with State Highway No. 32. After some discussion it was moved that the petition be referred to the Commissioner of Streets for investigation and report and estimate of cost. The motion was seconded by Alderman Engelstad and carried.

Various applications for building materials, including sand and new construction, were presented and ordered laid over for consideration at an adjourned meeting.

Alderman Engelstad moved that the proposed "Zoning Ordinance be given its second reading, the motion was seconded by Alderman Anderson, and the proposed Ordinance was read and filed.

Alderman Nelson introduced a resolution providing for payment of various claims against the City and upon motion duly passed and adopted.

Alderman Engelstad introduced a resolution providing for payment of various claims against the City and upon motion duly passed and adopted.

Alderman Anderson then moved that the City Council adjourned to meet o'clock P. M. on Tuesday, June 18th. The motion was seconded by Alderman Nelson and the meeting was thereupon declared so adjourned.

ALFRED BREDESON,
President of the Council.

Attest: P. G. Pederson,

JUNIOR BALL CLUB WINS 2 PAST WEEK

To Play Argyle Juniors at Fair Grounds July 4

The week's play in junior baseball found Coach Jimmy Welton's charges marking up a pair of wins in district competition, defeating Warren, 16 to 0, and Crookston, 9 to 6, and losing to Hagley, 5 to 1. The locals will conclude their pre-tournament schedule with a game on Thursday afternoon, playing the Argyle juniors on the Fair Grounds diamond, and then moving into the sub-district tournament at Warren on July 6th and 7th.

"Swede" Lund, the locals' blond pitcher, accounted for the two wins recorded by Welton's team during the week, for Lund was on the mound when they rolled over the Warren nine, 16 to 0, allowing but one hit; and Lund was the chucker in Monday night's 9 to 6 triumph over the Crookston Pirates.

The defeat tacked on to the locals record was administered by Hagley, and it was a personal win for Hagley's Jack Miller, with the pitcher holding the locals without a hit in the six and third innings played (rain forced the calling of the game in the last half of the seventh inning), and getting fourteen strikeouts. The game, played Saturday afternoon, found Hagley taking advantage of Don Perkins' first-inning wildness to score three runs. The Flyers added counters in the 4th and 5th frames to boost their margin to 5 to 0, and with Miller showing a fine fast ball and a sharp curve, it didn't appear that the local would score. But in the last half of the 6th inning, Larry Hylden, who had moved around to third base on errors, made a clean steal of home to count the lone run for Thief River.

The win Monday evening over Crookston was a "revenge" triumph for the locals, for last week the Pirates, with "Duke" Youngquist pitching, defeated Coach Welton's boys, 11 to 2. So Monday's 9 to 6 win evened the count between the two clubs and sets the stage for two teams to meet in the sub-district at Warren, possibly in a finals game Monday evening. Crookston had young Wayne Peltier pitching and he gave up six hits, and was given erratic support by his mates.

The summary:

	R.	H.	E.
Warren	0	1	3
T. R. Falls	16	8	1

TRF WINS LEAGUE TILT HERE SUNDAY

Defeats Plummer 4 to 1 in Northern Minnie Loop

Northern Minnesota League

	W.	L.	Pct.
St. Hilaire	3	0	1.000
Thief River Falls	3	1	.750
Plummer	1	3	.250
Red Lake Falls	0	3	.000

Result of Sunday's game:
Thief River Falls, 4; Plummer, 1.
Schedule this week:
Thief River Falls at Red Lake Falls.
Plummer at St. Hilaire.

In the only Northern Minny league played on Sunday the local defeated the Plummer Red Sox, 4 to 1, on the Fair Grounds diamond. The game scheduled for the St. Hilaire diamond, between the league-leading Saints and Red Lake Falls, was postponed because of wet grounds. This week the local nine will travel to Red Lake Falls for a game; while Plummer will engage the St. Hilaire team at St. Hilaire. The Roseau team, as a feature of the Water Carnival, will play the locals on the Fair Grounds diamond Thursday afternoon.

Errors gave the locals their first score in the 2nd inning. Louie Benson grounded to Dean Schoenauer and when the Plummer second baseman made a high throw to first, Benson advanced to second. On a steal of third base, catcher "Brownie" McReady overthrew the ball, with Benson continuing on to plate the first run. Benson's ground single past first base and Wally DuChamp's right-field double gave the local another tally in the 4th.

In the 5th inning, Jess DuChamp's triple, a "squeeze" play, with Rasmussen dropping a bunt in front of the plate, and Benson's single into right field, accounted for the local final runs.

Plummer averted a shutout by scoring in the 8th inning. McReady was awarded first base on the catcher's interference, advanced to third base when Hellquist muffed Leroht's high fly, and scored when Saunders hit a ground single past shortstop.

Sahl pitched three-hit ball for the local nine, and collected twelve strikeouts. Saunders turned in a strong hurling game, too, but was given erratic support in the field. Several of the local hits were of the "scratch" variety.

LOCAL GOLFERS TO GO TO CROOKSTON

To Share in Inter-club Match There on Sunday

Members of the local golf club will engage in the first post-war inter-club competition on Sunday when they journey to Crookston for a team match with the Crookston golfers. The Crookston club has invited all the local club members, and it is expected that a large number will participate in the matches, with the competition being arranged on a Scotch foursome basis, with one point being awarded on the first nine holes played, one point awarded on the second nine holes, and another point for the eighteen holes, or a total of three points to the match.

The first matches are scheduled to move off the first tee at 10:00 a. m., so local golfers should make arrangements to be present early so that the tournament committee can make the foursome pairings.

Friday evening's informal tournament over the local course will be a nine-hole medal play, with handicap. A blind bogey will also be included.

In the Crookston golf club's shortstop tourney held last week, Jimmy Nordine, with a finals win over Crookston's Ernotte Hilber, won the honors in the championship flight. Nordine played exceptionally fine golf, being six strokes under par for his tournament rounds.

Community Church Sets New Hour for Services

Starting on Sunday, July 14 and continuing through the remainder of July and August the hour of morning worship at Community Methodist church will be at 10:00 a. m. instead of at 11:00 a. m. as in the past. The action to change the hour of morning worship was taken at a meeting of the official board of the church on Monday evening of this week.

Business Women's Club Meeting Is Postponed

The July meeting of the Business & Professional Women's Club has been postponed from the 8th to Monday, the 15th, according to an announcement made this week, due to the conflict with the play being put on by the University players July 8.

Mrs. M. H. Connelly and Mrs. Florence Anderson have been chosen representatives for the community planning board organized recently.

Cousin of County Woman Awarded Medal of Honor

Marine Cpl. Louis Hauge, son of Louis Hauge, Sr., of Ada, and cousin of Mrs. Otis Johnson of St. Hilaire, has been posthumously awarded the Congressional Medal of Honor for bravery in action on Okinawa where he lost his life May 14, 1945. His father, unable to make the trip to Washington, D. C., to receive the award from the President, received the medal at recent ceremonies at Ada arranged by the Simonson-Belcher Post of Ada.

THREE GENERATIONS OF 98 MOGENS HOLD REUNION

Renville—Death from natural cause hasn't invaded the Ole Mogen family since Mrs. Mogen died in 1934; one grandson gave his life in Germany, another was killed in a South Dakota hunting accident. Otherwise the family of six Mogen children, 35 grand-children, and 53 great-grandchildren is intact. They recently enjoyed their first reunion since 1938.

Keeping Score

By FRED "DUKE" OLSON

They are the Favorites

Coach Jimmy Welton, who has put in a lot of work with the boys and brought them through a tough schedule, is to be complimented on the job that he has done with the Legion junior baseball team, for Jimmy has developed the club into the role of the favorites in the sub-district tournament at Warren on Saturday and Sunday. Of course anything can happen in one of these tournament's, and the locals may be upset in one of the preliminary games, but if they play up to their capabilities they should go to the finals.

With Don Perkins and Swede Lund as his "front line" pitchers, and Abe Hanson and Wayne Gothe available for relief duty, Welton is well-fixed with hurlers. The outfielder, with Rob Amundson, Frank Dopp, and "Les" LaSalle as the regulars, and Abe Hanson, Don Perkins, and Jimmy Powell in reserve, is as strong as any outfield in the district. Swede Lund and Larry Hylden handle the catching duties in fine style, with Hylden doing the bulk of the catching, releasing Swede for pitching and second base play.

Coach Welton has been forced to juggle the infield considerably. With Perkins' pitching, Marlow Davidson has been on first base, Swede Lund or Al Williamson at second base, Wayne Gothe at shortstop, and Don Engelstad at third base, and that appears to be the smoothest quartet that Welton has fielded. With Lund pitching, Perkins takes over first base, and Williamson or Ripley plays at second base.

The boys play their final game here Thursday afternoon at 4:30, following the seniors game with Roseau, and it will be a fine gesture to the boys if a good crowd is in stands when they take the field against Argyle.

Take Your Choice

There will be so many sports events around town today, the Fourth, that fans should be able to be "choosy" about what they want to see. For instance, there's baseball at the Fair Grounds, the All-Star vs. Malung softball game at the East Side park this evening; archery exhibition on the grounds just west of the Tourist Park; a Junior golf tournament over the local course, and which will be a ding-dong affair with the boys trying to beat Grand Forks' Don Fladland and Paul Bridston; and horseshoe pitching competition. Then there's the boat races, swimming races, and track and field events. The fact is that the athletic slate is chock-full, except for a special event that is being arranged for Thursday evening at six o'clock. Melvin Peterson, claiming the *fire-hose tug-of-war championship of north Main avenue*, has issued a challenge to Cliff Bjorkman for a duel on one of the main streets for this evening. Fire Chief Roy Langevin is willing to make all the arrangements for the match, will set up the goals, provide the barrel and the water hose. If only Cliff will pick up the challenge tossed at him by Pete.

The water fight isn't as vicious as it sounds, for Pete and Cliff will each have two assistants in directing the stream of water from the hoses, and the object will be to drive the barrel over the opponents goal. Chief Langevin says that it's a dandy water carnival feature, and produces a lot of fun.

The League's Best Arm

Clarence Rasmussen, the locals' third baseman, is possessed of the arm that's undoubtedly the league's best. "Ras" has been playing a bang-up game at third for manager Johnny Jaranson's team, and there hasn't been a game but what he has come up with a stop and a throw that has caused consternation among the fans and players. It's fun to watch "Ras" during the infield workouts, for he does whip that ball across the diamond to first baseman Blackie Stephens.

VFW SOFTBALL TEAM WINS TWO

Holds First Place with Five Straight Wins

The city softball league concluded its first round of play this week, with the Vets holding the first place, being undefeated in five games, and Gordy Reierson's Cen's nine in second place with four wins and a loss. Following the completion of the second round, which opens on Monday, the league's four top teams will meet in a championship playoff to determine the city titlist.

Heinie Waag's Vets won the two games played during the week, defeating Bert Emanuel's Bjorkman's Toggery team in a twilight game on Friday evening, 9 to 3; and then edging out the Poppler's, 5 to 3, in the playoff of a postponed game.

An all-star team, with members selected from the league's roster, and managed by Gordy Reierson and Heinie Waag, will play the Malung team in twilight game on the East Sid diamond Thursday evening. The game is slated to begin at seven o'clock.

HUGE ARMY SHOW IS HEADLINER AT MINNESOTA FAIR

Enemy Weapons Featured Among Displays of U. S. Equipment at Exposition

A gigantic U. S. armed forces caravan covering 10 acres, staffed by 18 officers and 186 enlisted men, will be a major attraction at the Minnesota state fair August 24-September 2.

The mammoth show will feature elaborate displays of captured enemy equipment and trophies and curios of war, along with the weapons, tools and methods that brought victory to the United Nations.

The exhibit, composed of two separate caravans sponsored by the army ground forces and the army service forces, includes individual displays of infantry weapons and of enemy equipment such as captured German V-bombs and hitherto secret rockets weapons.

A complete field kitchen, a camouflage display, a collection of medals, shoulder patches and insignia, and the best action photos of the war will appeal to women and children. Other items in the giant exhibit include a weasel car, jeeps, trucks, other mobile equipment, searchlights, radar plane detectors, heavy howitzers, anti-aircraft guns and machineguns of various calibers.

The show, especially planned for the Wisconsin Centennial Exposition which opens at Milwaukee, will be brought to the Minnesota fair immediately after close of the one-month exposition in Mid-August.

Re-elect V. F.
KRUTA

County Commissioner
5th Dist. Marshall County

TO THE VOTERS:

In about a couple of weeks, you will go to the polls to elect the officials to operate your government. These officials will range all the way from United States Senator to county officials.

As a candidate for re-election as commissioner, I solicit the vote of every citizen of the Fifth District. As your commissioner for the past three and a half years, it has been my duty and trust to fulfill that office to the best of my ability. I have done everything possible to work for the best of this section, such as holding down rail and personal property taxes, getting blading machines in all sections of the district so your roads would be in better shape, and I have worked at all times for a fair distribution of work throughout the county.

When I assumed office, there were deficits in the welfare, road and bridge, and sanitarium funds. These funds now have good balances. County debts have been substantially reduced.

Before you go to the polls, I ask that you review my record and when you have, I feel confident that you will realize that I have consistently worked hard for the best interests of the district.

Your vote, support and influence is solicited and appreciated.

(Signed)
B. F. KRUTA,
Co. Commissioner, 5th. Dist.,
Marshall County.

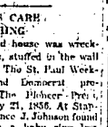
THIS TAKES CARE OF EVERYTHING



When an old house was wrecked at Meredosia, stuffed in the wall was a copy of The St. Paul Weekly Pioneer and Democrat published February 21, 1856. At Stanley Mrs. Clarence J. Johnson found in the garden a baby ring lost by her daughter, now married. Madison Independent Press recounds the joy of Hilma Siverson in receiving from his 97-year-old father, Sivert Hanson, Trondhjem, Norway, the first letter in 30 years. Son's comment was that "Dad always was a little slow to write."

I was born in Wanger township and have made my home in Marshall county during my entire lifetime. At present I am operating my farm in Alma township. In past years I have been engaged as a lumberman at Argyle and was also in the produce business at Stephen. I am 50 years old and have a family of three children. One boy served in the U. S. Army 3 years and one boy is assisting me on the farm. A daughter is in government service in Washington, D. C.

Men We Can Rely On...

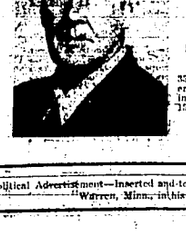
EDWARD J. THYE

LUTHER W. YOUNGDAHL

Thye for Senator

Edward J. Thye, Minnesota's popular and efficient Governor, has filed as a candidate for the Republican nomination for U. S. Senator, and, if elected, will continue in that office the devoted service he has rendered as Governor. First farmer ever to serve as Governor in Minnesota, he has been one of the most popular, outstanding of the state's chief executives. Applauding the high character of his administration and his down-to-earth humanness, farmers, workers and others group over the state have said: "Here is the man we need to represent us in Washington."

A son of Norwegian parents who came to America early in life to make their way in the new world, Ed Thye has lived close to the people. He has known what it means, as a veteran of World War I, to walk the streets looking for work. He has known as a farmer what it means to work through long hard days and see crops fail. Elevated to the Governorship, he has rounded out from day to day a notable record and become one of Minnesota's greatest Governors. He has insisted on economy and reduction of the state debt and sought constantly to make the state government more helpful to the people, as in the last session of the Legislature when he insisted, first of all, that the Legislature increase the grant for dependent children and old age assistance.



Youngdahl for Governor

Luther W. Youngdahl has filed as a candidate for the Republican nomination for Governor with a program that should bring comfort and reassurance to all citizens who want good government. If elected Governor, he has said, he will seek to continue the splendid improvements and the progressive and effective administration Minnesota has enjoyed under Governor Stassen and Governor Thye and, being no man to rest on past accomplishments, will seek where possible to improve the services of the state government. A state government, he believes, must be responsive to the needs of the people and alert and ready to meet new and changing conditions.

Like Governor Thye, Luther Youngdahl is a son of sturdy Scandinavian parents who came to America from the old country to carve out useful careers here. He is a World War I veteran. He has served 16 years on the judicial bench, the last four as an associate justice of the Minnesota supreme court, and has had opportunity, through this service and his own deep interest in people, to acquire a keen insight into problems of government and public welfare. Few men have entered the race for Governor so well equipped, through training and broad human interests, to serve the people.

GRYGLA

Grygla Girl Weds in New Jersey

On Saturday, June 8, Miss Alice Lucille Fladeland, daughter of Mrs. A. O. Fladeland of Grygla, was united in marriage to John Randolph Perkins, son of Mrs. Randolph Perkins of Ridgewood, N. J.

The vows were exchanged at high noon at the Paramus Reformed church of Ridgewood with Rev. Henry D. Cook officiating. The bride was given in marriage by T. C. Guttman of Baltimore, Md. a close friend of the family.

The bride chose for her wedding a lovely gown of traditional white satin with a flowing train. Washloned along princess lines with a net overskirt and a yoke of lace insertion enhancing the fitted bodice. Her fingertip veil was fastened with a coronet and her bouquet consisted of white roses baby's breath, and larkspur.

Miss Betty Fladeland of Petersburg, Michigan, was her sister's only attendant. She wore a princess gown of pale green mousseline de soie with matching Juliet cap and she carried pink roses.

Craig de Voux Simpson, brother-in-law of the groom served as best man.

Following the wedding a reception was held for the bridal party and close friends and relatives at the home of the groom's sister, Mrs. Craig de Voux Simpson of Ridgewood.

Mr. and Mrs. Perkins went to the Berkshires in Connecticut for a week's wedding trip. For traveling Mrs. Simpson wore a black and white checked suit with black accessories and a white corsage. Following their trip they are at home in Suffwater, N. J. where Mr. Simpson is affiliated with a law firm.

The bride is a graduate of Goodridge High school and also graduated from nurses training at St. Lukes hospital in Duluth. After a year as supervisor of the nursery at St. Lukes hospital she entered the U. S. Public Health Service and was assigned to a hospital in Baltimore, Md. During the war her duties were under the jurisdiction of the U. S. Coast guard and she was transferred to Brooklyn, N.Y. where she attained the rank of Lieut. J. G.

Mr. Perkins also a lieut (j. g.) who is a graduate of Princeton University, served two years with the Merchant Marine and was the transferred to the War Shipping Board. He returned to this county only a few weeks ago after a years service in Ceylon and Calcutta.

Are You For The British Loan?

The United States loaned more than *6 billion dollars* to Great Britain during World War I. This has not been paid. Through Lease-Lend we loaned Great Britain a net of *26 BILLION more.* That is being cancelled. Now we are asked to loan Great Britain 3 BILLION 750 MILLION *more.* This is to be paid back—if ever—over a period of 50 years, at an extremely low rate of interest, in facts much lower than we are charging on our own Veterans' on their loans.

In fact, we are cancelling more than 30 billion dollars in debts and then turning around and giving England *3 billion 750 million more.* The only countries which paid their loans after the last World War were Finland and Norway. Under this program, we will not get the 30 billion dollars we are cancelling, nor the 3 billion 750 million which is now proposed in this British gift-loans. *We will be loading all these debts on the shoulders of the American people.*

Are you in favor of this?

HERE IS WHAT IT MEANS TO MINNESOTA . . .

Here is what it means to the people of Minnesota. Minnesota is the 11th state in the union as a tax-producing state. Minnesota's share of the 6 billion dollars of World War debts being cancelled, as well as the new 3 billion 750 million dollar British loan, is *600 million dollars.* This means 133 dollars for every man, woman and child in Minnesota. If you have a family of 5, the share you will have to pay toward this British loan will be $665.00. The principal and interest on this loan will have to be paid by the American people themselves. It will have to be paid in increased withholding taxes, increased income taxes and many other forms of taxes.

Are you in favor of this?

HERE IS WHAT IT MEANS TO AMERICA . . .

If we make this gift-loan of 3 billion 750 million to Great Britain—which is about what Great Britain spends annually for the Army and Navy to maintain its Empire—we will then be called on to make equal gift-loans to Russia as well as other countries of Europe and Asia. If we make a loan to Great Britain and refuse to make a loan to Russia and others we will be considered unneutral. Are you in favor of bankrupting Americans to make loans to Europe and Asia so they can continue to finance military organizations to defend their tattering empires and imperial dictatorships, or do you believe as Senator Shipstead does, that it is time for the nations of Europe to learn to stand on their own feet and quit this business of war?

If you are for the British gift-loan and the other gift-loans to the nations of Europe and Asia your vote belongs to Mr. Stassen and his hand-picked substitute, Mr. Thye, who are in favor of these loans. If you are opposed to giving America away—if you want to build America strong and prosperous—if you want real representation in Washington—if you are opposed to the peace time draft—if you believe Europe has to learn to stand on her own feet—if you are opposed to making Americans the economic slaves of the world—

If You Are Opposed To The British Loan And Other European Gift Loans . . . Then

STEINER and AGDER

The storm Friday morning caused much damage to farms of our vicinity. Many farms were blown down including the Carl Olsen farm, Norbecks, Wednesday Berggrens, Roslands farms. John Jensens barn was badly damaged, and many other buildings were badly twisted. Telephone lines were down. Hardly a farm in the path of the storm escaped. Many windmills were leveled to the ground. At the Edgar Longren farm, 50 turkeys were lost, and Mr. Longren was taken to the hospital after a severe shaking up when the little bunk house he was sleeping in rolled over. Clarence Peterson lost 2 cows which had been electrocuted, when they came in contact with the high line, which had been brought down by a falling windmill. The Bethlehem church was blown over, landing on the edge of the new foundation, which kept it from falling completely on its side. Many farmers here lost both turkeys and chickens. The Silverton church was also damaged.

Mr. and Mrs. Carl Hovie of Thief River Falls were Sunday visitors at the Ole Solberg home. Carl is our rural mail carrier on Rt. 4.

U.S. ROYALS

Since the very first days of the automobile, famous U.S. Royals have set the pace in tire quality—set new standards, year after year, in tire *performance*.

And now, there's a *new* U.S. Royal—with rayon cord. It's *lighter*...it's *stronger* ...it's *safer!*

It's backed by *all* the science and engineering skill of the United States Rubber Company. It has *all* the features you've found in the great U.S. Royals of the past—the famous Royal block tread, Safety Bonded Cords, *buttress* shoulder construction—plus *all* the advantages of the new super-strength U.S. Royal rayon cord.

Thanks to this *better* cord, the new U.S. Royal DeLuxe is a *better* tire. It runs *cooler* on the road—cuts down the *destructive inner heat* that steals tire mileage. It's a lighter, more *flexible* tire. Yet it's a far *stronger* tire—a far *safer* tire. *And it gives you dramatically greater protection against blowouts.*

This newest U.S. Royal is making tire history. In the laboratory and on America's highways, it is proving its ability to deliver *more* safety, *more* mileage, *more* performance.

It is available now in many passenger car sizes.* See the new U.S. Royal DeLuxe today at your U.S. Tire Dealer's—find out how soon you can be riding on *rayon-built* U.S. Royals!

*Present Government regulations restrict all rayon construction to sizes 6:50 and larger.

$80,000 IN BUILDINGS COUNCIL O.K.

Bids Will be Opened July 26 on Proposed Airport Improvements

The city council at another lengthy session Tuesday evening disposed of a large accumulation of business, chief items being the approval of more than $80,000 in building permits and ordering a call for bids on improvements to the local airport, the bids to be opened at an adjourned session Friday, July 26.

Major building projects covered by the permits include the construction by Land O'Lakes Creameries of a new seed and feed plant to replace the one destroyed by fire last year. Calling for an estimated expenditure of $35,000, the building will be built of concrete with asbestos siding, and will be 60 by 50 feet in dimensions.

Another substantial project is the erection by Bridgeman Creameries of a truck garage and office north of its present plant on Main av. at a cost of $14,000. Mrs. H. Rakke, who recently purchased the K. E. Dahl building on Third st., was given a permit to remodel the main floor of the building at a cost of $1,500.

Also authorized were the construction of a number of new residences and the remodeling of others. Among those building new homes are Dr. Theodore Bratrud, John H. Swanson, Lionel Brattland and Jarvis Pritchard. Alfred and Robert Bredeson were authorized to erect a concrete dry cleaning plant at 215 N. Main at a cost of $1,000.

Confirmed by the council were appointments by Mayor W. J. Douville of Otis Wold to succeed himself for a three year term, while Philip Bryant, former member, and L. S. Rees were named to succeed Archie Hensrud and A. F. Berge, who had asked to be relieved of their duties.

Favorable action was taken on a request submitted by R. J. Lund in behalf of the fair board for the usual appropriation of $500 to aid in defraying expenses in connection with the 1946 Pennington county fair.

Roy Barnes, president of the park board, conferred with the council relative to matters in connection with the new bath house in Tindolph park. He reported that the building is now about one third completed.

The revised zoning ordinance governing building construction in various sections of the city was given its third and final reading and was adopted. It will take effect 30 days following its publication in the Times.

Only one bid was received in connection with the proposed sale of the city poorhouse on State av. W., and it was laid over for further consideration. The bid, in the amount of $3,500, was submitted by Amund N. Sordal.

The council at the request of the library board, voted to call for bids on a coal stoker for public library building, where hand firing has been the practice to date.

EVENING TOUR OF ROCKSBURY IS SET FOR NEXT TUESDAY

Plan Study of Effect of Use of Phosphate and of Weed Killers

Arrangements have been completed for an evening tour of farms in Rocksbury township in Pennington county on the evening of Tuesday, July 16th, for the purpose of looking over results of the use of phosphate, new varieties of oats, and the effect of new chemicals in new oat varieties and the effect of killing and controlling weeds.

The tour will start at the H. I. Finstad farm at 7:30 where the use of Phosphate on crops will be observed. The next stop will be at the Paul Engelstad farm to look over new oat varities and the effect of 2-4D on killing weeds.

Speakers on the tour will include R. S. Harris from University Farm who is in charge of the phosphate demonstrations and Minor Helgeson of Crookston, district weed inspector.

15 Boy Scouts to End 500-mile Jaunt Today

In a telephone call received here Tuesday afternoon by his mother, Morris Owen reported that the fifteen boy scouts of troop 60 in his charge landed at Warroad that afternoon after a boat trip from Kenora, Canada, and they expect to arrive in this city on their bicycles this afternoon. The boys and Mr. Owen are concluding a 500 mile bicycle trip through Winnipeg and Kenora, Canada.

ALL OFFICERS OF SCHOOL BOARD ARE RETAINED MONDAY

Vote Purchase of New School Bus from the Forkenbrock Motor Co.

Dr. A. E. Jacobson was reelected president of the Thief River Falls board of education at its annual organization meeting Monday evening, and all other officers were retained, including C. E. Hellquist, vice president; Alfred Skarstad, clerk; and L. W. Rullen, treasurer.

At its session Monday and again Tuesday evening, the board after considering bids on new school bus, voted to purchase a 48-passenger bus mounted on a two-ton Dodge chassis from the Forkenbrock Motor company for $3,027, subject to any changes in the price situation at the time of delivery, which is expected to be before the fall term of school opens.

The board entered into a contract with the Red Lake Fuel company to supply the winter requirements of coal for the schools at a price current at the time of delivery. The current quotation is $11.45 per ton.

It was decided to turn in 17 six year old Woodstock typewriters as part payment on an equal number of new Underwood machines to be purchased from Grundy's Office Supply.

Sixteen girl members and mothers met Thursday at the Adam Lendobeja home to receive assistance on their projects. Demonstrations were given by Miss Elfie Hanson, county club agent, and Mrs. Lendobeja served refreshments.

Pennington Co. Fair Will Have No Poultry Exhibits This Year

There will be no poultry exhibits at the Pennington county fair July 31-August 1, 2 and 3, it was announced this week by A. F. Berge, secretary of the fair board. The decision followed receipt by Dr. L. R. Twete, local veterinarian, of an order from the state livestock sanitary board stating that a poultry ailment known as Newcastle disease had made its appearance in scattered sections of Minnesota, and that to guard against its further spread, a quarantine had been made effective in the state until March 1, 1947.

YOUNGDAHL & ED THYE CARRY COUNTY, STATE

Vote Is Light, with Only 1,377 Ballots Cast in Pennington

Unlike some elections in the past, Pennington county voters in the primary election Monday kept in step with most other counties in Minnesota, giving substantial majorities to Edward J. Thye over Fourik Shipstead in the contest for the Republican nomination for United States senator, and to Luther W. Youngdal over Hjalmar Petersen in the race for the Republican nomination for governor.

Only 1,377 ballots were cast in Pennington county, approximately 500 less than in the 1944 presidential primary. Of the ballots cast, 1,080 were in the Republican column, with only 297 Democratic-Farmer-Labor ballots.

Returns from 3,216 of 3,706 precincts in the state gave Thye 225,908 to 148,078 for Shipstead, and Youngdahl 220,410 to 116,976 for Petersen. In the Democratic-Farmer-Labor column, Theodore Jorgenson led in the race for the DFL senate nomination with 61,303 votes to 37,148 for Frank P. Ryan. Harold Barker led for the party's nomination for governor with 45,949 votes to 17,704 for Frank Murphy, his nearest opponent.

In the Ninth district DFL race with 528 of 618 precincts reported, Verner Nelson led Leon Burrill by a margin of 4,000 to 3,166.

Returns from 2,024 precincts Republican nomination for lieutenant governor: Anderson 228,906, Herring 54,409. DFL nomination lieutenant governor: McGinn 52,321, Woods 36,858.

Darlene Pahlen Is Crowned Queen of '46 Water Carnival

Climaxing the third annual water carnival in this city on the Fourth of July, pretty Darlene Pahlen was crowned queen of the carnival in coronation ceremonies at a dance in the arena. Her sponsor in the queen contest was the Fashion Shop.

Officiating at the ceremony was King Neptune, in the person of L. W. Rullen, who in behalf of the Junior Chamber of Commerce presented Miss Pahlen with a handsome traveling bag, while she also received a corsage from Walt Larson, chairman of the queen contest.

Selected as attendants to the queen were four attractive young ladies from the group of contestants, including Laura Jorde, sponsored by Land O'Lakes Creameries; Avis Engelarude, Hartz Stores; Velma Myers, Civic and Commerce association; and Arlyne Robinson, Elks lodge. Each of the attendants received a compact as a memento of the occasion.

Queen Darlene Pahlen will journey Saturday to Detroit Lakes, Where she will represent Thief River Falls in the Northwest queen contest this week-end.

The entire field of candidates, each riding on a float entered by her sponsors, had participated on the afternoon of the Fourth in an impressive parade from Lincoln high school to Tindolph park, where announcement was made of the names of the group of five girls from which the queen was selected by a committee of three Jaycees from nearby cities.

The biennial Pennington county Republican convention, postponed from last spring, will be held this evening at 8 o'clock in the Civic and Commerce association rooms, F. A. Rinkel, county chairman, stated today.

Included in the business to be transacted at the meeting is the election of officers of the county organization and naming of delegates to the district convention in Hemidji Saturday, July 13, and to the state convention to be held in September.

Chairman Rinkel stated that all persons in sympathy with the Republican program are invited to participate in the county convention.

DR. TED BRATRUD TALKS TO ROTARY CLUB ON MONDAY

Submits Figures on Cost to Nation of Socialized Medicine

Dr. Theodore Bratrud of Minneapolis was the guest speaker at the Rotary club luncheon Monday noon in the Rex Cafe, discussing legislation now pending in congress which provides for socialized medicine under the terms of a national health act.

Pointing out that the bill under consideration would necessitate an army of 100,000 medical men and 400,000 persons to administrate the law, Dr. Bratrud declared that the measure would call for the expenditure of not less than eight billion dollars a year, and possibly as much as a billion, compared to the present national medical bill of approximately three billion.

He cited the success of the Blue Cross hospitalization plan, which now covers nearly 25,000,000 members, and said that in Minnesota a similar setup to provide medical care is in process of organization by the medical profession, and that the estimated cost per family would be approximately $5 per month.

Guests at the luncheon Monday also included members of the cast of "Blithe Spirit", which was presented under Rotary club auspices Monday evening in the Lincoln high school auditorium.

COUNTY WELFARE BOARD REELECTS OFFICERS FRIDAY

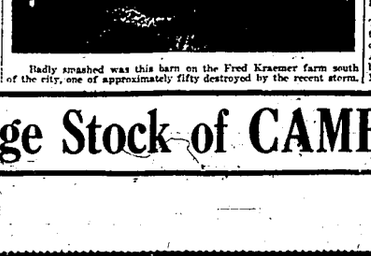
Board Adopts Budget Calling for County Levy of $44,859.85

All officers of the Pennington county welfare board were reelected at the annual organization meeting held last Friday. Included are O. M. Mandt, chairman; W. H. Mulry, vice chairman; Mrs. E. J. Richards, secretary and J. X. Lynskey executive secretary; other board members being Mrs. C. H. Toomey and Theodore Hyland. Mrs. Richards this week was reappointed to the board by Jack Leirfallom, state welfare director, for a two-year term.

A 1947 welfare budget in the amount of $198,977.97 was approved by the board, and the customary resolution was passed requesting the board of county commissioners to levy for the county share of the budget, or $44,859.85.

The $198,977.97 budget does not include the disbursements from the social welfare fund, aid to the blind or war veterans relief, since these funds do not pass through the county books although the programs are administered by the welfare board.

The welfare board anticipates it will not be necessary to raise the county levy for welfare purposes, although their request is approximately $4,000 more than last year.



Some of the individual items of the 1947 budget are old-age assistance, $148,071.72; aid to dependent children, $33,156; poor fund, $6,037.50; and administration, $10,818.75.

The welfare board expects to begin 1947 with its cash position about $60,000.00 better than when the war started. At that early period, the welfare fund was about $5,000 in the red and $25,000.00 was owed in debts. Beginning 1947, the board will have no indebtedness, will have a cash balance of about $10,000, and will have an investment of $20,000 in war bonds.

COUNTY BOARD ADOPTS BUDGET FOR NEXT YEAR

Little Change from Last Year in the Levy for County Purposes

Principal business transacted by the Pennington county board at its semi-annual business meeting opening Monday was the adoption of a budget under which the county will operate in 1947.

Amounts to be raised for the various funds are virtually the same in all cases as in the budget for this year, which aggregates $172,356.

County Auditor A. M. Senstad stated that while the tax rate for county purposes cannot definitely be determined until figures on assessed valuations are assembled this fall, present indications are that the rate will be in the neighborhood of 47 mills, about the same as in 1945.

Tentative budget figures include the following items: Revenue, $40,000; road and bridge, $37,000; sanatorium, $7,300; bonds and interest $48,250; and county welfare, $44,859.

In the course of its session the board also accepted a group of gravel jobs recently completed by Oscar Schenckey, including work on county aid roads 62, 69, 43, 40, 13 and 20.

Also drawn for submission to district court was a panel of thirty names for petit jury duty.

Funeral rites were conducted Tuesday in St. Patrick's church at Escanaba.

KRUTA LOSES OUT IN COMMISSIONER RACE IN MARSHALL

Bjertness and Hanson Winners in Contest in Fifth District

Marshall county voters turned out in good numbers at Monday's primary election and followed the trend throughout the state in big votes to Governor Thye for the republican U. S. Senatorial nomination and Luther W. Youngdahl for the republican nomination for Governor. Returns from all but one of the 60 precints in the county had been tabulated at noon Wednesday.

In the county office race Edwin Rokke led the field for clerk of court, polling 1,601 votes, with Ervin R. Vansickle gaining the second place on the ticket with 1,176 votes in the 59 precincts. Sheriff Tofner was high man in the interesting sheriff's contest, polling 1,727 votes with Edward Landreville gaining the second position polling 1,282 votes.

Marshall county will have a new commissioner in the Fifth district on January 1, as a result of Monday's election. V. F. Kruta was eliminated in a tabulation of all but one precinct in the district. Leading the field of six candidates was Sofus B. Bjertness of Gryglia who polled 353 votes, while second place went to H. O. Hanson of Holt with 240 votes. The missing precinct is Moylan township but the vote there will not change the final result.

The vote on commissioner was as follows:

Sofus Bjertness	353
H. O. Hanson	240
V. F. Kruta	138
Gunsten Skomedal	188
Elther M. Thompson	125
Will Wayne	75

JAYCEE WATER CARNIVAL DREW RECORD CROWD

Ideal Weather Helps Make 3d Annual Event Outstanding Success

Favored by ideal summer weather, a record-breaking throng of entertainment seekers from thruout Northwestern Minnesota invaded Thief River Falls July 4 to share in the crowded program of events that featured the third annual water carnival staged by the Junior Chamber of Commerce.

Parking space was at a premium thruout the city all day, and estimates on the number of visitors ranged from 10,000 to 15,000. All scheduled events were run off with clock-like precision, and there were no dull periods during the day and evening.

Much of the favorable comment centered about the impressive carnival parade, one of the most attractive ever to staged here, which got under way at Lincoln high school auditorium and made its way to Tindolph park.

Among the beautiful floats, each of which bore a queen contestant, were those entered by the Junior Chamber, Civic and Commerce, Eagles, North Star 4-H club, Bridgeman Creameries, Oen's Store, Mostue Flower Shop and the Fashion Shop. Steiner 4-H club, L. B. Hartz Stores, Land O'Lakes Creameries, Veterans of Foreign Wars, American Legion post and Elks lodge.

Marching units included the 60-piece Grafton, N. D. band, the Shrine Oriental band, Lincoln high school ban, color guard of soldiers, sailors and marines, marine corps league drill team, war veterans, VFW auxuiliary, daughters of Norway, and Brownies. Also in the procession were the spic-and-span equipment of the local fire department, mardi gras heads, several new models of automobiles and Bob Sjulestad and his orchestra.

Kern M. Olson officiated at Tindolph park, where in the presence of a large crowd of spectators, a series of water events were presented, and the candidates for carnival queen were presented.

Announcement also was made of the winners of prizes for most attractive floats in the parade. First honors went to the American Legion float, second to Bridgeman Creameries and third to the float entered jointly by the Fashion Shop and Mostue's Flower Shop. The Steiner 4-H club won first place in the 4-H club division, and the North Star club placed second.

During the afternoon Gordon Camp, instructor at the local airport, flew over the city and gave a thrilling demonstration of airplane evolutions.

Other attractions that drew capacity crowds were the two shows presented in the Auditorium by the WDAY troupe of Fargo, dances in the Auditorium and arena and the street carnivals in the street north of the Auditorium and arena.

Climaxing the evening's program was a spectacular display of fireworks presented at the fairgrounds under the sponsorship of Civic and Commerce association. The grandstand and bleachers were filled to capacity, and a record-breaking number of automobiles invaded the fair grounds area.

'U' THEATRE PLAY IS WELL STAGED MONDAY EVENING

Big Audience Attends "Blithe Spirit", Given in H. S. Auditorium

A large audience that virtually filled the main floor of the high school auditorium Monday evening witnessed the presentation by the University of Minnesota Theatre of Noel Coward's comedy, "Blithe Spirit", under the local sponship of the Rotary club.

While there apparently was a division of opinion as to the merits of the vehicle, agreement was general as to the professional quality of the performances of members of the cast of university students. An excellent setting was provided, and the action of the play moved forward briskly.

Included in the highly competent cast were Audrey Kleknapp, Ruth Hammer, Dick Nelson, Richard Spear, Sally Sedoruk, Shirley Jae Wagner and Norma Jean Waavig.

Brother—I made a hole in one.
Sis—One stroke?
Brother—No, one sock.

THANKSGIVING

Mr.—May I have the afternoon off to go shopping with my wife?
Boss—No; certainly not!
Mr.—Thank you very much.

Extra Long

Mrs.—I saw a swell show this afternoon, but I couldn't stay for the last act.
Mr.—Why not?
Mrs.—They said it took place a month later.

Double Trouble

Bess—I hear Jack's dad has two wives to support.
Tess—You don't mean he's a bigamist?
Bess—No, but Jack just got married.

Calcium Chloride Lack Is Resulting in Dusty Graveled Roads in 1946

Excess dust is likely to be a serious menace on detours and on some gravel surfaced trunk highways this summer, according to a state highway bulletin. Causes of the difficulty include increased traffic, large number of detours, and inability to obtain adequate supplies of dust layers.

During the war, with traffic curtailed and construction reduced to a minimum there was little dust trouble. Now with construction resumed, with its customary detours, and with traffic returning to pre-war volume and speed, the dust nuisance is again becoming serious during each dry spell.

In normal years the highway department uses about 4,000 tons of calcium chloride as a dust layer, but this year strikes in chemical plants and various other industries have made it impossible to obtain the desired supply. Calcium chloride is used extensively on detours and on graveled highways where heavy traffic temporarily creates a dust nuisance. Routes regularly carrying heavy traffic are in most cases paved or bituminous treated.

Dust is not merely a nuisance but it may be a serious traffic hazard unless motorists drive with caution. A car travelling at 50 miles per hour is estimated to raise four times as much dust as one travelling at 25 miles per hour. All persons using dusty roads are urged to drive at moderate speed and not to follow other vehicles too closely.

HE GOT PLENTY!

Mr.—While I was out with the boys last night, a burglar broke into our house.
Neighbor—Did he get anything?
Mr.—I'll say he did. My wife thought it was me!

Something Missing

Mother—Jimmie, you appear to have been at the jam again.
Jimmie — Don't go by appearances, mother.
Mother — No, I go by disappearances.

Rational Behavior

Mrs.—Is it true that the butcher got so fed up with the meat shortage that he closed his shop and went on a vacation?
Mr.—Yes, he's gone on a meat loaf.

Long and Short of It

Wife — Does the newspaper give any description of the missing cashier?
Hubbie—Yes, he was about 5 feet, 5 inches tall and about $70,000 short.

Starting Even

She—I see by the paper that a boy who speaks six languages has just married a girl who speaks three.
He—I'd say that is about the right handicap.

Winter Winds

Myron—This is certainly terrible weather!
Byron—Yes, all it's fit for is conversation.

History Lesson

Teacher—What did Caesar say when Brutus stabbed him?
Boy—Ouch!

The birthplace of Alexander Hamilton, distinguished early American statesman, was the island of Nevis, in the West Indies.

Many On-Job Trainees Fail to Get Subsistence Allowances thru Error

More than 1,000 Minnesota veterans who already are established in on-the-job training programs and whose agreements already have been approved by the appropriate state agency are failing to receive their monthly subsistence allowance from the Veterans Administration because their certificates of eligibility, properly endorsed, have not been received by the V. A. regional office, 1006 West Lake Street, Minneapolis, Paul T. Gray contact representative here, said today.

The Veterans Administration cannot process the cases of these veterans for payment until their certificates of eligibility are returned to the Regional Office. In order to be eligible for the subsistence payments the veteran in training must endorse and have his employer endorse the certificate after the training agreement has been approved.

The certificate of eligibility is like a check, Mr. Gray said, in that unless it is presented for payment with proper signatures, no payments can be made. He urged all veterans who have questions concerning subsistence payments or other benefits to call at the V. A. Contact Office at 114 LaIree Ave. N., Thief River Falls.

Worsted Yarn

Worsted yarn is made from the long, fine wool fibers and carding serves to straighten the fibers, removing short broken and imperfect ones. Fibers are then spun or twisted to produce a compact, smooth yarn. Worsted fabrics, from worsted yarns, have smooth, clear textures with only a slight nap or no nap at all on the surface. Worsteds are notably dirt- and wrinkle-resistant and include such fabrics as serges, gabardines, coverts, light-weight suitings and sheer dress-weight goods.

GROWING WITH YOUR CHILD

Institute of Child Welfare, University of Minnesota

"Hold tight with both hands, Bobbie. That's the way." The kindergarten teacher watched four-year-old climb down the jungle gym. "Put your feet on the next rung and hold tight." A student observer questioned this procedure afterward. "Are you not making the child afraid when you tell him to 'hold tight'?"

The teacher explanation was as follows "Fear occurs when a person does not know exactly what to do; that is, when he has no natural or learned response which will meet the particular situation. Bobbie has been slow to try climbing; today he went higher than he has before. I wanted to encourage him; and I wanted him not to become afraid of the jungle gym. So I told him exactly what to do—I gave him something 'positive' to do by telling him to hold tight and move his feet down from rung to rung. In this way I try to teach him something specific to do so that he will develop more skill and thus the occasion for a fear reaction will disappear."

This teacher's technique may well be used in other situations with children. The child who has an opportunity to develop skills of various kinds will have more ways of acting and thus will be less likely to give a fear response. Caution also arises out of fear. The child who never knows fear becomes reckless and during and frequently suffers injuries because of such recklessness.

Caution, or care in avoiding danger, is the result of knowing one's own ability in relation to the situation at hand, and acting in accordance with that ability. There is less danger in climbing for the child who is skilful and knows his own ability than for the child who lacks such skill. The child who has a variety of skills and methods of response will be cautious without being fearful.

V. F. W. AUXILIARY Auxiliary Notes

The V. F. W. Auxiliary held its regular meeting Monday, July 8, with Mrs. Fred Beringer, president presiding. Interesting reports were given on the department encampment held at St. Paul by the three local delegates, Cecelia Beringer, Rose Steineke, and Sarah Maidment. Plans were discussed for a food and rummage sale to be held July 17 beginning at 10 a. m. in the auditorium basement. Lunch will be served. Following the close of the meeting lunch was served to auxiliary and V. F. W. post members.

The auxiliary extends thanks to Wm. Bugge, John Lind, O. E. Taxeraas, and Marius Waldal for their assistance with the water carnival float.

The next business meeting will be held July 22.

48 DIE IN JUNE AUTO ACCIDENTS

Biggest Monthly Total Since Last November

Forty-eight persons were killed in motor vehicle traffic accidents in Minnesota in June, according to reports received by the state highway department. This is the largest number in any month since November, when 58 were killed. It is the largest June toll in any year since 1941, when 49 lives were lost.

Total killed in the first half of 1946 was 214, compared to 157 in the same months last year, 149 in 1944, 106 in 1943, 226 in 1942 and 223 in 1941.

An encouraging feature of the June report was the drop in pedestrian deaths to five, compared to an average of 15 in the preceding 10 months. June victims were two children, age 4 and 6, and three adults, 69 to 85 years of age.

Vehicles running off the road caused 19 deaths. In one case a car ran into a river and the two occupants drowned. One tractor driven on a county road by an 11-year old boy turned over and the boy was killed. In other cases vehicles overturned or struck trees, poles, safety isles or other fixed objects. Among contributing causes were tire and steering gear failures, failure to slow down at curves and slippery places, fatigue, and momentary diversion of the driver's attention from the job of driving.

Twelve were killed in motor vehicle collisions. Among circumstances reported were a driver in the extreme left lane on a three-lane road, a driver attempting to pass a truck and semi-trailer on a curve, a head-on collision of a car and an unlighted tractor, and failure to stop for "STOP" signs.

Mission Superintendent Will Speak Here July 21

Rev. Jacob Elving, Minneapolis, general superintendent of the North western Mission association, has accepted invitation to share in the dedication of the new tent Sunday afternoon, July 21 at 2:30 o'clock, south of the postoffice in Thief River Falls, which marks the opening service of the tent meeting series of 1946 under the auspices of the Union Gospel Tent Mission according to L. W. Lindblom, who says meetings will be nightly except Monday but including Labor Day, closing day of the series.

County Agent Bulletin Sets Forth the Merits of DDT Insecticide

—This summer DDT has come on the market for general farm use for the first time, according to County Agent Ernest Palmer. The results from the use of DDT have often been spectacular even though it has been proved that it is not effective against all insects.

In many cases, DDT will not replace standard insecticides now in use. But for many insect pests it is far superior to our more familiar insecticides, Mr. Palmer says.

The latest information on using DDT has just been published as Extension Bulletin 262, "Recommendations for using DDT." This bulletin explains the forms in which DDT is available and gives complete instructions for using DDT both for household and livestock insect pests and for orchard and garden insects.

Copies of this bulletin can be obtained at the county agent's office or by writing to the Bulletin Room, University Farm, St. Paul 1.

PUBLIC OPINION

Editor of the Times:

I have spoken and written quite a bit in campaigns, ever since I was old enough to do so, but now I guess I am through, for my health seems to not come back the way it should.

Now, it may be that so many campaigns I have said and written things that opponents would take personal offense at. If so, I wish to ask their forgiveness, as I meant it only against the idea, but you know it is rather hard to keep people separate from their ideology, but nevertheless they are two different things.

There is no person I have any ill will against, as I always have felt that he was only using his constitutional right in holding forth his opinion. They are also relative truths, as well as absoluteones up on these relative ones, it is always very easy to misunderstand.

I know that faith in our people is necessary for a free government and fair government all around, also, and I hope these principles will be followed, and every strike, I believe can be settled as they have been.

714 YEARS "PLUS" OF GUARANTEED GOOD LUCK

Hibbing—If each four-leaf clover brings seven years good luck, Mrs. J. Ashton Kennedy of St. Paul, summer resident in this community, has 714 years with some plusage coming to her. The 714 is reason of 102 four leaf clovers found in a patch besides her favorite lake, the plusage because of 46 five-and six-leaf clovers gathered at the same time.

Intensive Farmers

Balinese are masters of intensive farming. Three crops of rice a year are usual. Terraces for paddies rise from warm valley floors high up on the slopes of the hills—a hanging garden effect when seen from a distance. Sugar cane, coffee, tobacco, indigo and cotton are grown in quantities. Coconut palms and Tamarinds sway over island paths. Fruits in variety are staple produce. European vegetables are upland specialties.

HAMRE

(News for last week)

News from here was impossible to get reported last week for early printing of the paper due to not having daily mail routes here.

Ervin Jelle, S. M. 3/c was discharged from the navy on June 18. He served in the Pacific for one year. The remainder of his 2 years and 1 month service was spent at San Francisco, California, Bremerton, Washington; and Astoria, Oregon.

Melvin and Walter Jelle and Robert Wells helped to vaccinate turkeys at the Frank Johnson farm on Wednesday.

Elmer Newhouse and his mother, Mrs. Helen Newhouse accompanied by Louis, Olga and Edward Jelle motored out to Camasota, S. D. for medical treatment for all but Elmer.

First windstorm to do damage to any amount in this community occured last Friday morning about 3:15 a. m. Damage reported were of the gale was at the Edward Jelle farm where his large barn was demolished, the chimney lifted four feet off to one side of the foundation. Their well house completely destroyed and 12 large windows blown out of their house.

While Mrs. Edward Jelle got up to close the door blown open and came to the bedside to attend her baby son the window blew to pieces flying glass cut a main artery in her chest. Rapid flowing of blood occurred and perhaps her life was saved by her son Erwin and Judith who applied antiseptic powder to the wound which stopped the bleeding. They had to go to Thief River Falls to get a doctor to attend Mrs. Jelle.

Many shingles were also torn from the house causing the rain to come in from top as well as all the blown out windows.

Ray Swenson's barn was blown to one side about a foot at the top but he was able to again straighten it up. Other damage here occured only to trees.

(This weeks news)

Friends here received word from Mrs. Nellie Snook who moved out to Dalland, Oregon last year that her sister, Mrs. Leona Chamberlin was killed in a car accident on June 22. Mrs. Chamberlain is also known here and spent her girlhood days with her parents Mr. and Mrs. Tom Webster.

Little Barbara Swanson daughter of Mr. and Mrs. Helmer Swenson was badly bitten on Tuesday by the dog on the farm. The dog grabbed her across the cheek and on one ear.

Taken to the hospital in Thief River Falls, it required over 50 stitches to sew up the wound and her ear was torn loose from the bone. After being confined to the hospital for 6 days she was released this Sunday.

WYANDOTTE

The sid society of the Clearwater congregation met on Tuesday at the Ed Evenson home with Mrs. O. J. Hruske assisting hostess. A special guest at the meeting was Mrs. John Albon who was given a life membership in the womens mission federation. Now past ninety years, Mrs. Albin was the first president of the sid society and the president of the only living charter member. For many years she was outstandingly active in church work until ill health terminated her activities. The past twelve years she has now made her home with her son and daughter-in-law, Mr. and Mrs. R. W. Nelson at Thief River Falls.

Guests from July Fourth thru the week-end at the home of Mrs. Caroline Haugen were Mr. and Mrs. Herbert Johnson (Gina Haugen) and family and Mr. and Mrs. Sig Haugen of Minneapolis. Carol Johnson remained for a longer visit at her grandmother's home.

Robert Peterson of Sacramento Calif. arrived here on Wednesday to visit his sisters, Mrs. Edwin Nelson and Mrs. Gust Gustafson and their families.

Dr. Lynde was called to the Henry Hanson home on Friday when Mrs. Hanson was stricken with convulsions. She is much improved at *this writing.*

Mr. and Mrs. K. W. Mac Innis of Proctor spent the week-end at the J. Evenson home. They visited friends at Red Lake Falls on Friday evening.

Mr. and Mrs. C. F. Carlson motored to Blackduck on Saturday to visit their son-in-law and daughter, Mr. and Mrs. K. Hegland.

Mrs. Louise Cousin and daughters Doris and Phylis Dockstader of Minneapolis visited from Wednesday until Sunday at Mike Antonoffs.

Mr. and Mrs. Morris Wilson and Mrs. G. A. Wilson were in Thief River Falls on Tuesday to visit Gust Wilson who is a patient at a hospital there.

Helping Mrs. Mike Antonoff celebrate her birthday anniversary on Monday afternoon were Mrs. Alfred Halvorson, Mrs. Henry Hanson, Mrs. J. Evenson and Esther Hanson.

Shirley Ann Vik of St. Hilaire is spending the week with her grandparents, Mr and Mrs. A. E. Wilson.

Pioneer of Hazel Is Laid to Rest Today Following Final Rites

Anton E. Anderson, pioneer of the Hazel community, passed away Monday morning at a local hospital, having attained the age of 76. Rev. Carl Fredrick Johnson will conduct rites this afternoon, July 11, at 2 o'clock in the Tarna Lutheran church of St. Hilaire, and burial will be made in the St. Hilaire cemetery.

Mr. Anderson is survived by one son Edwin at home; four daughters Mrs. Clifford Foss of Clarebolm, Alberta, Canada, Mrs. Floyd Otto of Farmington, Mrs. Horace Prugh of Superior, Wisc., and Mrs. Arthur Peterson of Hazel; 18 grandchildren; 4 sisters, Mrs. Erika Wallen of Grand Marias, Mrs. Ida Anderson of Bowbells, N. Dak., Mrs. Hilda Gigstad of St. Hilaire and Mrs. Lyda Olson of Minneapolis. His wife, his parents, and two sisters preceded him in death.

Born in Sweden Nov. 5, 1870, Mr. Anderson came to the United States with his parents, making his home in Chicago, Ill. After a year in that city they moved to River Falls township, where his parents homesteaded. Since the death of his parents, Mr. Anderson continued to reside on the same farm.

Mr. Anderson served as treasurer of the township board, was a member of the school board and a member of the Tarna congregation of which organization he served as trustee and director for a number of years.

Final Rites on Friday for Lloyd Bradley, 28

Final rites were conducted Friday afternoon at 2 o'clock in the Community church for Lloyd G. Bradley, who passed away Tuesday, July 2, at the home of his parents, Mr. and Mrs. C. B. Bradley. Rev. D. T. Beadle officiated at the services and the body was laid to rest in the Woodman cemetery east of Middle River. The Times stated in error last week that the deceased had passed away at a local hospital.

Andrew A. Peterson, 89, Marshall County Pioneer, Passes Away

Final rites were held for Andrew August Peterson, pioneer resident of Cedar township, Marshall county, in the First Lutheran church of Middle River Friday, July 5, at 2:00 P. M. with Rev. J. A. Korshavn officiating. Mr. Peterson passed away Sunday, June 30, at a local hospital, having attained the age of 89 years.

The deceased was born Sept. 21, 1856 at Estajetland, Sweden. He came to America in 1877, and after a short stay in Minneapolis he went to Alexandria, where he worked until 1883 for the railroad. He then moved to Ottertail county, homesteading there, and he was united in marriage Feb. 4, 1886 to Karen Larson of Dalton, Minn. In 1890 Mr. and Mrs. Peterson moved to Marshall county, where they homesteaded in Cedar township, and where Mrs. Peterson passed away Dec. 1, 1929. Mr. Peterson continued his residence there until moving to this city in June of last year to make his home with his son and daughter-in-law, Mr. and Mrs. Adolph Peterson.

Surviving are three daughters, Mrs. Frank Anderson of Robbinsdale, Mrs. Arthur Rambeck of this city, Mrs. Fred Baker of Glendale, Calif.; five sons, Christ of Kinistino, Sask., Arthur of Middle River, Austin and Gust of Grafton, N. Dak., and Adolph of this city; 16 grandchildren and 9 great grandchildren. Three daughters, Clara, Alma, and Gina preceded Mr. Peterson in death.

Gunder Halvorson of Grygla Dies Monday

Gunder Halvorson, resident of Grygla, passed away Monday, July 7, at the Pennington county hospital. Funeral arrangements have been made for Friday, July 12, at 2 p. m., Rev. M. Uhlig officiating, and burial will be made in the St. Olaf cemetery at Grygla. A complete obituary will be published next week.

Drive carefully—you may meet a fool!

Mrs. Anna Asleson Is Dead at 81; Services Conducted on Sunday

Final services were conducted by Rev. Walter Pederson Sunday afternoon for Mrs. Anna Asleson, who passed away at a local hospital July 4 at the age of 81 years. Rites were first held in the Gulbranson funeral chapel at 1:15 and then at the Paule church west of Greenbush at 3 o'clock. Burial was made in the church cemetery.

Mrs. Asleson leaves four daughters, Mrs. Amund Snare, Mrs. C. G. Erickson, and Mrs. C. A. Jenson of this city, and Mrs. R. S. Bubman of Maywood, Ill.; 30 grandchildren and 20 great grandchildren. Her husband, two daughters, and five sons preceded her in death.

The deceased was born in Stavenger, Norway March 13, 1865, coming to the United States with her parents at the age of 16. She worked in Madison, Wisc., until 1886, when she was married to Asle Asleson at St. Peter. They farmed for some time in that vicinity, later at Hatton, N. Dak., and in 1897 they homesteaded in Roseau county. Mrs. Asleson was a charter *member of the Paule congregation,* being active in its affairs. Since the death of her husband, she has made her home with her children, and for the past 4 years resided in this city at the home of her daughter, Mrs. C. G. Erickson.

Services on Saturday for Elmer Berg, 48

Rev. Walter Pederson officiated at funeral services Saturday afternoon in the Gulbranson funeral chapel for Elmer Berg, 48, who took his own life by hanging Monday evening, July 1. Interment was made in the Greenwood cemetery.

Mr. Berg was born in Red Lake county Jan. 7, 1898. He attended high school in Red Lake Falls, later taking a business course at Crookston, and he then took employment with the Nash-Finch Co. at Minot, N. D. Later he was employed at the Ford Motor plant in Detroit, Mich. in the spring of 1937 he came to this city where on Sept. 4, 1937 he was united in marriage to Miss Inga Stenberg. From 1937 to 1943 he served on the city police department, and in the fall of 1943 he went to Seattle, Wash., where he was employed in the shipyards. He returned here in September 1945 and has lived with his family since. Mr. Berg served one term as sergeant of arms at the capitol in St. Paul.

Left to mourn are his wife and one son David Alan; his mother, Mrs. Anna Berg; two brothers, Hans and Theo. of this city; four sister, Mrs. Gust Glewwe and Mrs. Fred Measner of this city, Mrs. Albin Hallin and Mrs. Otto Anderson of Seattle, Wash.

Mrs. Lester Nordhagen Succumbs Saturday at 16; Rites on Tuesday

Mrs. Lester Nordhagen, formerly Doris Harlen Eidelbes, succumbed at a local hospital Saturday at the age of 16. Final services were conducted Tuesday afternoon at the Erickson and Lund funeral home, Rev. Walter Pederson officiating, and burial was made in the Greenwood cemetery.

Mrs. Nordhagen has been a resident of Norden township since her marriage Oct. 15, 1945 at Warren, before that time residing in Highlanding and Thief River Falls. She was born April 16, 1930 in Highlanding township.

Other than her husband, survivors include her parents, Mr. and Mrs. Joseph Eidelbes of this city; two sisters, Mrs. Virgil Lapsegard of Marshall county and Miss Violet Eidelbes of this city; one brother Joe Eidelbes of this city her grandparents, Mr. and Mrs. John Forest of Strathcona and Mrs. Francis Kotrba of Goodridge.

LOCALS WHIP RED LAKE FALLS 24-0 IN LEAGUE GAME

H. Sahl, Pitching for Locals, Holds Opponents to One Lone Hit Sunday

For eight innings Sunday, pitcher Hemmy Sahl had a no-hit no-run game on the records, but in the 8th frame Red Lake Falls' Johnson poled out a long double into left-center to break into the hit column and mark up the only safety Eddie Kiefenheim's team got. Sahl did not allow a man to reach first base during the first five innings of play, and in only one inning, the 7th, did more than three men face the local pitcher.

Sahl was given nifty support by center-fielder Wally DuChamp, for in the 4th inning Red Lake's Bernard Columbus lined a single over second base, but when he "loafed" on his way to first base, DuChamp fielded the ball quickly and, with strong throw, got the runner at first base for the put-out. In the 8th inning Martin Musby sent a line drive into center field and again Wally got the man at first base with a fine throw. Wally's third assist was made when he threw out Johnson, who had doubled, as the Red Lake Falls player tried to stretch his hit into a triple.

While Red Lake Falls was having trouble getting a single off Sahl, the locals, with Berdeen Normes and Louie Benson getting seven hits between them, were clubbing the offering of Dave Kelley and Eddie Kiefenheim for twenty hits. Normes had a double and a homerun in his collection of hits while Benson connected for a triple.

On Sunday the local concludes their league play—the playoffs will begin in a week—by meeting the undefeated St. Hilaire nine on the St. Hilaire diamond. The game, which will have a direct bearing on the league championship, should draw a capacity crowd.

Paul Bunyan Carnival at Bemidji July 13-14

Bemidji's Junior Chamber of Commerce announces that Navy participation in the Paul Bunyan water carnival July 13th and 14th has now been assured, and that the simulated air-sea rescue which was so successfully staged on June 1st will be repeated. This performance will take place on Sunday, July 14th at 1 o'clock before the motor boat races. The celebration starts Saturday with a parade and athletic events. Sunday, in addition to the air-sea rescue and the motor boat races, there will be log rolling contests, platform attractions, selection of a carnival queen, dancing in the Armory and Rogers Bros. carnival.

54 Deaths by Drowning in State in 6 Months

A tally kept by the bureau of information of the state department of conservation, shows 54 deaths from drowning recorded in the first six months of this year, it was announced today. The figure is based on incomplete reports gthered from press clippings and reports from the Minnesota health department. When complete reports for the months of June are received, this year's total may equal or surpass the 63 deaths from submersion tallied in the same period last year.

Welcome Gifts

Dainty wash cloths and nightgowns are welcome gifts for a hospital patient. They should be washed and ironed before being presented so they can be put to immediate use.

Shids Lid

A jar of water makes a good adjustable weight to use on the cover of a crock when making sauerkraut.

They Survived To View The Wreckage

Mr. and Mrs. Edgar Longren escaped with only slight injury when their house was blown to bits by the tornado. In the background of the above picture is what is left of the roof after it settled down a considerable distance from where the house stood. At the right, foreground, is the cottage door. The window section was separated from the door and survived without breaking a glass. Mr. and Mrs. Longren agree that their experience was thrilling but not enjoyable.

SHANNONS FLY TO FAMED RIVER SHANNON

St. Paul—Largest party of Minnesotans yet to fly to Europe on a vacation trip included Patrick J. Shannon of South St. Paul, three daughters, a son, and a California brother. They left June 11 to fly all the way, expecting to land at Shannon airdrome, Limerick, Ireland, and no doubt will visit the River Shannon famed in poetry and song. The trip will extend a month or more and possibly to other countries.

Looking Backward

1916—THIRTY YEARS AGO

Milton G. Weeks is valedictorian and Mary Von Prichard salutatorian of the Lincoln high school graduating class of 1916.—E. M. Stanton delivered the Memorial Day address in the city Auditorium.—The state board of control formally approved the site for the new tuberculosis sanatorium south of Thief River Falls.—Game Warden Wm. Munch of Crookston brought 18 local boys into municipal court and lectured them for having made a practice of shooting songbirds.

1926—TWENTY YEARS AGO

The Burg company was preparing to open a junior department store in this city.—Isak Holseth, local manager of the Minneapolis Bridge company, left with his family for Minneapolis, where they will reside.—Lawrence Lotnes was named president of the first 4-club to be formed in Pennington county.—Elsie Vorseth of Rosewood and Gladys Kjos of Goodridge were respectively valedictorian and salutatorian of the 1926 Lincoln high school graduating class.—Joe Maruska was named manager of the local baseball club.—Mrs. Emil Zeh gave a talk on bird lift at a meeting of the local chapter of the Isaak Walton league.

1936—TEN YEARS AGO

After serving the county fair association in various capacities for more than twenty years, Emil Griebatein resigned from the board of directors.—Arthur W. Nelson is valedictorian and Victor Jung salutatorian of the Lincoln high school graduating class of 1936.—Mr. and Mrs. Ole Sunsdahl, pioneer residents of the Erie community, were honored on the occasion of their golden wedding anniversary.

—N. W. Elsberg, state highway commision, was a guest at a dinner meeting in the Evelyn hotel arranged by the Civic and Commerce association.

NO BOAT, NO TACKLE NO BAIT, PLENTY FISH

Battle Lake—This city's best disciple of Isaak Walton prefers West Battle Lake. He has no boat, no tackle, no bait, no special landing gear. Nor does he need them. He answers, when not intent on his fishing, to the name of Moggs. He's short, dark, curly haired, and four legged. A water spaniel, in short, who, with a quick bob of the head, invariably comes up with his quarry.

All of Harold Stassen's chips were down when Minnesota Republicans went to the polls Monday. The defeat of Ed Thye would have knocked him out of the national ring where he is recognized as a presidential possibility. Defeat of his candidates in Minnesota would have been interpreted as a repudiation of Stassen by his own state and a death blow to his aspirations in national politics. Many who are not Stassen fans would not care to have this happen. Because he is recognized nationally as one of the country's great liberal leaders he deserves the support of the state of which he is a product.

If the federal government does not act promptly to restore rent controls Governor Thye will call a special session of the Legislature to pass an emergency measure to control rents in Minnesota. A natural question is why rent controls and not control over other prices. There are several good reasons. Prices in general could not be regulated by any one state. Rents are a strictly local problem and can be controlled by state action. While buyers have little power to protect themselves from price increases in a generally rising market, they can refuse to buy from any merchant whose prices are out of line with the market. That is not true in the relationship between landlord and tenant when there is a critical housing shortage. While most landlords probably would not take advantage of the situation, some would, and there is need for rent controls until more houses become available. But special sessions are expensive and it is to be hoped that Congress will take speedy action and make a special session unnecessary.

We have been without price controls several days now and so far there has been no general runaway of prices. In the main the price increases to the consumer have been limited to those commodities which now cost more because of the withdrawal of the consumer subsidies, butter, meat, flour, etc. Uncle Sam is no longer paying a part of our grocery bills. Such increases were to be expected. The real test is still ahead of us however. What will happen in the coming weeks will depend to some extent on how well we, as consumers, control our own buying. If we become hysterical and start hoarding, buying more than we need from day to day, we will bring upon ourselves a bad condition. Now that government controls are out, we need more than ever before to exercise self-control. Remember the old jingle about the Worry Cow:

The Worry Cow
Would have lived till now
If she hadn't lost her breath:
But she feared her hay
Wouldn't last all day
So she choked herself to death

John Casey of the Jordan Independent lists in a long and interesting editorial a few of the many organizations to which the American people belong. Farm organizations, labor organizations, church organizations, lodges, societies, service clubs—the list is indeed a long one. Most of these organizations probably serve a useful purpose. Unfortunately however, as they unite in this group and they also divide us by groups and factions. The more we have become united the more we have become divided. Here in Thief River Falls, for instance, we probably would have more effective community service if we had fewer community service organizations. That probably would also be true in several other fields. Once an organization is formed it is next to impossible to kill it off, and only occasionally does one die a natural death.

Topics of the Times

By M. A. L.

Apathetic was the interest in the primary election Monday. It also could be called pathetic.

With the ending of OPA price controls, the football cry, "Hold that line," applies equally well to the price situation.

Next on the program is the county fair, and then school resumes again. Truly, time marches on.

WE'LL BUST OUR BUTTONS!

....to find you a room. But even if we can't, there's still swell food at the Coffee Shop.... good fun at the Jolly Miller.... and a grand show at the Terrace.... those things you can enjoy any time. We hope it will be soon!

P. S. About that room. We can do our best if you'll write in advance.

HOTEL NICOLLET
MINNEAPOLIS

Swathed as he was in King Neptune's robes and head, it's safe to say that Larry Rullen was the hottest man in town during the water carnival July 4.

A confirmed bachelor, they tell us, is a man who never Mrs. anything.

Only thing missing on the Fourth here to make it real style celebration were a political speech or two and a barrage of firecrackers.

"Take it easy", is the current traffic slogan. It refers especially to the foot on the accelerator.

District Judges in Minnesota will augment their dignity next year by wearing judicial robes. However, as the Red Lake Falls Gazette points out, it is the quality of the decision that counts.

Similes—As hard to get as a restaurant lunch in town the night of the Fourth.

Billy Noonan of Bandelle reports having had wonderful luck on a recent fishing trip. He missed two bill collectors.

Many a well-deserved pat on the back has been given the Jaycees for the outstanding entertainment they provided at their water carnival. The boys really put it over.

Butter now resembles gold in other ways than mere color.

Efficient Cleaner

Keeping the dustbag of the vacuum cleaner emptied after each use is vital to increasing the efficiency of the machine. Failure to do this destroys the force of suction which does the work!

The Jaycees must live right. Consider the ideal weather that greeted their water carnival last week.

Unusual is the news item from Detroit Lakes about an 80-year-old man being fined for drunken driving.

TRF JUNIORS WIN BALL GAMES FROM WARREN, ARGYLE

To Enter Subdistrict
Tourney Scheduled at Warren Next Sunday

With "Swede" Lund pitching two-hit ball in the five innings he hurled against Warren, and with Don Perkins coming through with his second no-hit game of the year, against Argyle, the local junior baseball team, defeating Warren, 10 to 5, and Argyle, 8 to 1, in eliminations at Warren on Sunday, earned a berth in the sub-district tournament which will be played at Warren on Sunday.

Oslo, Lake Bronson and Lancaster are the other three teams in the tournament. The first game, at 10:00 a. m. on Sunday, will pit Oslo against Lake Bronson; and at 1:00 p. m. the locals will play the Lancaster team. The two winners will meet at 4:00 p. m. to determine the sub-district's representative in the district tourney at Detroit Lakes the following week.

The excitement of the elimination games was centered in the game between Argyle and Thief River Falls on Sunday afternoon. On Saturday, the locals had trounced Warren 10 to 5, Argyle had Swamped Stephen, and Oslo had beaten East Grand Forks. In a flip of the coin to determine the team that was to receive the bye and move into this week's sub-district, Oslo was the winner, with the result that the locals and Argyle had to play for the other sub-district position.

Don Perkins, the locals lanky right-hander, had the Argyle team baffled, banging up fourteen strikeouts in recording a no hit win. Argyle scored their lone run in the 6th inning, being aided by a pair of errors by the usually reliable Wayne Gothe. "Perk" whiffed an Argyle batter in every inning, and in the 2nd and 3rd frames, he set the side down on strikes.

Wildness by Warren's two pitchers, Tollefson and Martinson, in the 3rd inning broke up the Ponies game with the locals on Saturday afternoon. With the score 7 to 4 in favor of Coach Welton's nine Tollefson and Martinson issued six bases on balls, and coupled with three passed balls and two errors, to score seven runs. Lund, who had taken over the hurling duties in the 2nd inning, replacing "Abe" Hanson, pitched nifty ball, garnering seven strikeouts and giving up but two hits, a single in the 6th and a single in the 7th.

Scoring by innings:

Argyle	000	100	000	1	2	3
Thief River Falls	000	102	32x	8	8	2

Errors—Gothe 2, E. Merck, Stewart 2, Anderson, Two base hits—Lund Struck out—by Perkins, 14; by Stewart, 2. Hases on balls—off Perkins, 2; off Stewart, 6. Hit between—Perkins, 2. Left on base—by Thief River Falls, 6; by Argyle, 3.

Crookston Golf Club Wins Team Match from Locals; Play Here July 21

By the margin of one point, 9½ to 8½, the Crookston golf club defeated the local golf club in a team match played over the Crookston course Sunday. A return match is scheduled to be played here on July 21st.

In the team match Sunday, Crookston's Ernotte Hiller and Bud Montague scored three points by defeating the locals' Vic Jung and Keith Jorde. Stan Larson and Bruce Prichard dropped three points to Crookston's Don McKenzie and Klein.

The local team's points were garnered by Lloyd Bennes and Jimmy Jorde, who totaled three points; Emmett Hope and Paul Gray, who added 2½ points; and Dr. R. Robertson, who won three points.

The Bemidji golf club will hold a shortstop tournament on Sunday, July 14th, and it is expected that a contingent of local golfers will participate.

OEN'S D-BALLERS WHIP BRIDGEMANS

Only one League Game Played During Week

City Softball League

	W.	L.	Pct.
V. F. W.	3	0	1.000
Oen's	2	1	.833
Poppler's	2	3	.400
Hartz Stores	2	3	.400
Bjorkman's	1	4	.200
Bridgeman's	1	4	.167

Results of the week's games:
Oen's, 13; Bridgeman's, 1.

The week's schedule:
Friday, Hartz vs. Bjorkman's.
Monday, V. F. W. vs. Bridgeman's.
Tuesday, Oen's vs. Bjorkman's.

As the second round of play got under way in the city softball league, only one game was put into the records and in that encounter the high-powered Oen's nine defeated Bridgeman's, 15 to 1. The game slated for Tuesday night, between the league-leading Vets and the Poppler's was postponed because of rain. It was probably fortunate for manager Heinie Wang that a rain storm did come up, for the Vets were weakened considerably by the absence of Jess DuChamp, Berdeen Nornes and Johnny Jarnason, the three players being out of action because of illness.

In Monday night's game the Oen's team picked up four runs in the 1st inning, with shortstop Don Johnson poling out a home-run. And in the 2nd frame, Gordy Reierson's club scored eight runs, getting four hits and being aided by several Bridgeman errors. Milt Reierson, the Oen's "raise-ball" pitcher, allowed Bridgeman's but four hits and gave up the only run in the 5th inning when an error and hits by Johnny Powell and Ernie Hellquist pushed a score across the plate.

The summary:

		H.	E.
Bridgeman's	000 010 0	1	4
Oen's	482 000 x	15	2

Keith Jorde Winner of Senior Boys Golf Title in Jaycee Match July 4

In the junior golf tournament played over the local course, as one of the events in the Jaycee's Carnival, Keith Jorde won the senior Roseau's Robe Bjorkman, 2 and 1 in the final. In the senior boy's consolation Ed Schwartz of Roseau edged out Paul Sponheim in the finals. Bjorkman provided the upset in the championship flight when, in a duel between two all-state hockey players he defeated the long-driving Bob Harris, 2 and 1.

In the junior boy's bracket, Don Steenerson of Crookston won first prize by winning a 1-up victory over the locals Don Sponheim. Crookston's Art Miller, a fine golfer, won the junior boy's consolations, by defeating Peter Chommie. Lenny Hurst furnished the flight's upset win when he eliminated Miller in the first round match.

Katharine Sagmoen was the only entrant in the senior girl's flight.

At the Lions club meeting Wednesday noon in the Palm Garden Cafe, the membership approved the appointment by President Stuart McLeod of Bill LaFave and James Parkins to represent the club on the local planning board now in process of organization. Guests at the luncheon were Coach Quentin Jones and letter winners of the Lincoln high school track team.

ALL-STAR D-BALL TEAM VICTORIOUS OVER MALUNG 18-1

Local Baseball Team Also Defeats Roseau 9 to 0 on the Fourth

The city's softball and baseball teams were victorious in the three games they played during the week's water carnival celebration. On Wednesday evening, in a twilight game, the All-Stars trounced the Malung nine, 18 to 1, in a softball encounter on the East Side park; on Thursday afternoon, at the Fair Grounds, the V. F. W. team composed of members of the city baseball team, defeated Roseau, 9 to 0, with pitcher Hemmy Sahl hurling a three-hit shutout; and Coach Jimmy Welton's juniors concluding their pre-tournament play, edged out the Argyle juniors, 6 to 5.

The city's All-Stars, with such players as Louie Benson, Connie Swanson, Woody Almquist, Alton Johnson, Blackie Stephens, Johnny Jaranson, Jesse DuChamp, Roy Lee, Bob DuChamp and Arlo Jacobson in its lineup, and with Milt Reierson doing the pitching and Gordy Reierson and Heinie Wang doing the managing, easily rolled up a win over the Malung nine. Malung's well rated fast-ball pitcher, Len Hedlund, was given erratic support by his infield in the early innings, and in the 3rd, 4th, and 5th innings the local solved his offerings for thirteen hits.

Meanwhile right-hander Milt Reierson was pitching no-hit no-run ball until the 4th inning, when Oddegaard punched out a single. Malung's sole score was marked up in the 6th frame, with Milt issuing a walk to Dell Hedlund, Brandt hitting a single to center, and Grindahl slapping a single into right field to tally Hedlund.

The V. F. W. vs. Roseau ball game was a scoreless affair for four innings, with the locals scoring a run in the 5th inning on a single by Jesse DuChamp and errors by second baseman Turner and shortstop Anderson. The Vets added another run in the 7th inning, with Clarence Rasmussen singling into right-center, stealing second and third bases, and scoring on Blackie Stephens' single to right. With Roseau's Bill Olson off the mound in the 8th inning, the Vets hammered out five hits, and scored seven runs, off Jim Alley and Bob Harris. Hemmy, Sahl on the round for the Vets allowed but three hits in marking up a second shutout of the year.

Coach Welton's juniors had a tussle with the Argyle juniors, in a game that followed the Vets vs. Roseau contest Thursday. The locals, with Wayne Gothe doing the hurling, held a commanding lead moving into the 5th inning, but four hits and five errors gave the visitors five runs, to knot the score; but the locals moved across a run in the last half of the 5th inning, to take the lead, and Gothe retired the side in order in the 6th and last inning.

Keeping Score with RICK OLSEN

To St. Hilaire and Warren

It's a cinch that there won't be many baseball fans in town on Sunday, for they will either be at St. Hilaire, where the city team will be playing an important league game with St. Hilaire, or at Warren, where the juniors will be engaged in a sub-district tournament to decide this territory's entrant in the district meet at Detroit Lakes next week.

There's only one thing that St. Hilaire likes better than a victory over Thief River Falls and that's two victories. And they'll be aiming for that on Sunday when the two clubs meet in a game that will decide the Northern Minny league championship. Several weeks ago, in a game played here, St. Hilaire defeated the locals, 4 to 3, in an exciting, if not too well-played game. With both teams having played a couple of games since that time, and scoring wins, it is expected that Sunday's game will be just as entertaining and perhaps better played.

On the form exhibited against Red Lake Falls and Plummer, and judging by the conversation and comments of the Red Lake Falls and Plummer players, the local nine should have a slight edge in Sunday's encounter. The Thief River team does appear to have a better balanced offensive team and the stronger all-round fielding performers; but the question is whether or not they will have that edge during the hours of 3:00 p. m. and 5:00 p. m. Sunday afternoon. That's the pay-off, because the league records haven't any provision for being the stronger team during the week and not on Sunday afternoon.

Juniors at Warren

And it's on to Warren, and on to Detroit Lakes, for the juniors. The outlook is quite favorable for Coach Jimmy Welton's juniors, too, and while the boys aren't too cocky or confident, they expect to get by Lancaster in their first-round game at 1:00 p. m. Sunday and then expect to defeat Oslo (for they believe that Oslo will beat Lake Bronson in the other semi-final game) in the finals at 4:00 p. m.

Welton has his pitching staff in fine condition for the sub-district, with Swede Lund ready for the first game and Don Perkins anxious to take the mound in the finals, and with Abe Hanson and Wayne Gothe available for relief duty. With all the competition the boys have had his year, against the best teams in this vicinity, they shouldn't be troubled by "tournament nerves" on Sunday.

So take your choice: the city team at St. Hilaire, or the juniors at Warren. You'll be getting plenty of excitement at either place. And good luck to them both.

Our X-RAY Shoe Fitting Service Reveals the *Cause* of Foot Troubles

If you've never had "foot trouble" in your life, you should be thankful . . . and careful! Remember, it takes only one pair of misfitted shoes to *start* serious foot ailments that may bother you for years. Why take chances, when our X-Ray Fitting Service makes certain that the shoes you buy fit properly? If you already suffer discomfort or pain from foot troubles, a Free X-Ray Foot Examination may reveal the cause. Chances are we can put your feet back on the path to foot health with the right size and style of shoe . . . or suggest other corrective measures. This service costs you nothing, yet may save you or some member of your family from years of needless suffering.

X-Ray Fitting in shoe-hand is most important because it assures natural healthy foot development. Prevents cramping and crowding of toes—makes room for joint bones. Enables you to see your child's shoes fit correctly.

THYE TO SUMMON SPECIAL SESSION OF LEGISLATURE

State to Adopt Rent Control Law in Event Congress Fails to Act

Following a meeting with twenty-five Minnesota legislative leaders he had summoned to consider the emergency resulting from the ending of rent control, Governor Edward J. Thye announced this week that he would call a special session of the Minnesota legislature for July 22 to consider enactment of a state rent control plan if Congress fails by that time to restore federal rent control.

Governor Thye gave the legislative leaders a summary of the rent increases and eviction notices that have been reported to him and said chaos easily might result if steps were not taken to establish rent control. He suggested that a call be issued for a special session of the legislature to pass a state rent control act, probably along the line adopted in New York, to take effect if Congress fails to restore rent control.

Members of the legislature participating in the conference agreed in the main that action is needed to prevent unjust rent increases and large-scale evictions. Main point of discussion related to the time the session should be held.

"I feel the session should be held in July," Governor Thye said. "Tenants can be evicted after thirty days notice. If we put the session off until August, there will be a gap of time, in which families may be evicted. If we can save even fifty families from eviction by having the session early, we should do so."

Governor Thye said the call for the special session would contain a provision that will revoke the call if Congress act to restore rent control before July 22.

Salvation Army Will Stage Statewide Fund Appeal July 22-Aug. 20

Twenty-two social services rendered by the Salvation Army—largely benefitting the underprivileged and unfortunate—will be aided by funds to be raised in a statewide campaign, July 22 to August 20, it is stated by Dr. Charles W. Mayo, Rochester, chairman of the Salvation Army's Marching Forward program in Minnesota. The drive is the first national and state-wide fund appeal made by the Salvation Army in more than a quarter of a century.

One of the outstanding services—little known to the general public—is that rendered to the unwed mother through the Booth Memorial home and hospital maintained by the Salvation Army at St. Paul.

Another little known work of the "Army" is the prison and parole program centering largely around the rescue of first offenders and youthful criminals, girls and boys. The Salvation Army works directly in prisons, jails and through the courts.

Free vacations for underprivileged children and mothers at fresh air camps is another piece of work done by the Salvation Army that will be financed through the gifts of the public in the present campaign, Dr. Mayo states.

Famed Revivalist Will Appear in Minneapolis

The second annual Youth for Christ International convention will be held at Medicine Lake Mission Farms, Minneapolis, the week of July 22-28, according to a statement by George M. Wilson, regional vice president and secretary of International and Minneapolis director of Youth For Christ, Inc. The highlight of the convention will be the mammoth Youth For Christ rally at the Minnesota state fair grounds on Thursday, July 25. Dr. Chas. E. Fuller of the Old Fashioned Revival Hour, Los Angeles, and the Old Fashioned Revival Hour quartette, with Rudy Atwood, accompanist, will be heard on the rally program.

Trunk Highways Cannot be Barred to Public Use During Celebrations

With the Fourth of July parades and summer celebrations in full swing, the Minnesota highway department is receiving the usual number of requests for closing of streets designated as trunk highways, says a state highway bulletin.

The department is also receiving complaints that portions of trunk highways have been closed by local authorities, in some cases against the advice of their city attorney, in order that streets may be used for celebrations, with their accompanying vendors and amusement devices.

Under the law no one, neither the commissioner of highways nor any municipal agency, has authority to close any trunk highway except for purposes of construction or repair, or when necessary to protect public health safety.

M. J. Hoffman, commissioner of highways, has from time to time pointed out that persons without legal authority take it upon themselves to keep traffic from using a public highway under certain circumstances make themselves individually liable for damages which may result from the closing.

In the evening all went to Thief River Falls to take in the fireworks, which was worth seeing.

Iver Harstad, Hjalmer Stokke and C. H. Cook attended a Highway 59 meeting at Karlstad last Tuesday evening.

Who says that Newfolden is a has been, or is dying a natural death? We heard this remark made about a week ago, but the person that made it evidently had not looked around town to see what is going on. Our locker plant, which is also a central ageing and processing plant for several nearby towns, will be completed this summer.

Holmos and Tollefsrud have started a Pure Oil filling station on the east side and are constructing an addition where they will have a radio repair shop. Stokke has remodeled the building formerly used by Dr. Johnson and hopes soon to have it stocked with Philco radios, refrigerators, etc. He is also now remodeling the store building recently moved here from Middle River and will have it for rent. Marvin Smeby has recently completed his fine modern home south of the river.

Elmer and Andrew Holmos have moved in three houses which are now nearly completed and are already occupied. Henning Peterson will be moving into his home, which he recently moved into town, this week. P. H. Berg has brought in two houses, one of which is being occupied and the other will soon be remodeled. Gordon Eiseth has finished excavating for his basement and is drilling a well in preparation to setting his home on a permanent foundation.

Kore Myhrer is now remodeling and adding to his home, and Raimi Nelson, Albert Lokken and Alvin Nelson are all excavating for basements for their homes to be built this summer. Other improvements have been made at the Seiastad and Rolf Tandberg homes, where running water and bathrooms are being installed.

PUDGILE INSEPARABLE COMPANION OF POSTMAN

St. Paul—In 1940 Pudgie, then a two-year old Springer spaniel, started making the mail route rounds with Ferris E. Balderson. Only miss is when a substitute carrier happens to be on, when Pudgie is quite put out. Besides companionship, the carrier says Pudgie discourages molestations by less friendly canines. Folks on the route show their interest and appreciation by feeding and watering their guardian of the mails.

An Appreciation

My sincerest thanks is extended to each and every voter of the Fifth Commissioner's District for the splendid endorsement accorded me at the Primary Election.

May your efforts continue toward ultimate election this fall.

Sincerely,

Elect A Liberal to the State Senate

I place human welfare ahead of capital rights

This fall you will elect a state senator for a four year term. Before making up your mind whom to vote for you should know what your candidates stand for, what their principles are and who can best serve your interests.

When I filed I stated my basic principles. I will now go into detail. My opponent has not made a public statement except in the editorial of the Thief River Falls Times and of which he is a part owner.

I take for granted that his editorial views are his personal opinions. As a candidate for state senator and editor of a paper he is in a position to reach the people. The basic thought of his editorials has been to uphold capital rights and they seem to come first with him. I maintain that human welfare should come first.

He has been unfair to labor and in his views on O. P. A. They have been the same as that of Congress which emasculated the functions of the O. P. A. in the revised bill President Truman had to veto. In his condemnation of O. P. O. my opponent stated that the O. P. A. had killed itself. In another editorial he said we would be better off without it. He got his wish. We now have the results.

I believe that the reactionary press like the Thief River Falls Times and the manufacturing associations which help the greedy, are mostly responsible for its defeat. If Congress had enacted a fair law right after the end of the war and extended its powers until we had normal production and consumption there would not have been any incentive to hold products off the market. Instead Congress passed an amendment to the Murray law guaranteeing any establishment, plant or factory a profit of 85% of pre-war profits for two years without any strings.

The Thief River Falls Times, edited by my opponent raised no voice against this. He writes about the strikes of labor but not of industry in adjusting our economics from war to peacetime, we have to take a long-range point of view. Our aims must be towards normal production. But at the same time we will have to see to it that we have the consuming power to absorb the increased production that is confronting us. If we do not we are going to have unemployment and a disastrous deflation and hard times, with a complete change of our economics and a possible change of form of government that will mean complete dictatorship, either Fascism or Communism. I am opposed to either. I am a liberal but have refused to go to the extreme left. I am being criticized for that in this campaign.

I believe there is a different way out, a better and more suitable way to fit into the American tradition and the American wishes and desires. We heard everywhere when all classes of people complaints about restrictions and regimentation during the war, the greatest emergency in history. The American people would be lost under a dictatorship of any "ism".

We have reached a point in our economic and social development at which we cannot have fair distribution and production under free enterprise without some government regulation. Some say we have to have either no regulation or all regulation. I believe we are better off with proper regulation. But it may be more than the American people wish and of course more than capital wants.

The O. P. A. was not perfect. It made mistakes. I was appointed on the O. P. A. advisory committee or council of Northwestern Minnesota Upon Agriculture. We made recommendations and other committees throughout the nation did the same. We did not always agree and I expect these other committees did not agree either. From these committees reports the state and Washington O. P. A. heads had to base their findings. Most of our recommendations were adopted tho some of them were quite late.

Prices of commodities rose from 20% to 40% from the beginning of the war up until the O. P. A. was enacted. Labor except in a few instances did not resort to strikes during the war in spite of the 20% income tax. I wonder what would have happened if we had not had O. P. A. price fixing. We can draw a fair conclusion from the last war when there were few shortages. I believe this would have been worse and I think it will be unless Congress re-enacts the O. P. A. and price regulations.

I remember well the price increases and the inflation and the later depression. I got caught in it and lost my farm. I do not want this to happen again. I do not want the young people, our service men to get started under a high inflation and then get out in the depression that is sure to follow if we do not have price regulation.

Under inflation the price of living will go up. We will again have a series of strikes and more inflation and at last a disorganized economic system which will be hard to rebuild even under moderate government control or government ownership in part or whole.

We can look towards the Scandinavian countries. They have a certain amount of government control and some government ownership. Government ownership cannot operate any more economically than private but if private ownership will not function for the welfare of society then it will be necessary for the government to take over. We are standing at the crossroads. Which road do you want—inflation and price control?

We have reached the end of our frontiers. We have built a great country, the best in the world. Are we going to maintain it? When labor is laid off, when we catch up with production we are going to have wholesale unemployment and disaster. The only consumers will be the American people made up of laborers and farmers. European and other countries will not buy much from us, especially farm products within a year unless we loan them money.

I have heard farmers and farm leaders asking for price ceilings. They are in the same class as the big capitalist and speculator. Yes, farm prices will raise but to the farmers' own detriment. They will be too high. The result will be underconsumption and hastening the day of overproduction on the markets, a slump in prices way under cost of production. The farmers will have a hard time to get a floor under agricultural products after they have requested the ceiling price to be taken off. The farmers will reap a harvest now but bad results in a year or two. Their purchasing power will fall and help to hasten the depression.

The small business man and bankers should stand by price regulation even to their inconvenience. They should remember the last depression with labor idle and farm prices poor. I am of the opinion that the best and only way of meeting this reconversion from wartime to peacetime production has to come through fair farm prices and full employment at a fair standard of living with a wage that will give purchasing power.

I have worked with laborers in many different trades. I know their point of view. They are being accused of being Communists but they are not. They just want a fair share of the wealth they produce in this land of plenty. But they will not again go into the breadline, the relief line just because they produce too much and are laid off from work. Labor will not turn to the Communist form of government but the capitalists can and are driving them there.

Besides giving labor a fair standard of living we will need to adjust our employment to our production and when we reach normal production we will again have unemployment. Besides our unemployment compensation or insurance we will need a national old age pension. I believe it is better to pension off the old than to pay a dole to the young, willing and healthy worker.

I am for an increase in the old age assistance pension. I do not think our present law is fair. It is too discriminatory, unfair and unjust besides being inadequate. I do not believe that the home of a poor, needy person should be taken away. Our state resources will not allow us to promiscuously give a large pension because of age, regardless of financial position in money or property. That has to come in a national way.

I believe in the protection of our state resources in every way. I do not think we should let private interests buy up any of our lake shores for private hunting and fishing privileges. We should preserve and build up all our state resources, our wild life and recreational beauties and advantages of our beautiful lakes for the benefit of humanity. I believe we should limit commercial fishing as much as possible on the Lake of the Woods.

I am against diverting funds from the game and fish department to the state treasury. That money should be used for protection of our wild life and for increase. These funds come wholly from the sportsmen and should be used to buy and build public hunting and fishing grounds and to protect and increase our wild life.

I have always supported good roads. The farm-to-market roads should not be forgotten. The state made a mistake when they took away the one-mill tax from the state aid roads, and should be restored.

If there is any revision of the school allotments there should not be any curtailment to our rural schools nor to our high schools. All allotments should be paid in full. There should be an emergency fund established to draw from if the appropriated funds run short and this fund should be available to draw from without political pull.

Our university is over-crowded and I believe instead of retaining it we should build another college to let students attend college close to home. Thief River Falls is so located that one should be established there.

I condemn the diversion of our school funds to the state treasury which my opponent defends. He says there was $12,000,000 diverted from the income tax fund which was set aside for school purposes, but I have been informed that this was $12,000,000 per year so that actually it amounted to $24,000,000. It would have been better to have paid the school allotments in full. I don't believe the schools should pay the penalty of short tax resources. Why not take it from other tax resources?

It has been estimated that the mining companies have realized millions of dollars in iron ore taxes. It has been estimated up to $70,000,000 in the last few years. This has not been refuted by any responsible government official and not by my opponent. In place of defending robbing the school funds he should have tried to prevent the mining companies from evading millions of dollars in iron ore taxes. Instead he defends the act of the 1941 legislature and in one of his editorials of recent date, he says after a lengthy editorial on iron ore taxes: "This fact was recognized by the 1941 legislature which provided for tax credits for companies mining low-grade ore." Taxes should be levied according to ability to pay. The mining companies, it seems to me, have the greatest ability to pay. Their tax evasion of the last few years may be technically legal but morally wrong. I therefore believe we have a moral right to place a heavy tax on them.

I believe the ex-service men, boys and girls who fought this war to a successful end are entitled to some recognition as appreciation for the gallantry, heroism and patriotism in the form of a bonus. If I am elected I shall introduce a bill for a veterans' bonus.

I shall also support any bill to provide for and aid housing projects for veterans. I believe the least we can do for them is to give them a chance for a home to live in.

As candidates for senator we are all elected on a ticket without party designation. I filed as an independent upon request of Republicans and former Democrats and Farmer Laborites. There are no endorsements by any party on either side. One party has not even put out a platform. There are therefore no issues in this campaign except our past records as members of the Minnesota legislature. I have served three regular sessions and two special sessions. He has served two regular sessions and one special.

I was a member of the legislature when my opponent came here. He started to oppose me politically from the very beginning. Soon another man came, Paul Sandgren. These two have built a political organization and have tried to undermine me. They have run Thief River Falls but do so no more. They may continue to dominate the association. This seems to be their fondest interest.

If I am elected I shall represent the district as a whole and not any particular group including farmers and laborers around whom we have to build our economic society. If anything of interest to Thief River Falls or the Civic & Commerce Association comes up I shall give them the same consideration as any other group. My greatest aims shall be to represent the district as a whole in an economic and social way.

Since my opponent has never come out and stated his views and since I have not been informed of or know of any great achievement or anything of importance he has done or accomplished except being honored by the reactionary press by a free trip to Europe, I feel that I have a right to accept his editorial views as his principles on important questions that have become state issues.

So far this campaign has become a whispering campaign of slurs, slanders, insinuations, half truths and misrepresentations by supporters on both sides. I have been accused of being too radical by some and too conservative by others. I have been accused of selling out. I have been misrepresented. It has been said that he is such an important man and more able to be senator. I am willing to meet him or anyone, his organization presents in open debate, one in each county of the district. I am willing to debate my qualifications, my accomplishments in and out of the legislature as compared to his, and I am also willing to debate the principles I have and shall support in.

I want to say to the people of Thief River Falls that I do not plan on running the city or the Civic & Commerce Association. If I am elected I shall represent, as I have in the past, and I do not know that I fell down upon any request from you. If I am elected it doesn't make any difference who is elected governor. I will stand by the principles herein set forth. I hope that whoever is elected will have somewhat the same views. I am putting this in print July 8 before election results are known.

In closing I shall ask for the vote and personal support of those who have faith in me and believe in my principles. It will be impossible for me to meet a great number of the voters. I have no money to hire workers as the organization opposing me is able to do. I know of one man who has been working against me for two months or more. My friends, say they are sure he is not doing it for his health.

I am going to ask my friends and supporters who are willing to further my candidacy to leave out personalities and to confine themselves to issues that are pertinent in the campaign. Let me take this opportunity to thank my friends and supporters for the kind and helpful assistance you have given me in this campaign. I hope you will carry on your good work until the successful end.

Sincerely yours,

MARIUS WALDAL

TECHNOCRACY

TECHNOCRACY, a non-profit, non-sectarian membership organization of American citizens, until 1930 the Technical Alliance of North America, a research organization founded in New York City in 1920 by engineers, scientists and economists. In 1933, the Technocracy group became incorporated under the laws of the State of New York and its later growth as a nation-wide membership followed.

The social analysis of Technocracy is founded on what is described as a new technique of measurement. First devised and applied to the physical operation of an energy-technological method as contrasted to the political, economic, or social methods of the politician, businessman, or humanitarian. Technocracy is not a moral, political philosophy but is the statistical mechanics of area operation.

The activities of Technocracy are of an educational nature; the organization consists solely of sixteen energy engineers. Magazines and pamphlets are published and public lectures are delivered.

—Funk and Wagnalls New Standard Encyclopedia, 1944 edition.

"Whatever the future of Technocracy, one must fairly say that it is the only program of social and economic reconstruction which is in complete intellectual and technical accord with the age in which we live."

Alderman Anderson moved that such applications be approved and granted and that the Clerk be directed to issue permits therefor. The motion was seconded by Alderman Nelson and adopted.

Alderman Engelstad introduced a motion appointing the following officers to serve as Judges of Elections to be held in 1946: First Ward: Mrs. N. C. Lindberg, Mrs. H. E. Walhof and Frank Klein, Second Ward: Russell Olson, C. W. Vyncke and Mrs. Olive Stoughton, Third Ward: H. E. A. Roberts, Mrs. Herman Gustafson and Matt Schulz, Fourth Ward: Ben Erickson, Mrs. Martha Fuller and Mrs. C. J. Melby. The motion was seconded by Alderman Berge and on roll call by unanimous vote by roll call.

The matter of disposition of the building known as the Powhouse and situated on the corner of State Avenue and First Street was discussed and a motion was introduced by Alderman Nelson that the Clerk be directed to cause notice to be published calling for bids for purchase of the same, bids to be considered for purchase of all the lots or any part or for any two or more thereof and such bids to be opened and considered on July 9th, 1946. The motion was seconded by Alderman Berge and the motion was unanimously adopted by roll call vote.

Alderman Nelson moved that the proposed ordinance amending Sec. 8 of Ordinance No. 161 changing the hours of sale of certain non-intoxicating malt liquors containing not more than 3.2% of alcohol by weight, be given its third and final reading. The motion was seconded by Alderman Berge and adopted, and the proposed ordinance was thereupon read. The question being then put on the adoption of the ordinance and the roll being called for re-against the same, the following members voted: aye: Bredeson, Engelstad, Anderson, Berge, Nelson. The following voted nay: None. The Ordinance was thereupon declared by the President, passed and adopted.

A communication was presented and read, the same being by the Board of Cemetery Commissioners of the City, requesting that the Council take immediate steps to select a qualified and competent public contractor to prepare pipes, specifications and an estimate of the cost of construction of a Burial Chapel and Storage Shed on the Cemetery Grounds, of sufficient storage capacity for an urn vaults. The Commission indicated that such construction was a matter of public necessity due to the difficulties encountered for years past in the interment of bodies during the winter months. Alderman Berge moved that the Board of Cemetery Commissioners be authorized and empowered to make a selection of such contractor to prepare plans, specifications and cost estimate, and to report the same to the City Council which was seconded by Alderman Engelstad and the motion was thereupon unanimously passed and adopted by roll call vote.

The Junior Chamber of Commerce Association by A. H. Christianson, President, presented a written request for permission to allow the Rogers Brothers Carnival Company to operate their rides and concessions on Second Street between Fallnes and Knight Avenue on the days of July 3rd and 4th, 1946, in connection with the Annual Water Carnival to be held in the City on such dates. Alderman Engelstad moved that such request be granted. The motion was seconded by Alderman Anderson and adopted.

Alderman Berge moved the adoption of a resolution relating to Workmen Surety Bonds, which was presented in behalf of J. C. McCoy and given in connection with the erecting of a new commercial building, consideration being $50.00 and being dated June 18th, 1946. The motion for the adoption of such resolution. The motion was seconded by Alderman Nelson and the resolution was thereupon by roll call vote, unanimously passed and adopted.

Alderman Berge introduced a resolution directing and instructing the City Attorney to prepare proceedings to condemn the lands and properties necessary for the proposed construction of a bridge across the property known as the "Mill Yards" to connect Bridge Street and Fourth Street, Old Road No. 2 at the south end of the Red Lake River, and providing for the adoption of such resolution. The motion was seconded by Alderman Anderson and on the adoption of the same the following vote was recorded: Aye: Bredeson, Engelstad, Anderson, Berge, Nelson. Nays: None. The resolution was thereupon declared passed and adopted.

Alderman Engelstad introduced a resolution requesting the State Department of Highways to authorize and to furnish to the City approximately seven gallons of road tar for patching and improving of City Streets and moved adoption of such resolution. The motion was seconded by Alderman Anderson and the motion was thereupon adopted by unanimous roll call vote of the Council.

Alderman Engelstad introduced a resolution appointing and designating Paul Ferguson as full time Fireman of the Street Department at a salary of $190.00 per month, effective as of June 15th, 1946 and moved adoption of such resolution. The motion was seconded by Alderman Nelson and the resolution was thereupon passed and adopted by unanimous vote by roll call.

On motion duly carried, the meeting was declared adjourned, sine die.

ALFRED BREDESON,
President of the Council.

Attest: P. G. Pederson,
City Clerk.

A New Telephone Directory
with a classified YELLOW PAGE section for the
convenience of shoppers and merchants

A new Yellow Page Classified Business Directory will be contained in the next issue of the Thief River Falls directory to be delivered the latter part of September.

Like classified telephone directories in other cities throughout the country, this new Yellow Page section will list under alphabetical headings descriptive of their business and the products or services they sell, all business firms whose names appear in the Thief River Falls directory.

For Buyers

This new classified telephone directory will be a conveniently arranged buyers' guide, making it easy to find where to buy articles or services you may need.

It also will list dealers for advertised products, refresh your memory when you are in doubt about a name or service needed, and be a quick and convenient source for business telephone numbers you may want to call.

For Business and Professional People

Because this classified directory will go into every home and business place in Thief River Falls having a telephone, it will be an especially effective spot to tell the public about the services or products you offer.

The Yellow Pages will help you reach that "easiest to sell" business . . . people who are ready to buy but who need help in knowing where to buy—a mighty good time to present your sales message.

For information concerning the listing of your business in the classified telephone directory, please call the telephone business office.

WEEK JULY 21-27 SET FOR WARNING ON FARM SAFETY

Accidents on U. S. Farms Take Lives of 16,000 Persons in '45

There will be an accidental death or injury on one out of every five Pennington county farms during the coming year unless every member of the family joins in a campaign to eliminate farm hazards, says County Agent Ernest Palmer.

Farm accidents have become so serious that President Truman has proclaimed July 21 to 27 as National Farm Safety Week. The President has urged every farmer to eliminate at least a hazard a day until all farms are as safe as they possible can be made.

Last year there were 16,000 accidental deaths and 1,600,000 non-fatal accidents among American farm people, according to a report recently issued by the National Safety Council. Among the farm accidents, farm fires alone cost $90,000,000 in property damage.

Farming is our most dangerous major industry, Mr. Palmer says. More deaths occurred in farm work than in any of the other seven major industries. The National Safety Council reports that agriculture had an accidental death rate of 93 per 100,000 workers compared with an all-industry rate of 31.

More farm residents are accidentally killed right in their own homes than in any other place on the farm. Outside the house, farm machinery cause the most fatal accidents. Livestock and falls follow close behind machinery in causing accidental injury and death on the farm, Mr. Palmer says.

Most farm accidents can be prevented, Mr. Palmer says, urging every Pennington county farm resident to eliminate all hazards on their farm during National Farm Safety Week.

HOW MANY LEAVES HAS LUCKY CLOVER?

Rochester—The April to October clover take of Mrs. Reuben Quandt in 1946 would make news in any newspaper. But when she tells of what she didn't take it makes more news. Mrs. Quandt during that summer picked 1,216 four-leaf clovers. Hundreds of five leaf clovers she says she did not pick because they are so unlucky as the four-leafers are. Then she also found 13 six-leaf and three seven leaf clovers. Unsettled question is how many leaves does a clover have?

ROCKET BOXES HELP IN LUMBER SHORTAGE

Madison—Lumber is no more plentiful here than elsewhere, but L. S. Oppegard is building a nice modern house, just the same. It will be roomy, solid, and insulated. The walls are government surplus rocket boxes. Minus bottom boards and stood one upon another, they make a sturdy wall with six inches of space, the width of the box for insulation.

Dancers at County Fair

Reo and Jardine, celebrated team of adagio and acrobatic dancers, are one of the outstanding features of the "Victory Vogues Revue of 1946," to be presented at the Pennington County fair in Thief River Falls, July 31-August 1, 2 and 3. These danseuses will contribute style, finesse and sparkle to the show, and will display their great versatility with presentations new and entirely different.

100 ALUMNI MEET AT N. W. SCHOOL

Plan Memorial for Fourteen War Dead

The alumni reunion at the Northwest School of Agriculture, Crookston, on Saturday, June 29, was declared a success in spite of the severe rain storms which swept the Red River Valley and Crookston vicinity. More than one-hundred alumni gathered for their class reunions during the day and the alumni dance in the evening.

Mrs. Silas Torvend of Silverton, Oregon, a member of the class of 1910, received the prize given to the earliest graduate present. Lt. and Mrs. Edson Washburn of Elsmor, California, won the flashlight awarded to the alumnus coming the greatest distance; runners-up for this award were Mrs. Silas Torvend of Silverton, Oregon, 1800 miles, and Mr. and Mrs. Murray Hales, class of 1918, who travelled 1,000 miles from Falconbridge, Ontario. Mr. and Mrs. B. Nornes of Beltrami received the nylon stocking award for the parents of the largest family present at the dance.

At the annual meeting of the Northwest School Alumni Association, the executive committee was authorized to draw up specifications for a suitable war memorial for the fourteen alumni and former students who lost their lives in World War II.

Russia, we are again reminded, now pays workers according to their worth. It will learn, in time, as others have, that some won't work that cheap.—Detroit News.

STATE FAIR TO FEATURE HOME FOOD CANNING

County Sweepstakes Contest to be Major Attraction at Fair

Canning and preservation of surplus foods from Victory gardens throughout the state will be the major feature of the woman's activity show at the Minnesota state fair, Aug. 24 to Sept. 2, Secretary Raymond A. Lee announces.

"Home canning is a main phase of a 2-front program of food conservation and production stressed by the 1946 fair to help feed a hungry world," Lee said. Not only is the agriculture department offering special prizes for Victory gardening but the woman's section is emphasizing preservation of surplus foods from these gardens."

Mrs. Verl E. Nicholson, Duluth, superintendent of woman's activities, said that prizes have been for all canned fruits and vegetables, *butters, jams, conserves and jellies* with $25.00 Victory bonds to be awarded grand sweepstakes winners in both fruit and vegetable classes.

Among other features of this year's fair will be the county sweepstakes "contest" in which only quilts winning first prizes at Minnesota 1945 and 1946 county and district fairs will be eligible for entry, Mrs. Nicholson said.

Special premium lists for all woman's activities may be obtained by addressing Minnesota State Fair, St. Paul 1.

LAST LAP OF LONG JOURNEY IN FAMILY CAR

Owatonna—After months of separation and weeks of eager anticipation, a mere rail strike wasn't going to keep Veteran William Lembke and his Belgian war bride apart. He drove to Chicago when the strike was called, found her and their tiny baby daughter, and brought them home ahead of the soon restored trains.

15 CAR DRIVERS TO VIE IN RACE MEET IN WARREN JULY 13

Speeders to Perform in Connection with Marshall County Fair

Fifteen of the United States best known dirt track automobile race drivers have entered in the national championship auto race meet at the Marshall county fair in Warren on Saturday afternoon. Jean Mandeloff, representative of the Racing Corporation of America, announced when he arrived in Warren Monday afternoon.

All drivers competing in the local meet drove in the big Iowa sweepstakes meet at DesMoines, Iowa where more than 25,000 people witnessed the Fourth of July afternoon program at the Iowa state fair grounds. Three or four of the cars and drivers also competed in the 500 mile Memorial Day race at Indianapolis.

The Marshall county track has been inspected by representatives of the International Motor Contest association and has met the stringent requirements of this association which has sanctioned the race. The track will be in the best of condition if dry weather prevails through Saturday.

11,305 Students Attend Summer Session at "U"

Veterans attending college under the GI and rehabilitation bills have swelled the University of Minnesota summer school enrollment this year to 11,305 students, highest summer registration in the history of the university. Students in the agriculture courses have increased 234 per cent over last summer, and 73 per cent of these are veterans. For the first summer session which opened June 19, there are 504 farm campus students, including 367 former servicemen. Predictions are that late registrations will bring the total first session enrollment close to 12,000. Veterans account for 62 per cent or 7,033 of the entire student body.

TED KUSMAK IS NEW CHAIRMAN OF COUNTY GOP

Other Officers Named Last Thursday Night at Pennington Convention

In a harmonious biennial Pennington county Republican convention held last Thursday evening in the Civic and Commerce room, Ted Kusmak of Thief River Falls, veteran of a long period of service in World War II, was elected to serve as county chairman for the ensuing two years, succeeding F. A. Rinkel.

Other officers elected by unanimous vote include Mrs. E. C. Karwand, retained in the office of county chairwoman; Lester Ihle, vice chairman; Mrs. Florence Anderson, vice chairwoman; Alvin Christofferson, secretary; and Stanley R. Dahlen, treasurer. The officers were authorized to name additional members to serve on the county executive committee.

Mr. Rinkel, retiring chairman, who presided over the convention was given a vote of thanks for his services during his term of office.

Delegates who attended the Ninth district convention in Bemidji July 13 were selected as well as a slate of names from which delegates and alternates to the state convention in Minneapolis September 14 will be selected.

Included were Mr. Kusmak and Mrs. Karwand, Paul Lundgren, A. B. McLaughlin, Mrs. J. M. Bishop, Mr. Quale, Alvin Christofferson, S. R. Dahlen, Frank Hardisty, Lester Ihle, Adolph Wold, Warren Johnson of Highlanding and Mrs. Florence Anderson.

Mr. Quale, chairman of the resolutions committee which also included Mrs. Bishop, Mr. Hardisty and Mr. Dahlen, submitted a series of resolutions, all of which were adopted by the convention.

Republican members of congress were commended for their efforts to enable American industry and agriculture to function independently again.

A pledge was given to veterans of World War II to do everything possible to remove the handicaps under which they are now trying to reestablish themselves in civil life and to work for a sound economic system.

Commended were the achievements of the state Republican administration and delegation in congress, as well as of leaders of the party's state organization.

The convention pledged its support to measures that will be beneficial to agriculture. It deplored the "policy of waste and extravagance which has been practiced by the Democratic national administration," and went on record against the loan to Great Britain.

BOY SCOUTS HOME FROM 10-DAY BIKE TRIP TO WINNIPEG

Report Little Trouble and Good Treatment on 527-mile Expedition

After completing a ten-day 527-mile bicycle jaunt that carried them to Winnipeg and back to Thief River Falls by way of Kenora, Ontario, and Lake of the Woods, fourteen local Boy Scouts, accompanied by Scoutmaster Morris Owen, arrived at their homes here last Thursday.

The boys returned in fine physical condition, the only casualties on the journey being five flat tires and a slightly mangled hand sustained by one of the boys when he attempted to feed a polar bear in Assiniboine Park, Winnipeg.

Carrying duffel bags weighing about fifty pounds, the scouts traveled 72 miles from Warren to Emerson in their longest one-day lap, while the hardest pedaling was in the hills from Reunie, Canada, to Kenora. They reported having received fine treatment all along the route from people they came in contact with.

QUALE IS ELECTED MEMBER OF STATE GOP COMMITTEE

Mrs. Karwand Is Named Vice Chairwoman at District Convention

At the biennial Republican Ninth district convention held Saturday in Bemidji, Theodore Quale was named one of two members from this district on the Republican state central committee. He succeeds A. O. Sletvold of Detroit Lakes.

H. C. Steining of Moorhead was reelected district chairman, and Mrs. H. H. Harding of Crookston chairwoman, with Mrs. E. C. Karwand of Thief River Falls as vice chairwoman.

Among resolutions adopted at the convention was one endorsing election by party designation of all state and county officials with the exception of district judges.

Delegates from Pennington county included Mr. Quale, Mrs. Karwand, Carl Christofferson, Mrs. J. M. Bishop and F. A. Rinkel.

UNION GOSPEL TENT MEETINGS TO START SUNDAY

JUNIOR CHAMBER GETS REPORTS ON WATER CARNIVAL

Civic and Commerce and Park Board Officers Are Guests Thursday Night

Members of the Junior Chamber of Commerce, meeting Thursday in the Palm Garden Cafe heard reports by nearly twenty chairmen of the various committees that functioned in connection with the highly successful water carnival in this city July 3 and 4. Glenn Christie, treasurer, also reported on the satisfactory financial outcome of the event.

Committee heads were requested by Arthur Christianson, president, to prepare written reports with suggestions for improving the water carnival in 1947, to be submitted at a meeting this evening.

Guests introduced at the meeting by Justus Larson and thanked for their contributions to the success of the carnival were L. B. Hartz and Russell E. Olson, respectively president and secretary of the Civic and Commerce association; Roy Barsen and Harry Simons, president and secretary of the park board; and N. A. Holen of the Times staff.

Mr. Hartz spoke briefly, commending the Jaycees for the manner in which they had staged the carnival, and solicited their support in future projects serving the best interests of the community.

Mr. Barsen expressed the assistance given by the Junior Chamber in attaining the long sought objective of a new bathhouse in Tindolph park.

RECRUITMENT FOR HARVEST BEGINS

County Agent and Job Office Seek Workers

A recent conference was held between E. A. Palmer, county agent; Vernon Riemers, farm help assistant, and E. C. Stonich, manager of the U. S. employment service office here to determine additional help needed in Pennington County to carry on harvesting and threshing.

Every effort will be made by the agricultural extension service and the U. S. employment service to supply necessary harvest hands.

Farmers should inform either the U. S. Employment service or the county agent immediately regarding their needs for additional help during harvest. Persons interested in harvest work are urged to register with either agency in this city.

P. W. MABEY, LONG TIME ATTORNEY IN CITY DIES MONDAY

Funeral Rites Friday Evening for Member of Pennington Co. Board

Perl W. Mabey, veteran local attorney since 1901, succumbed in a local hospital Monday afternoon following a brief illness, at the age of 70.

Services will be conducted at the Erickson and Lund Chapel Friday evening at 8 o'clock, with Rev. D. T. Beadle officiating, following which the body will be taken to Lake City for final rites and interment.

While not in the best of health, Mr. Mabey had been able last week to attend sessions of the Pennington county board, of which he was a member the past four years, as well as being a candidate for reelection in the election next November.

Born at Brainerd May 31, 1876, he moved as a child with his parents to Lake City, where he was married June 20, 1901, to Miss Maude Goff. That same year he had established his residence in Thief River Falls, and the family had lived here since.

Surviving his death are Mrs. Mabey and two sons, Morris of Santa Barbara, California, and Richard of this city. Also surviving are a brother, Harry Mabey, of Alberta, Canada, and three sisters, Mrs. Alice Lamb, Mrs. Jessie Munro and Miss Nell Mabey, all of Lake City. One sister and one brother preceded him in death.

PREMIUM LIST FOR 1946 FAIR OUT THIS WEEK

45th Annual Event Set for July 31-Aug. 1, 2, 3; Big Program Scheduled

Distribution during the weekend of copies of the premium list for exhibitors at the Pennington county fair July 31 and August 1, 2 and 3, served to remind citizens that the 45th annual exhibition is less than two weeks away.

The 24-page booklet, copies of which are available at the office of A. F. Berge, secretary, gives all pertinent information relating to the fair, and lists premiums offered to exhibitors in the various departments.

With a favorable growing season, the outlook is for a better-than-usual array of exhibits of garden, truck and field crops this year.

Due to the fact that the premium list was printed before orders were received from the state livestock sanitary board to cancel exhibits in the poultry department owing to a state-wide quarantine, the poultry department is listed in the book. However, no entries will be received in this division, it was announced.

Wednesday, July 31, has been designated as Entry Day for exhibitors, while Thursday, August 1, will be Thief River Falls Day, with all local stores closed during the afternoon.

Supplying the entertainment in front of the grandstand each evening will be the snappy revue, "Victory Vogues of 1946," supplemented by a dozen outstanding circus and vaudeville acts.

A special treat for spectators will be provided Saturday afternoon, August 3, in the form of a thrill show by Jimmy Lynch and Maizie Goff. This same pair has had established his residence in Thief River Falls, and the family had lived here since.

Surviving his death are Mrs. Mabey and two sons, Morris of Santa Barbara, California, and Richard of this city. Also surviving are a brother, Harry Mabey, of Alberta, Canada, and three sisters, Mrs. Alice Lamb, Mrs. Jessie Munro and Miss Nell Mabey, all of Lake City. One sister and one brother preceded him in death.

FIRE INSPECTION BUREAU SUGGESTS CHANGES IN CITY

Makes Recommendations for Improvements in Fire Prevention Here

A half-dozen recommendations designed to improve the fire protection situation in Thief River Falls are contained in a report by the Fire Underwriters Inspection Bureau in Minneapolis, following an inspection of water supply and other facilities in the city in June.

Among the recommendations were the following:

Expansion of the water filtration plant equipment to provide an adequate supply for both fire-fighting and domestic consumption.

Provide a second eight-inch water main to the east side residence district and additional eight and six-inch mains elsewhere.

Arrange for five members of the volunteer fire department to sleep in the fire station at night, and establish civil service regulations for full-time paid members.

Provide a ladder truck.

Revise ordinances relating to building construction and fire prevention and establish a fire prevention bureau.

Replace the present air whistle with an electric siren.

Mayor's Library Board Appointments Approved

Thru a typographical error, the article in last week's issue pertaining to Tuesday's city council meeting did not make clear that appointments by Mayor W. J. Douville were made to the Carnegie library board. Appointed were Otis L. Wold to succeed himself, and Philip Bryant and L. S. Hess to succeed A. F. Berge and Archie Henrrod.

COMMITTEE ON STATE SCHOOL STUDIES SITES

Commission Appears to Be Favorably Impressed by Possibilities Here.

The commission appointed by the 1945 legislature to recommend a site for the proposed school for the feeble-minded to be erected in Northern Minnesota visited Thief River Falls last Thursday afternoon in the course of a tour of inspection to more than twenty communities.

Members of the commission include Lars Bondhus, Austin, chairman; Carl H. Swanson, St. Paul, state director of public institutions, secretary; John W. Padden, Crookston; Mrs. A. C. Carlson, Willmar; and Cyrus A. Field, Fergus Falls. Accompanying the group was Mr. McMillan of St. Paul, soils expert, who made tests of the soil on the various tracts.

A party of local citizens, headed by Robert J. Lund, chairman of the Civic and Commerce association on state institutions, escorted the commission members thruout the city, and reported the visitors appeared to be favorably impressed by the facilities Thief River Falls offers in respect to schools, churches, hospitals, transportation and other details.

As a suggested site for the state institution, the commission members were shown the V. C. Noper and Barsen farms, a combined tract of approximately 800 acres adjoining the city on the west. Tests made by Mr. McMillan showed the soil to be excellent, and well adapted to the state's policy of having the institution as nearly self-sustaining as possible in respect to foodstuffs.

After completing its tour, the commission will draft a report with recommendations for submission to the 1947 session of the state legislature.

Members of Mr. Lund's committee, which served as escort to the commission, included F. A. Rinkel, L. B Hartz, A. F. Berge, W. E. Dahlquist, Ray W. Hailes, Mrs. E. C. Karwasd, Shiatt McLeod, Russell E. Olson, Roy Herzen, Ole Ekeren, H. O. Chommie, Ernest Palmer, Lester Ihle and M. C. Gulbranson.

MARTIN ROCKSTAD DIES HERE MONDAY IN HIS 100TH YEAR

Had Been One of First Settlers in What Is Now Rocksbury Township

Martin Christ Rockstad, 99 years 8 months old, died Monday, July 15 in this city. Funeral services were held Wednesday in the Gulbranson Chapel with Rev. Walter Pederson officiating. Interment was made in Greenwood cemetery.

Mr. Rockstad was born in Oslo, Norway on November 7, 1846. When he was seven years old he moved to this country with his parent and six brothers, settling near Hudson, Wisconsin. He married Caroline Elizabeth Morgan, daughter of Dr. Morgan of the state of Virginia. To this union were born six daughters and seven sons, four having died in infancy.

Mr. Rockstad was one of the first settlers of Rockstad township, the name later being changed to Rocksbury township. He and his brother Charles had the first post office in this township.

For the past two years he has made his home with his daughter Mrs. Kennedy where he passed away only four months before reaching his 100th birthday.

Surviving his death are, two daughters, Mrs. Ella Kennecy of this city, Mrs. Evangeline Matsen of Green, Minnesota; three sons Frank of Big Falls, Minn. Charley of Springfield, and Fred of Fergus Falls; as well as 18 great grandchildren. He was preceded in death by his wife, four sons and four daughters.

Church Wedding Unites Darlene Edwards and Stanley N. Mortenson

Using a wedding date that is traditional in the groom's family, Miss Darlene Edwards and Stanley Mortenson exchanged wedding vows last evening at 8 o'clock in Zion lutheran church with 200 invited guests in attendance. Rev. Walter Pedersen officiated at the double ring candlelight ceremony.

The bride, who is a granddaughter of Mr. and Mrs. Paul Quinlog, was attended by her aunt, Miss Agnes Quinlog, while Little Linda Ann Gustafson and Faoricia Jean Tiedeman were flower girls. The groom's best-man was Kendall Gustafson, while Norman Peterson and Gordon Reierson served as ushers.

Miss Harriet Haugen, at the organ, played a program of nuptial music before the ceremony including "Because" from "Jocelyn", "Ave Maria", and Chopin's "Nocturne in Eb Minor", and she used the traditional wedding marches. Miss Marian Swanson, a close friend of the bride, presented two vocal selections including "The Lord's Prayer" and "Because", both girls were pastel formals and had gardenia corsages.

Miss Edwards, on the arm of her grandfather, had a wedding gown of ivory satin styled with long sleeves, dropped shoulders, and lace yoke set on a band embroidered with seed pearls and white sequins. Her fingertip veil of imported illusion edged with lace was caught with a tiara of seed pearls, and she carried a cascade bouquet of white roses and lilies of the valley. As "something borrowed", Miss Edwards had a pearl "choker" of her aunt and for "something blue" she carried a blue handkerchief belonging to Mrs. C. W. Mattson. The groom's gift, an aquamarine bracelet, was her only other ornament.

Miss Quinlog's costume was of ice-blue silk jersey designed with dropped shoulder effect with net extending to the jewelry neckline. She carried a crescent bouquet of white roses and wore a pearl and gold choker, a gift from the bride. A crescent hat of sheer straw and frilly mesh gloves completed her ensemble.

The flower girls had identical aqua formals and carried all white colonial bouquets. For her granddaughter's wedding Mrs. Quinlog wore a lilac two-piece dress with accessories, while Mrs. Lundgren had navy blue sheer with white accessories. They had corsages of gardenias and roses, respectively.

Congratulations were extended and gifts displayed at a reception in the church parlors, at which 185 were in attendance. The bridal table was centered by a three-tiered all-white wedding cake topped with bridal figurines, and attending that table were Misses Beatta Mattson and Kathryn Vorachek. Misses Burnes Larson, Ethel Furuseth, Elaine Bessler and Dorothy Batten, dressed in pastel formals, assisted with the serving, while Elizabeth Hatch cut the cake and Mrs. Norman Peterson and Maxine Swanson poured. The guests were served buffet style.

Mr. and Mrs. Mortenson left on a wedding trip to Brainerd and will return about August 1st to make their home in this city. For her going-away outfit, the bride chose a pink dress with white coat and accessories.

The bride is a graduate of Lincoln high school in 1942. The groom, son of Mr. and Mrs. Pete Lundgren, attended Gustav Adolphus 1936-1938 and the University of Minnesota from 1938 to 1944, and is now practicing law in this city.

The Prairie View Community Club will meet in their club hall Friday, July 19. Bill Barra and Egbert Malberge are on the program and lunch committee.

Marjorie Hellquist and Robert C. Cordry United In Marriage July 14

Marriage vows were spoken in the First Lutheran church, Sunday July 14 at 4 p. m., by Marjorie Hellquist, daughter of Mr. and Mrs. C. E. Hellquist and Robert C. Cordry, son of Mr. and Mrs. Clyde C. Cordry of Pomona, Calif. Rev. Carl F. Johnson performed the single ring ritual amidst baskets of gladioli and garden flowers and palms. Music was furnished by Mr. H. F. Harrison, and Walter Ekeron sang, "I Love Thee" by Grieg and "The Lord's Prayer."

The bride, given in marriage by her father, was dressed in a floor length skirt of white net over taffetta and a bodice of eyelet organdy and a ruffled yoke and long sleeves. The fingertip length tulle veil was designed and made by the sister of the bride, Mrs. Hilding G. Peterson of Wilmette, Ill. The eyelet organdy of the gown was repeated in the ruffle of the veil which framed the face. The bridal bouquet consisted of sweetheart roses, daises and gypsophila with ribbons falling from the bouquet.

Mrs. E. N. Hellquist of Houghton, Michigan, sister-in-law of the bride acted as matron of honor, gowned in a floor length blue marquisette dress with lace inserts at the waist and sleeves and a sweetheart neckline. She carried gladioli, and daisas with ribbon streamers.

Miss Hildegard Green and Miss Bonnie Rennie, the two bridesmaids were both gowned in pink marquisette dresses with sweetheart necklines.

The groom was attended by Leonard Hellquist, brother of the bride. Ernest Hellquist and Vernon Ostrom served as ushers.

A reception was held at the bride's home, given by her parents, Mrs. E. E. Hellquist, sister-in-law of the bride poured and Miss Kathryn Granum, Miss Doreen Dorn and Miss Ardith Burrell, all friends of the bride, acted as hostesses.

The couple left for Minnesota Lake to spend a few days.

Vows Spoken June 22 By Miss Vivian Whiting And E. Wayne Chase

Miss Vivian Whiting, daughter of Mr. and Mrs. C. E. Whiting, formerly of this city and C. Wayne Chase, son of Mr. and Mrs. Ray V. Chase of Klamath Falls, Oregon were united in marriage in Klamath Falls on June 22 at 4 p. m. in a double ring ceremony performed by the Rev. Victor A. Schulze.

Vows were exchanged before the fireplace in the living room of the bride's sister and brother-in-law, Mr. and Mrs. W. H. Roemhildt. The bride's only attendant was her sister, Mrs. Roemhildt, and William Preston King, of Weed, California, was best man.

Immediately following the ceremony, a reception was held for a few close relatives and friends.

The bride is well known in this city, as she attendeded the local schools and made her home here until two years ago when she left to accept a position in Klamath Falls. The groom was discharged from the U. S. Navy this spring after having spent three years in overseas duty. The couple will reside at the Walnut Apartments, Klamath Falls.

St. Paul Wedding For Marilyn Noper And Bruce Byron Harding

Miss Marilyn Marie Noper, daughter of Mr. and Mrs. V. C. Noper and Bruce Byron Harding, son of Mr. and Mrs. Seth Harding of Willmar spoke marriage vows in the St. Anthony Park Methodist church in St. Paul, July 7, at 4 p. m. Rev. Wilber D. Grose performed the double ring ceremony.

The alter of the church was decorated with candelabra and garden flowers of gladioli, delphiniums, snapdragons and daisies.

Mrs. Frank Steinhauer of St. Paul played the pre-nuptial music and the traditional wedding marches. Vocal selections were rendered by a cousin of the bride, Mrs. Evonn McKercher.

The bride, given in marriage by her father, was attired in a lovely white taffeta gown with a fitted bodice, buttoned to the waist in back and with long sleeves with points at the wrist, a full skirt with a four foot train, and low shoulder yoke designed with trapunto embroidery. The fingertip veil of net was held in place by a crown designed with trapunto embroidery to match the dress. The bride made her entire costume. She had as her jewelry, pearls and carried white roses and gladioli with a detachable corsage of roses.

Attending the bride was Mrs. Ardith Schultz Force, as matron of honor, a close friend of the bridegroom who was gowned in a white marquisette over taffeta with low shoulder yoke, fitted bodice and full skirt, made from the same pattern as the bride's. She wore a large brimmed hat of marquisette, and pearls. She carried a bouquet of Joanna hill roses and orchid gladioli.

The bride had Lois Dennstedt, a college sorority sister, attending her also.

Pamela McNeilly, niece of the bride, was flower girl and was dressed in an identical costume as that of the bridesmaid.

The groom was attended by his brother Charles C. Harding of Willmar.

A reception for 100 guests was held in the church, given by Mr. and Mrs. V. C. Noper. A reception line was formed with a background of garden flowers. The wedding cake was a three tiered cake decorated in white and adorned with a white wedding bell. Refreshments were revered by the bride's sorority sisters, Misses Helen Johnson, Evelyn Horne, Judy Potter, and Lola Rainey. Coffee was poured by Mrs. Florence Foster, house mother, and Lucille Fitzsimons, at the entrance of the guest book.

The couple left on a wedding trip to Lake Bemidji for a week.

Mr. and Mrs. Paul Lundgren entertained Monday evening at 6:30 p. m. in the Florentine room of the Evelyn Hotel in honor of Miss Darleen Edwards and Stanley Mortensen and other members of their bridal party.

The table was decorated in blue and white with delphiniums centering the table and a blue and yellow nut basket as added attraction.

Included on the guest list were, Mr and Mrs. Paul Quinlog, Miss Agnes Quinlog, Mr. and Mrs. Kendall Gustafson and daughter Linda, Mr. and Mrs. Norman Peterson, Mr and Mrs. Ardell Tiedeman and daughter Patricia, Maxine Swanson, Harriet Haugen, Marion Swanson, Rev. and Mrs. Walter Pederson and Gordon Reierson.

Cooking Macaroni

When cooking macaroni, spaghetti or noodles, put two to three quarts of boiling water and one tablespoon salt into a four-quart size pan. This is for four ounces of the macaroni, spaghetti or noodles. With water at bubbling point, gradually add the spaghetti so as to keep water actively boiling. Leave pan uncovered. If the macaroni of spaghetti or noodles tend to stick to the bottom of the pan, loosen them gently with a wooden spoon or a spatula after they have cooked about three minutes.

GIRL SCOUT NOTES

Girl Scouts of Senior Patrol 32 are making pins and plaques which they will sell at their booth at the Pennington county fair July 31-August 1, 2 and 3. The proceeds will be set aside in the treasury to aid in financing the trip to Yellowstone national park, which they are planning for next summer.

Washing Woolens

With care, many woolens can be washed successfully but one rule will not guarantee success at all times. For best results use lukewarm water, a very short washing time, and mild soap. Shrinking and felting are caused by hot water, alkali and agitation. Controlling these conditions will give the best results possible, but woolens are unpredictable and water alone with no soap or washing action will cause many of them to shrink. Manufacturer's directions should be followed on this question of washing all woolens.

Wild Ducks

Wild ducks are apt to have a fishy flavor. This flavor may be lessened by placing in each duck a small peeled carrot, plunging the fowls in boiling water, and simmering for 10 minutes before roasting them. The carrot will absorb the off-flavor and should be removed before stuffing the duck with the dressing. If ducks have little fat, rub some type of fat into the breast before roasting.

North is South

Magnetically speaking, mariners throughout the centuries who have set a northward course by heading where the compass needle points have really been travelling "south," according to Ships magazine. The compass needle is a magnet; so is the earth. In magnetic forces, opposite poles attract. Thus the earth's pole which attracts the north-seeking end of the needle is actually a south pole. We started calling it the north magnetic pole simply because it happened to be near the globe's geographic north.

RECORD CROWD AT MARSHALL FAIR

Ideal Weather Favors Warren Event Last Week

All attendance records were smashed at the 40th annual Marshall county fair which came to a successful close late Saturday night with an estimated crowd of 15,000 people on the grounds during the three day run, says the Warren Sheaf.

Ideal weather prevailed during all three days and nights which coupled with outstanding programs brought out the new record establishing crowds in the exposition. Receipts for this year far surpass receipts from any previous exposition and the association continues its policy of a free gate for all children under 12 years.

A tremendous crowd packed the grounds on Friday evening. The grandstand was filled to capacity and the overflow crowd filled the concourse bleachers and chairs which were hurriedly set up. Several hundreds also stood up during the lengthy performance.

There were also more than 2,000 people patronizing the Badger State Shows on the midway while the grandstand gate were going on. Another large crowd was on hand for the final performance on Saturday afternoon and night which helped to swell the attendance figures for the three day run. The attendance on opening night was small.

"While receipts for this year's operation will reach a new high figure, expenses are also considerably higher, but when all outstanding accounts have been paid a sizable profit should be earned," said W. R. Holbrook, secretary.

Grocery Stores

Over 38,000 grocery stores closed during the war, statistics reveal. The peak in number of stores was reached in third quarter, 1941, when the number was 347,000. In the second quarter of 1946, the figure was 289,000.

MEASUREMENTS

The judge in a murder trial, in which it had been ascertained that the victim had been slain with a rock, wanted to find out the size of the murder-tool and asked the defendant:

"Would you say that the rock was as large as my fist?"

"Yes'er, Judge," the defendant replied, "I 'spects it was a little bigger'n dat."

"Was it as large as my two fists?" the judge asked.

"Yes'er, Judge," the defendant replied. "I 'spects it was a little bigger dan dat."

"Was it as large as *my head*?" the judge queried.

"Judge," he answered, "it was as long but I don't think 'twas quite as thick."

Gold Output

In the last 50 years, South Africa's gold output totaled several billion dollars. Before the war this highly organized and mechanized industry was producing as much as 300 tons of gold a year. The particles of gold mined are so small as to be hardly visible, and are distributed through rock that must be crushed. It takes 125,000 tons of rock to yield a ton of gold.

KARLSTAD MAN IS FOUND DEAD AFTER WANDERING AWAY

Paul O. Sanderson, 79, Missing Since July 10, Found Near Home Monday

The body of Paul O. Sanderson, 79, who had been wandering in the wooded country near Karlstad since July 10, was found at 11:30 p. m. Monday scarcely a mile from his home.

The body was found by a posse of 25 men who had set out in a concentrated search of the area after Sanderson's shoes had been found a few hours earlier 20 rods farther away.

His body, still slightly warm, was found in a thicket. Corner Andy Larson of Kittson county said death had taken place not more than 24 hours before the body was found. A depression in the grass nearby was believed to have been where he slept the previous night.

Sanderson had wandered away from his home in Karlstad on two other occasions, but had been located quickly by members of his family. This time, however he left the house to get the mail on July 10, after he had eaten a bowl of breakfast food and did not return.

The family contacted Sheriff Oscar Pearson of Kittson county who notified other authorities and a search had been under way since Sunday, when notice that he had been missing was published, 400 volunteers searched in every direction from town. The Ladies Aid, meanwhile, served meals throughout his day at the Sanderson home for the searchers.

Tuesday, V. F. W. vs. Bjorkman's.

The league-leading Vets and the runner-up Oen's continue to pace the softball league with both teams scoring wins in the week's play.

On Friday night the Hartz nine, with Gordy Kaushagen striking out fifteen batters and allowing but eight hits, defeated the Bjorkman's team, 15 to 12, in an exciting but erratic game. The win boosted the Hartz team into third place in the league standings.

Monday night's game between the V. F. W. and Ernie Hellquist's Bridgeman's team found the powerful Vets pushing across eight runs in the 1st inning, getting five hits and taking advantage of three Bridgeman errors. The Vets added five runs in the 4th inning, when Berdeen Nornes poled out a homerun with the bases loaded.

On Tuesday night, the Oen's scored their second shutout of the year over the Bjorkman's when Slit Reierson pitched two-hit ball. Oen's tallied three unearned runs in the 3rd inning, two unearned runs in the 6th, and another unearned run in the 8th inning. Woody Almquist hit a long centerfield homerun in the 3rd inning, but the side should have been retired on the previous play when Johnson muffed Hanlan Olson's high fly. The only hits racked up off Milt Reierson's delivery were a pair of singles by Lloyd and Vern Mortrud.

In their Monday night game against Bridgeman's, the Vets infield completed two fast double plays, shortstop to second base to first base.

MONARCH IS DEAD! LONG LIVE THE REPUBLIC! . . . Italians greeted the death of the Monarchy and the birth of the new republic in various ways. This republican crowd in Milan, Italy, showed its sentiments by making a bonfire of pamphlets bearing the monarchial flag. There were several clashes between monarchists and republicans following election and exile of King Humbert to Portugal.

Leftover Serving

Cut tops from hard dinner rolls, scoop out centers and fill with left-over meat mixture. Replace top. Pour gravy over rolls and heat in oven.

Produce Caffeine

Most of the caffeine produced in this country is derived through theobromine, a substance contained in cacao beans and chocolate, which formerly was brought in from South America in considerable quantities but which is now provided here. Tea wastes are the largest single source of caffeine in domestic solvent extraction processes, being far more important than coffee, which provides the chemical through decaffeination.

With the exception of the few foods directly effected by the withdrawal of subsidies there has been little change in retail prices since OPA ceased operations. Dairy products, meats and flour have made substantial increases however and the increases in the cost of these items have resulted in many protests from consumers. These protests were prompted to a large extent by the suddenness of the cost increases. Had they come more gradually they probably would have occasioned less resentment. Where food prices will go from here will depend in part on what Congress does about restoring controls but more on the result of the harvest and the adequacy of the world food supply. Government reports indicate very favorable crop prospects at this time and we might have some surpluses again. On this question of food costs let's keep in mind the fact that as a community and as a state we are favored when farm products bring high prices.

An in-the-air explosion of an atom bomb over Bikini has been written into the record as a successful experiment and tomorrow we will hear reports on the results of a similar explosion under the water. In the meantime the argument continues about how the secret of this much publicized power should be handled with no apparent progress being made toward a solution. We have an idea that in the not-too-distant future the Russians will announce an experiment with an atom bomb of their own development, and then we will know that our carefully guarded secret is a secret no longer. Perhaps then it will be easier to come to some understanding as to what should be done about it.

Housewives may get some encouragement from reports of a record pack of canned fruits and vegetables. With Uncle Sam out of the picture as a competitor the consumer will have more canned goods than ever during the coming year and, because of shortages of meats and dairy products, it is expected that more canned fruits and vegetables will be consumed this next year than ever before.

When beefsteak costs more we all feel it. Far more serious than the increased cost of beefsteak, from the standpoint of its ultimate effects, is the increased cost of homes but of this increased cost there is little complaint. The high priced meat we buy today will not be a matter of great concern a few years from now when we may be buying our meat cheaper. But the homes for which we are paying inflated prices at the present time will be a burden that will break the backs of many at some future date. It was not the high price of food in 1919 that caused our bank failures in the twenties. It was inflated real estate, bought with promises to pay, that did the damage. Now, with easy money, is the time to pay old debts. It is not a good time to contract new debts and those who buy on contracts to pay that extend over a long period of time are likely to regret their bargain.

Doc. Billings is making an inspection trip of our turkey flocks and brings in very favorable reports on the good job our turkey growers are doing. Doc. has a soft spot in his heart for this territory. It rightfully is a matter of personal pride with him to see the community make progress with a program that he inaugurated here many years ago. Recognized nationally as an authority in his field, he has had occasion to observe the problems of turkey growers in many parts of the country and he assures us that there is no territory better suited for the growing of turkeys than this corner of Minnesota. His advice is that we stay with turkeys year in and year out regardless of market fluctuations or other discouragements. Year in and year out we will grow turkeys cheaper here than they can be grown any place else, he says, and that is the kind of a crop we should tie to. We are glad to pass his advice along.

Baked Apples

For baked apples, select sound fruit. Wash, core and cover with a mixture of sugar and water to satisfy individual's taste. Bake until only one-fourth done, then place in No. 2 Re-enameled cans to within one-half inch of top. Cover with the sweetened juice to fill can. Seal immediately and process for 25 minutes in boiling hot water bath. Cool quickly, dry and label.

Better Light

Did you know that a 100 watt electric light bulb will give you 30 per cent more light than four 25 watt bulbs yet uses the same amount of current? Or that bulbs will give you better light if you wash them off with a soapy cloth regularly once a week? Don't fail also to wash the reflector globes of your lamps.

HOW TO MEASURE *Advertising Values*

WE ASK advertisers to think of the circulation of this newspaper in terms of the distribution of their advertising—the size, quality and interest of the audience to which their advertising is addressed. From that viewpoint our circulation becomes a more direct factor in business plans.

There are well-known standards for circulation values just as there are definite measures of weight and quality as used in the purchase and sale of merchandise.

The standards for evaluating circulation have been established by the Audit Bureau of Circulations, a national cooperative association of 2000 advertisers, advertising agencies and publishers in the United States and Canada. This newspaper is an A.B.C. member.

The Bureau has a large staff of experienced auditors and each year one of these men visits our office and makes an audit of our circulation records. Based on the information thus secured, the Bureau issues official A.B.C. Audit Reports.

These reports tell how much circulation we have, where and how it is distributed, how much people paid (important because paid circulation proves reader interest) and many other facts that make it possible to invest in newspaper advertising on the basis of known values.

For complete and verified information about the distribution of your advertising when it appears in this newspaper ask us for A. B. C. reports.

THIEF RIVER FALLS TIMES

This newspaper is a member of the Audit Bureau of Circulations. Ask for a copy of our latest A. B. C. report giving audited facts and figures about our circulation.

TRF JUNIORS ARE LOSERS SUNDAY IN SUBDISTRICT

Oslo Juniors to Enter District Tourney at Detroit Lakes This Week

The Oslo junior baseball team, by defeating the locals in the subdistrict finals at Warren on Sunday, will represent this territory in the district tournament being played at Detroit Lakes this weekend. In semi-final games played on Sunday, Oslo eliminated Lake Bronson, and the local nine, by a 13 to 10 score, defeated the Lancaster team.

Coach Welton's team, with Don Perkins pitching, gained an early lead in the contest against Lancaster, picking up four runs in the first inning. After scoring a lone run in the 2nd frame, the locals added five runs in the 3rd inning, to hold a 10 to 2 lead. Perkins began to lose his "control" in the 5th and 6th innings, with Lancaster tallying three runs in the 5th and five runs in the 6th, and forcing Perkins off the mound. Left-hander "Abe" Hanson took over the pitching duties in the final inning.

In the finals contest against Oslo, the local had "Swede" Lund on the mound, facing Oslo's "Sleepy" McGowan. After a scoreless first inning, Oslo, on walks to Johnson and Enge, and hits by Sather, Robinson, Ron and Rod Mendick, marked up four runs. And added a pair of counters *in the 3rd inning, on passes to* McGowan and Enge, and hits by Bob Robinson and Ron Mendick, giving Jack Hilden's team a 6 to 0 lead.

The locals broke into the scoring column in the 4th inning, with Swede Lund poling out a double and scoring when short stop booted LaSalle's ground ball. The juniors second, and final, run was credited to catcher Larry Hylden in the 7th inning, with Larry slapping out a base hit and then coming around to score on a stolen base and on infield out.

Oslo clinched the game with a four-run cluster in the 6th inning, and then closing out their scoring with a single tally in the 6th inning. Don Perkins had replaced Lund on the mound for the locals in the 6th, but the big right-hander was troubled by lack of control and the walks he issued were factors in the scores racked up by the winners.

Locals Whip St. Hilaire and Rank 1st in League

The local nine gained first place in the Northern Minnesota league standings and, depending upon the outcome of the Red Lake Falls vs. St. Hilaire game on Sunday, clinched at least a tie for the league championship by scoring a decisive 11 to 0 win over St. Hilaire on Sunday.

Red Lake Falls and St. Hilaire are playing off a postponed game on Sunday and if St. Hilaire, as expected, is victorious, the Saints will move into a deadlock for the league title, forcing a play-off game. Present plans call for the championship game to be played here on July 28th.

Sunday's game at St. Hilaire was, for seven innings, a tense duel between Hemmy Sahl and Woody Almquist with the locals, getting an un-earned run in the 2nd frame, holding a 1 to0 lead. Lou Benson opened the inning with a walk, but was forced at second on Wally DuChamp's ground ball. Johnny Jaranson was safe on a fielder's choice and when the short-stop made a bad throw in attempting to get Wally at second base there were two men on base with one out. Jesse DuChamp grounded to Klen Gigstad, and the second baseman tagged Jaranson on the line for a putout, but then made a high throw to first base on a try for a double play, with Wally DuChamp scoring.

In the big 7th inning, Jaranson was hit by pitched ball; Jess DuChamp was safe on an infield hit, but Jaranson was tagged out at third in trying to gain an extra base on a loose ball. Bob Carlson drew a walk, with Jesse DuChamp advancing to second. Al Thompson bobbled Sahl's ground ball, with Jess DuChamp scoring. After Milt Reierson had struck out, Clarence Rasmussen, who was the game's hitting star with a pair of triples and a single, shot a single into left field, scoring Carlson. Blackie Stephens doubled along the right field foul line, scoring Sahl and Rasmussen, and Benson's right field single tallied Stephens with the inning's fifth run.

The locals added another five-run cluster in the 8th inning, with two hit batsman, two singles, an error, and Rasmussen's triple with the bases loaded, being the factors in the scoring.

Hemmy Sahl had nine strikeouts, issued a pair of walks, and gave up but five hits; while the Woody Almquist, struck out five batters, walked three men, and hit three batsman. Four of the hits that the locals collected off *Almquist's delivery* were of the scratch variety, and with better support the locals would have been hard-pressed to score their win. Rasmussen, the locals' third baseman, shared starring honors with pitcher Sahl, for the rifle-armed infielder played a spectacular game on defense and, in the 8th inning, poled out a terrific triple to deep center field.

Lions Club Again Loses to Rotary in Interclub Tourney Tuesday Night

In the annual Rotary-Lions golf tournament Tuesday night, at which the Rotarians were hosts, the Rotary club maintained its past record by again winning the tin can trophy. Approximately 25 golfers took part in the tourney, and a larger number enjoyed supper served in the club house by the Evelyn hotel staff. Prizes were awarded to Paul Mellby, member of the Angola, Indiana, Rotary club, who turned in the low gross score of 38, and to Rotarian F. P. Tunberg for the low net score of 32, allowing for a 7 handicap.

Team Match

With the senior ball team having an open date, and the juniors having completed their season by losing to Oslo in the sub-district finals last Sunday, the only athletic activity around here on Sunday will be the team match between the Crookston golfers and the local golfers, and the softball game at Rocksbury between Glenn "Tooney" Carlson's team and the Rocksbury nine.

A couple of weeks ago in a match played at Crookston, the Crookston team defeated the local golfers by a point, 9½ to 8½, but Vic Jung expects to reverse that decision on Sunday, explaining that he will have a stronger lineup to toss against Ernotte Hiller's Crookston team. It appears to be a toss-up and the matches should be interesting, especially that number one match, with Ernotte Hiller pitted against Vic.

A number of young fellows around here, several of the ball players, have taken to playing golf, and it would be to their advantage if they would take a trip out to the club on Sunday and watch some of the golfers perform. They can get a number of pointers by watching Crookston's Hiller, for the former Minnesota golf captain doesn't waste any motions in his game. He ups to the ball and poles it out.

Bobby DuChamp, Juel Stadum, Hemmy Sahl, Happy Erickson, Jess and Wally DuChamp, who are in their first stage as golf players, have been turning in some exceptional scores, but it is learned that the boys have been conceding all putts of five feet or under. If they study Vic Jung's game on Sunday they discover that if they can putt like Vic they won't have to concede those "short" five-footers.

A Fine Win

That 11to 0 victory that the locals scored over St. Hilaire on Sunday, and which gave manager Jaranson's team a certain tie for the league championship, was beyond all the expectations of the fans. That top-heavy score, though, isn't any indication of the trend of the game for the 2 teams played more even terms than a 11 to 0 basis. The fact is, the actual score could have been 4 to 1, for the locals tallied only four earned runs off Woody Almquist, and those scores were marked up in the 8th inning when Woody appeared tired and hit a couple of batters, walked a man, and then "Ras" connected with a triple. In the 2nd inning, St. Hilaire had men on first and third and no one out, and yet weren't able to score, Catcher Lqule Benson's quick throw to Johnny Jaranson, erasing Arlo Jacobson on a steal try, removed some of the pressure. Rasmussen, who was playing all over the infield, then picked up a ground ball, held Almquist at third and then whipped the ball to Stephens for an out. The next batter grounded out, Jess DuChamp to Stephens. Nifty defensive work, that is.

And so a championship play-off is on the schedule. That is, of course, if St. Hilaire is victorious over Red Lake Falls on Sunday. That win for the Saints isn't a certainty for Woody Almquist has a baddly strained arm and there is a question if he will be able to pitch on Sunday, or if he starts, if he will be able to go all the way. It's been apparent that Woody has been troubled with a sore arm, for he has been using more curves and change-of-pace balls than he customarily throws in a game, and that he has been wearing his fast ball. Let's hope that St. Hilaire wins on Sunday, for that will give us a bang-up play-off game here on the 28th.

A Tough Loss

While it was a "tough" one for the local juniors to lose, that 11 to 2 defeat by Oslo in the sub-district finals at Warren on Sunday was perhaps a "tonic" for junior baseball. On their season's record Coach Welton's team is en a par, and maybe a bit stronger than Jack Hilden's Oslo nine and in a series of games the locals probably win the majority of the contests, but on Sunday the boys appeared to be fighting themselves and tightening up in their play. And when a pair of close decisions went against the locals, the boys appeared to lose their poise.

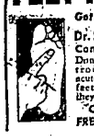
MONTGOMERY WARD

GRYGLA

Funeral rites were held at the Bethel Lutheran church of Grygla on Friday afternoon for Gunder Halverson, who passed away at a Thief River Falls hospital on July 8. Rev. Martin Uhlir officiated at the funeral.

Besides floral offerings there were several memorial gifts to charities in honor of the deceased. Special singing included two songs by Mrs. Clifford Rude and Mrs. Laurence Heasy, accompanied at the church organ by Mrs. Morris Stenberg. Interment was made in the St. Olaf cemetery.



Gunder Halverson, son of Mr. and Mrs. Halvor Torjerson, was born in Pope County, Minnesota on December 31, 1874, where he grew to manhood. He came to the vicinity of Grand Forks as a young man and worked as a farm hand for a few years, in 1897 he filed on a homestead in Valley Township, Marshall county. In 1911 he was united in marriage to Josie Hauglund in Thief River Falls.

The family moved to Grygla in 1919 where they lived until 1927, at that time they moved to International Falls where Mrs. Halverson passed away in 1929. After her death the family moved back to Grygla where Mr. Halverson resided until the fall of 1942 when ill health made it impossible to live alone. Since that time he has made his home with a niece, Mrs. Adolph Iverson of Goodridge. He passed away at the age of 74 years, 6 months, and 7 days.

Left to mourn his passing are four sons, Caden of Red Lake Falls, Tillman of the U. S. Navy, stationed in Washington, D. C., Stanley of St. Thomas, N. D., and Arne Orvin of Grygla; and one sister, Mrs. Knute Sordahl of St. Hilaire. He was preceded in death by his wife and one daughter.

Out of town relatives who attended his funeral besides his sons were Mrs. Knute Sordahl and Clarence Janet and Clarice Sordahl all of St. Hilaire, Mrs. Andrew Gilbertson and Leo Ellingson of Highland; Mr. and Mrs. Adolph Iverson and family of Goodridge.

HIGH LIVING HAS ITS DRAWBACKS

Farmington.—Seven falls in 23 years probably have used up seven of the nine lives of Eugene C. Norten, steeplejack who recently repaired and painted the Lakeville water tower. At 44 he claims to be one of only 61 fully qualified in his profession now left in the United States. Since 1922 in 1949. He's had risky assignments from British parliament buildings and Mormon temples to radio towers on icebergs, and his hardest falls have been 61 on ice and 81 feet into a river.

WELL BITE—HOW DID IT GET THERE?

Wilmar—The Tribune is authority for this, and claims the evidence is on display at the Old Settler's log cabin museum on the fairgrounds. From a depth of 35 feet a well drilling crew on the G. Rudolph Swanson farm brought up a piece of charred wood.

THIS SHOULD END THE OLD SETTLER QUEST

Lanesboro.—For months Minnesota newspapers have been publicizing old residents. Comes now Gust Ericson to settle the matter. Eighty-six years on the same farm near Whalan in Fillmore county, and still working vigorously to extend the record.

Removes Gum

When it comes to removing gum or substances from washables, follow these directions: On wool, silk and rayon, sponge alternately with carbon tetrachloride and tepid water; on cotton or linen, soften with egg white, and wash in tepid water or use carbon tetrachloride. It's worth repeating that stains must be treated before washables are tubbed, since hot water sets some stains.

THE PROBLEM OF SELECTING A MARKET FOR YOUR LIVESTOCK

Mr. Farmer, when selecting a market for your livestock, you want a market that is convenient, reliable and, most of all, one that will pay you more dollars and cents for your livestock. You want a market that is constantly informed of price trends at all major markets and one that has a ready outlet for all types of livestock. Also a market that will save you costly shrinkage and handling charges. We sincerely believe that you will find our market meets all of these requirement. Give us a trial.

TECHNOCRACY
NORTH AMERICA'S ONLY SOCIAL DYNAMIC

WHAT?

Technocracy is the only North American social movement with a North American program which has become widespread on this Continent. It has no affiliation with any other organization, group or association either in America or elsewhere. The basic unit of Technocracy is the chartered Section consisting of a minimum of 25 members and running up to several hundred. It is not a commercial organization or a political party; it has no financial subsidy or endowments and has no debts. Technocracy is supported entirely by the dues and donations of its own members. The widespread membership activities of Technocracy are performed voluntarily; no royalties, commissions or bonuses are paid, and only a small full-time staff receives subsistence allowances. The annual dues are $6.00 which are paid by the member to his local Section. Members wear the chromium and vermillion insignia of Technocracy—the Mond, an ancient generic symbol signifying balance.

WHEN?

Technocracy originated in the winter of 1918-1919 when Howard Scott formed a group of scientists, engineers and economists that became known in 1920 as the Technical Alliance—a research organization. In 1933 it was incorporated under the laws of the State of New York as a non-profit, non-political membership organization. In 1934 Howard Scott, Director-in-Chief, made his first Continental lecture tour which laid the foundations of the present Continent-wide membership organization. Since 1934 Technocracy has grown steadily without any spectacular spurts, revivals, collapses, or rebirths. This is in spite of the fact that the press has generally "held the lid" on Technocracy until early in 1942 when it made the tremendous discovery that Technocracy had been reborn suddenly full-fledged with all its members, headquarters, etc., in full swing!

WHERE?

There are units and members of Technocracy in almost every State and in every province in Canada, and in addition there are members in Alaska, Hawaii, Panama, Puerto Rico and in numerous other places with the Armed Forces. Members of Technocracy are glad to travel many miles to discuss Technocracy's Victory Program with any interested people and Continental Headquarters will be pleased to inform anyone of the location of the nearest Technocracy unit.

WHO?

Technocracy was built in America by Americans. It is composed of American citizens of all walks of life. Technocracy's membership is a composite of all the occupations, economic levels, races and religions which make up this Continent. Membership is open only to American citizens. Aliens, Asiatics and politicians are not eligible. (By politicians is meant those holding elective political office or active office in any political party.) Doctor, lawyer, storekeeper, farmer, mechanic, teacher, preacher or housewife—so long as you are a patriotic American—you are welcome in Technocracy.

These are things your family needs—that you want to buy for them. There is hidden cash on your woodlot . . . if the timber is correctly cut year after year.

Every year you can get cash from your trees—yes, every year—if you properly mark them, pick them out and then cut them, treat them as a yearly crop—not a once-in-a-lifetime income.

For a friendly hand and worth-while suggestions on proper cutting of a cash-crop from your woodlot every year, see your nearest forester or a representative of Minnesota and Ontario Paper Company.

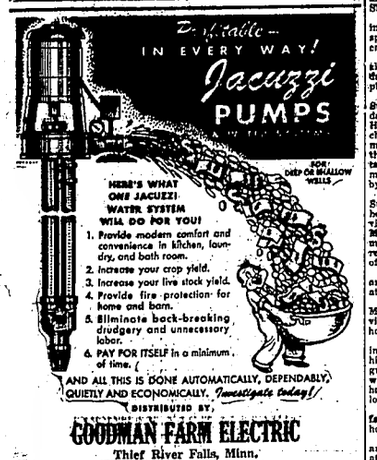
Baked Potatoes

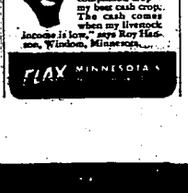
Recent studies indicate that careful timing of the baking followed by prompt serving is important for saving vitamin C in potatoes. Illinois tests showed that overbaking results in considerable loss of the vitamin. Idaho tests showed that potatoes that stood in the kitchen for half an hour after baking lost 33 per cent of their vitamin C. Those that stood an hour lost 50 per cent, and those that stood 4 hours lost 100 per cent—or all of the vitamin.



Lighting Honey

Most honeys crystallize or granulate but may be easily restored to the liquid state by heating in a water bath at a temperature of 160 degrees.

Magazine Rack



If you've no place to put your magazines, a closet door is the answer. Thin wood strips, painted to match the trim, turn any door into a very attractive magazine rack—and the gaudy covers will help to dress up the room.

It's the 18th HOLE for your old car
This New Engine Clean-up Program may be the one thing that will put power in the last long drive
It's done a wonderful job of serving you—that old car. And now, with new ones in the offing, it's nearing the close of its long assignment.
But this last stretch may be toughest of all. If there's a lot of dirt in the engine—and that's likely—sticky deposits may suddenly clog the oiling system—with disastrous results.
To meet the situation, your Standard Oil Dealer offers a new, economical, five-point Engine Clean-up Program. It includes the use of two remarkable new Standard Oil Products—Stano-Purge and Stano-Vim—which do an effective cleaning job without requiring expensive dismantling of the engine.
New, economical, 5 point Engine Clean-up Program
1 Stano-Purge—Purges crankcase and engine. Cleans oil screen. Removes deposits tending to clog oil lines and channels.
2 Stano-Vim—Introduced through carburetor air intake, it cleans out deposits in valve area. Restores pep, power, smooth engine operation.
3 Oil Screen—Oil Filter Replacement. Fresh oil always helps keep an engine clean. A clean filter keeps the oil clean.
4 Anti-Rust Protection—Old engines need efficient cooling.
5 Pre-Hot Clean-up—A worn belt is an unwise risk.

NEW DODGE

While You're Waiting we give you ...
Double Protection
*Your Safety and Comfort—*Your Present Car Investment
TO ALL OUR FRIENDS and CUSTOMERS—this is the most urgent and sincere advice we can give you today.
Keep Your Present Car in Top Condition
Of course we want to put you in a new Dodge as quickly as we can. But we simply can't do that to your own best advantage if you run down the condition of your present car.
Why? Because the wait may be long—your present car is old and yet you need all the driving safety and comfort you can get. Also, because you definitely "profit" or "lose" by the "condition" of your present car when you finally turn it in.
So, out of our experience and knowledge of today's conditions we again say to you—
Get Our Double Protection—Today
Bring in your car. Let us give it the necessary inspection and expert care. Then you'll have peace of mind—and you'll be money ahead.
Your New Dodge will be a rich reward for waiting. With *Double Protection* now—while you're waiting—you gain in every way.

Nut Meat

When buying nuts in their shells, homemakers *sometimes* are uncertain as to how much "meat" they will yield. This yardstick suggested by experts will help eliminate guesswork: One pound of unshelled almonds yields about one cup of shelled kernels; one pound of filberts, about one to one-third cups; one pound of peanuts, about two cups; one pound of pecans, almost one and one-half cups; one pound of English walnuts, a little more than one and one-half cups halved kernels, and one pound of black walnuts, about one-half broken kernels.

"JOB DIVIDENDS" at General Electric

For the year 1945, $35,000,000 in addition to wages was spent by General Electric in extra benefits for employees

It isn't a new thing for General Electric to put more than money into pay envelopes for its employees.

"Job dividends"—these extras that G-E employees get *in addition to wages*—have a sound business reason. To be successful, a company must be efficient. A man with fewer worries can produce more efficiently, which makes further benefits possible.

Profit-sharing plans, relief and loan plans began over 10 years ago at General Electric. Life insurance for employees, cash for suggestions began over 20 years ago. Pension plans were started 33 years ago. And vacations with pay began 53 years ago.

Every employee has a stake in the future of General Electric. For out of its success—and only out of success—can come further advances in living standards. That is the aim of General Electric, not alone for its employees, but for the public, who gain by new and better products, continuously improved.

Hartz Stores States Position

A Press release published extensively in the newspapers throughout this area last week may have given the public an improper impression concerning matters affecting the labor policies of the L. B. Hartz Stores. In order that the Hartz side of the story may be heard, the following statement is submitted:

(1) The decision referred to in the newspapers was so-called "intermediate report" of the Examiner of the National Labor Relations Board, who heard the testimony taken at Thief River Falls, Minnesota from May 8th to May 11, 1946. The report is in the nature of a recommendation to the Board itself and does not represent the latter's final determination. Steps are being taken to obtain a hearing before the Board with, of course, the eventual possibility that the case may finally be determined in the Federal Courts.

(2) Mr. Hartz wishes the public to know that he has no objections to the unionization of his employees if and when they want it, and so determine by their own free will. Mr. Hartz has repeatedly made his position clear in this respect, and the litigation now before the Board arose largely because he was unwilling to accept the certification of the Union in question as the bargaining agent for his employees in the face of repeated assurances and petitions on the part of the employees that they did not wish to be so represented. Mr. Hartz cannot concede that such an unwillingness on his part is an "unfair labor practice." On the question of union representation, Mr. Hartz' position is and always has been that that matter is one for his employees themselves to determine without interference of his part or on the part of anyone else outside of the organization.

(3) The news release contained certain references to Omer Belland, a former employee of the Hartz organization. It is claimed that he was discharged because of his union activities. The only union activities on the part of Mr. Belland, of which the management has knowledge, occurred two months prior to the time he was discharged. Mr. Belland was employed during the war years when labor was hard to get and when a large number of Hartz employees were serving in the Armed Forces. When he was discharged, he was only one of a large number who had to leave in order to make room for returning servicemen who came back to their old jobs. No returned serviceman who has come back asking for his old job with the Hartz organization has been turned down. Providing such jobs has necessarily involved the displacement of some of the temporary employees hired during the war years. Omer Belland was only one of these.

It is the position of Mr. Hartz that if anyone has to suffer through the loss of employment, it should not be one who gave up his employment to serve in the Armed Forces during the war. It is regrettable that sometimes a choice has to be made, but Mr. Hartz feels that the servicemen are entitled to first consideration and that to the loss of his time and the hardships of military service should not be added the loss of employment. The discharge of Omer Belland was definitely not due to any union activities on his part, and the assertions made by the complainants in the case now before the National Labor Relations Board are emphatically denied by Mr. Hartz.

(C) RESIDENTIAL DISTRICT — All of the remaining parts of the City except as hereinbefore designated as Industrial and Commercial Districts shall be and constitute and hereby is designated as the Residential District of said City.

Any land which may be added to the City in the future shall be placed in the Residential District until special action of the City Council as hereinbefore provided shall definitely assign such land to another District.

SECTION II. INDUSTRIAL DISTRICT, CONFORMING USES.

1. Grain elevators and storage warehouses, railroad yards, railroad depots and roundhouses, manufacturing of all kinds, etc.
2. Masonry and stonecutting; canning factories.
3. Gasoline and oil bulk stations and distributing plants.
4. Contractors' plants and accessory storage yards, but this shall not be so construed as to permit automobile or general junk yards.
5. Any use of the same general character as the uses hereinbefore specifically permitted, provided such industry or use is not objectionable by reason of the emission of odor, dust, gas, smoke, or noise, or by reason of being an excessive fire hazard.

SECTION III. COMMERCIAL DISTRICT, CONFORMING USES.

In the Commercial District, unless otherwise provided in this ordinance, no building or premises shall be used, and no building shall hereafter be erected or structurally altered except for one or more of the following uses:

1. Retail commercial merchandising establishments such as grocery stores, dry goods and department stores, drug stores, bakeries, candy and ice cream shops, jewelry stores, and other similar businesses.
2. Public garages, gasoline filling station, battery service station, tire service station.
3. Licensed places of amusement, restaurants, creameries, milk distributing stations, bottling works.
4. Offices, financial institutions, telephone and telegraph businesses, newspaper or job printing, book binding.
5. Storehouses, express and hauling office or station, ice plant, coal or lumber sales and storage yards.
6. Carpenter, furniture repairing or upholstery shop; electrical or tool working, tinsmithing, plumbing, water, gas or steamfitting shop, blacksmith, paint or paperhanging shop.
7. Dry cleaning and tailor's shop making, shoe repairing and dyeing shop.
8. Any use of the same general character as the uses hereinbefore specifically permitted, provided such business or use is not objectionable by reason of the emission of odor, dust, gas, smoke, or noise, or by reason of being an excessive fire hazard.

SECTION IV. RESIDENTIAL DISTRICT CONFORMING USES.

In the Residential District, unless otherwise provided in this ordinance, no building or premises shall be used, no building shall hereafter be erected or structurally altered except for one or more of the following uses:

1. Private dwellings, apartments and flats; also those which do not have any commercial enterprise located in the building.
2. Hospitals and clinics, churches, libraries, museums, schools, memorial buildings, including tablets and bulletin boards, provided these are placed in back of the required set back lines.
3. Parks and playgrounds, recreational or community buildings which are publicly owned and operated.
4. Farming or truck - gardening, plant nurseries or greenhouses.
5. Any use of the same general character as the uses hereinbefore specifically permitted.

SECTION V. NON-CONFORMING USES, PROVISIONS.

1. The lawful use of a building or premises existing at the time that this ordinance takes effect may be continued, although such use does not conform to the provisions hereof. Such use may be extended through the building provided no structural alterations are made thereon, other than those required by law or ordinance. If such non-conforming use is discontinued for a period of six months any future use of such building or premises shall be in conformity with the provisions of this ordinance.

2. No billboard or sign shall be erected in the Residential District. Billboards and signs in other districts shall not be erected except by special permission of the City Council.

SECTION VII. ENFORCEMENT AND ADMINISTRATION.

1. It shall be the duty of the City Fire Marshall of the City to see that this ordinance is enforced through the proper legal channels. Any property owner who feels himself aggrieved by any ruling or decision of the City Fire Marshal may appeal to the City Council. A majority vote of the members of the City Council shall be necessary to reverse any decision of the Fire Marshall.

2. When there are practical difficulties or unnecessary hardships in the way of carrying out the strict letter of this ordinance, the City Council, having the power to vary or modify the application of the regulation established by this ordinance so that the spirit of the ordinance shall be observed, public safety and welfare secured, and substantial justice done.

3. *Petitions for special permits* to allow the construction or operation of any non-conforming use must be accompanied by the written consent of the owners of at least seventy-five percent of the real property within 350 feet of the proposed non-conforming use. The City Council shall grant such petition only after public hearing, of one week published notice, and by a two-thirds majority vote.

SECTION IX. GENERAL PROVISIONS.

1. All buildings or masonry foundations hereafter erected on unplatted tracts adjoining any platted part of the City shall conform to the set back building lines of the adjoining platted part.

2. In all further platted additions in the City, each residence shall be at least 8,000 square feet in area; all streets shall be at least sixty feet wide, and the council may require all thoroughfares opposite to adjoining tracts. All boulevards belong to city, therefore, all planting and the like shall be supervised by the Park Board.

3. Any previous ordinances or parts of ordinances which may be found to be in conflict with this ordinance are hereby repealed.

4. Should any section, provision, clause, or phrase of this ordinance be held to be invalid by a court such decision shall not invalidate any other parts of this ordinance. This act shall take effect and be in force from and after its adoption.

5. Anyone violating any of the provisions of this ordinance shall be guilty of misdemeanor and upon conviction thereof be punished by a fine of not to exceed one hundred dollars or by imprisonment for not exceeding ninety days.

COLLEGES DRAFT EMERGENCY PLAN FOR NEXT FALL

Seek to Direct More Students to Two-Year Colleges Near Homes

Preliminary measures aimed to make a college education possible for all of the 41,000 students expected to apply for admission to Minnesota colleges and universities in the fall were mapped out at a meeting of representatives of most of the higher education institutions of the state, held at the University of Minnesota Thursday, July 11.

Core of the plan adopted at the session, called by Dean M. Schweickhard, state commissioner of education, will be the establishment of a clearance center at the state department of education office for the referral of applicants from already filled colleges to other colleges in the state which still have accommodations for additional students.

The new plan will seek to channel applicants to the two-year colleges nearest their home towns for their first two years of work, with the prospect of later transferring to the colleges of their original choice. Teachers' colleges, it was emphasized, can offer courses desired by students who have no intention of becoming teachers.

The predicted enrollment of 41,000 college students in Minnesota next fall is 10,000 higher than the peak registration of 31,000 for any previous term in the state's colleges. Estimates indicate that at least 25,000 of the fall registrants will be veterans.

Trunk Highway Traffic Volume Near '41 Total

Trunk highway traffic in May averaged 90.6 per cent of the May 1941, volume, according to data gathered by automatic traffic recorders operated by the Minnesota Highway Department at 25 widely scattered locations.

Traffic volume percentages in previous months in 1946, compared to the same months in 1941 were: January, 95.8; February, 93.9; March, 105.7; April, 92.7. Operation of the recorder stations, suspended during the war, was resumed January 1.

NAVY V-5 TRAINING PROGRAM TO GO ON

H. S. Graduates Asked to Grand Forks Friday

The navy department announces that it will afford to young men in this area, who are recent high school graduates, an opportunity to take the preliminary examinations for entrance into the Novy V-5 aviation training program for the class convening next September.

Young men interested in aviation and in obtaining the best flight training are invited to appear at the navy recruiting station, post office, Grand Forks, and take these preliminary exams on Friday, July 19, between the hours of 9:00 A. M. and 4:00 P. M. This procedure will enable them to determine if they can meet the basic requirements for the program now.

The navy V-5 program is considered one of the most complete technical and practical educations available to young men who want to fly and who may desire the career opportunities offered a commissioned officer in the navy or marine air corps. The program is open to all high school graduates, aged 17 to 19, who can qualify. The present program provides college training at any accredited college or university of the successful applicant's choice; tuition, book costs, and laboratory fees will be paid by the navy. The student will attend college in civilian clothes as an apprentice seaman on inactive duty and will be paid $50 per month while attending school.

ERIE

Sunday evening services in Ekelund were attended by many. Baptismal rites were held for the infant son of Mr. and Mrs. Roy Jensen of Thief River Falls. The name given is Richard Ardell. Sponsors were Mr. and Mrs. Aldrich Hoffman. Miss Elenora Kompen and Alvin Kompen.

Star 4-H club held their tour and picnic Sunday. Places visited were A. C. Hornings, John Kjelgren, E. Johnsrud, C. Johnsrud, E. Eliason, V. C. Clark, M. Fjeld, and terminated at the Mordy Morrison farmstead where the picnic dinner was served. Miss Elsie Hanson Co. 4-H leader was present. Mrs. A. C. Horning and Mr. Morrison are adult leaders. All enjoyed games and contests thruout the afternoon.

Mrs. Hans Fjeld and family enjoyed a visit of her sister Mrs. Belle Jarveson of North Pine, B. C. Canada for a few days. Mrs. Jarveson left Monday for her home.

Mrs. Julia Johnsrud of Thief River Falls visited a few days last week with her sons, Enock, Tiloy, and Cornelius and families.

Mr. and Mrs. Harold Johnson and son Wayne motored to Crookston Saturday on business; also to visit with her sister and brother-in-law Mr. and Mrs. George Homme who are farmers near there.

While raking hay on her parents farmstead, Bernice Kjelgren had the misfortune to get quite bruised up when she fell under the rake as the horses took a runaway. Her dad and uncle, Otto Omlid, hapened to be close by and came to her rescue. She was rushed to Thief River Falls for doctors aid. Fortunately no bones were broken. Bernice is quite well again.

Henry Fjeld is visiting her folks for a few weeks. Henry has been employed out in California the past couple of years. He plans to return there soon.

Erie local Farmers Union meets Friday evening the 26th. at Clover Nook. Robert Miller of Frazee will be guest speaker. Other numbers are also in order to be given. Please endeavor to be present.

Mr. and Mrs. G. A. Iverson motored to Plaza, N. Dak., last Wednesday for a visit with his sister Mrs. Hans Hage and family. They returned Saturday evening.

A large crowd was in attendance Sunday afternoon at the Arthur Arveson home to honor Mr. and Mrs. Allan Curley (Ellen Arveson) at a belated bridal shower. Many gifts and a sum of money was presented to them. A bounteous lunch was served and a social time enjoyed.

LABOR RELATIONS BOARD REPORTS ON HARTZ HEARING

Company Also Presents Its Side of Story in Statement in the Times

The following press dispatch was released last Thursday by the national labor relations board in Washington, D. C. relative to the hearing conducted by the board in Thief River Falls Early this year involving labor practices of the L. B. Hartz Stores. Elsewhere in this issue appears a statement by the Hartz enterprises giving the company's version of the matter.

The Washington dispatch, reads as follows:

The trial examing division of the national labor relations board Thursday in Washington announced receipt of a trial examiners' intermediate report and recomendations in a hearing conducted on unfair labor charges brought against operators of a group of food stores known as L. B. Hartz Stores, Inc. and United Industries, Inc., in Minnesota and North Dakota.

International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, General Drivers and Warehouse Employees local No. 581, brought the charges.

The examiners' report, signed by Irving Rogoain, recommends the board order the firms to bargain collectively with the union, cease discouraging membership in the union and to offer Omer Belland "immediate and full re-instatement to his former or substantially equivalent position" and to "make whole" any loss of pay.

Belland was discharged Dec. 12, 1945, the union charged, because of union activity.

STEINER and ADDER

We are again called to witness the death of 2 old Christian friends when we learnt that grandpa Moe, who was 88 years old had passed away at the local hospital Friday. He was buried from the Saterdal church on Monday. Rev. Silas Erickson and Rev. Urness conducted the services. Also of the death of a dear friend and neighbor Mrs. Isaacson, who passed away Monday morning at the hospital where she has been a patient since before Easter, altho she suffered, she felt ready to go, and services will be conducted from the Saterdal church and she will be laid to rest in the Bethlehem cemetery.

The Victor Trochman family have enjoyed the visits of a sister-in-law, Mrs. E. M. Trochman of Moorhead. She was accompanied by Mr. and Mrs. Robert Trochman, and Axel Trochman from Underwood and Fergus Falls.

They were also visitors at the Ingvald Wold home. They came Wednesday and left Monday. Mrs. Wold entertained in their honor to a dinner on Sunday also for Mr. and Mrs. Benard Wold, Alice and Gladys Wold of Thief River Falls. The group was entertained to luncheon Sunday evening at the Wm. Carlson home near St. Hilaire. Sunday evening the guests attended song service at the Saterdal church Wednesday evening they were entertained at the Ernest Trochman home. Occasion being Mrs. Trochmans birthday.

Mrs. Victor Trochman received word that her brother Adolph Wold of Sanders township, had been taken to a local hospital on Saturday.

Lisa Hillyer is enjoying a visit of 2 of his sisters, from Iowa. They were honor guests at the Hillyer home on Sunday. Miss Venice Hillyer of Bagley also Mr. and Mrs. Edson Hillyer and Mr. and Mrs. Robert Kramer and infant daughter of Thief River Falls were also guests of the day.

Some of the folks from here went to the Warren fair on Thursday.

Mrs. Rupprecht and Arthur called on Mrs. Mortrum and Hans Peterson at the old folks' home Tuesday.

On Wednesday last week Mrs. Rupprecht entertained at a luncheon, honoring her sister, guests were Mrs. Emily Baker, Mrs. Christ Nelson and Mr. and Mrs. Harold Larson. The Larsens left Tuesday for Clinton, Ia. to overnite guests at the Joe Slattenhan home. Also to parts in So. Dak. before returning to their home at Bozeman, Montana.

A surprise party was given on Thursday afternoon honoring the Saugen girls who are all home on a vacation. A family reunion was held at the Saugen home Sunday, when all 5 girls and their families were present. They were Otto, Melvin, Erna, Celia, (Tiny) Mrs. Robert Casey and Vivie Haughton. Guests came from Washington, D. C. by airplane, also Bennie and her husband of Detroit, Mich. and Mr. and Mrs. Chas Saugen and family of west of Thief River Falls.

Congratulations go to Mr. and Mrs. Bill Hillyer who are the proud parents of a baby girl born the 9th. Little Sharon is staying with her grand parents while her mother is in the hospital.

Mr. and Mrs. Roy Groven and son were callers at Rupprecht's Tuesday evening.

Mrs. Emma Larson of Bozeman and Mrs. R. Rupprecht and son Arthur visited Sunday afternoon at the John Sorenson home, Duane Hanson and Arthur took in the show in Thief River Falls in the afternoon.

The weather has been perfect the past week and haying is in full swing.

This is the time of year when we can fill our empty fruit Jars. A good recipe os for cucumbers pickles 7 cups water, 5 of vinegar, ½ cup of salt. Boil this and cool and wash cucumbers in cold water dry, pack with dill pour the vinegar on and seal. Never a failure.

News of R. R. Valley-Home for the Aged

We are sorry, you looked in vain for our news column last week but your correspondent just couldn't see well enough to write but is slowly improving at this writing.

We have had such beautiful flowers of late, we just feel our rooms are dressed up all the time. We have had memorial wreaths from the Elmer Berg, Mrs. Aslesen and Anton Anderson families, and we extend our sympathies to these friends in their recent loss of loved ones.

Others who have brought us flowers are Hilde Barbara Bastien, Mrs. Arthur Erickson, Mrs. Brodin, Mrs. Bacon, Mrs. Backstrom and Audrey Jacobson.

We have had many interesting callers the past two weeks, among them Mr. and Mrs. Quist from Seattle, who drove back here on business and to visit friends and stopped at the home with some canned fruit for us. Evangelist Joseph Erickson stopped in on his way to Greenbush where he has conducted meetings and Rev. R. S. Gjerde from Minneapolis held a service here one evening, leaving for Grygla the next morning.

We are glad to welcome Mrs. Thurwall and Ruth back to our city after spending the past school year in Minneapolis. They were accompanied by Mrs. Turnwall's sister Mrs. Rustad and Mrs. Mathison and all were callers at the home on Saturday evening.

Mrs. Northorpo called on her friend Mrs. Thos. Christianson at the Erickson Rest Home recently and Mrs. Louis Jelle and Mrs. Moe last week, and reported everyone in her neighborhood busy with haying. Mrs. Palmer Thompson and Mrs. Erle Johnson were also callers that day, and it is a real joy to take our lady callers in to inspect our new kitchen. You can be sure it is a real treat to work in it now when all is furnished and in order but the linoleum on the floor. We are very thankful to Wilfred Lagness for taking over this job and bringing it to the finish we can all be proud of.

Mr. and Mrs. Nels Backstrom accompanied Rev. and Mrs. A. Alfred Peterson to Alvarado and visited a couple of days with relatives and friends while at their home there.

Pearl Klaven accompanied the girls of the Salvation Army on a tour to several towns north and east of here, on her day off last week.

We were glad to have Rev. G. R. Carlson of the Gospel Tabernacle here for a service on Thursday afternoon.

We sympathize with the family of Soren Moe, who mourn the loss of a kind and loving father, as he passed away recently after being a patient at a local hospital for many weeks. We all learned to love and respect him much during his stay with us, and know he will be greatly missed by his family and friends.

Mrs. Maret Sevalson celebrated her 80th birthday on June 15th. Her daughter, Mrs. Ray Offerd of International Falls, treated ice cream on Sunday for her. Mrs. Sortland helped her treat birthday cake for lunch on Monday, and her friend Mrs. Hannah Eide served cake in her honor on Tuesday. So she had a triple celebration, and is well worthy of that; as she is the oldest of the fifteen ladies residing here. We wish her many joys and blessings as she begins on her nineteth year.

Lorraine Moe is working this week for Miss Minnie Gjerde, who is spending a vacation with friends at Red Lake Falls.

We were so glad to have Mr. and Mrs. Rustad and Mrs. Mathison and all were callers at the home on Saturday evening.

Mrs. Northorpo called on her friend Mrs. Thos. Christianson at the Erickson Rest Home recently and Mrs. Louis Jelle and Mrs. Moe last week, and reported everyone in her neighborhood busy with haying. Mrs. Palmer Thompson and Mrs. Erle Johnson were also callers that day, and it is a real joy to take our lady callers in to inspect our new kitchen. You can be sure it is a real treat to work in it now when all is furnished and in order but the linoleum on the floor. We are very thankful to Wilfred Lagness for taking over this job and bringing it to the finish we can all be proud of.

Joseph Erickson of Grand Forks called here to visit his mother lately and we are thankful for the nice gift he left for the Home.

Mrs. Langeleett and son brought us vegetables and eggs from their farm home, and were guests for dinner that day. Other guests have been Rev. Rabino and family and Mission Friends, who have been busy transporting the Bible School teachers to their various schools, besides getting the new home ready for his family who are soon returning from an extended visit in Tennessee.

Mr. and Mrs. Gust Bradley of Erskine with their daughter and family from Anoka, called and had lunch with Grandpa Galbraith on last week. They were glad to find him looking so well.

Mrs. Emil Johnson was pleasantly surprised when her cousin and wife, Mr. and Mrs. S. Hoseth of Mayville, N. D., dropped in to see her recently. They had been up to Lake of the Woods on a fishing trip.

Mrs. Nokken and Mrs. Rafnseth of Rosewood visited with Mrs. Emil Hagen on Sunday. Mrs. Nokken is visiting at her home in California after visiting with relatives at Park Rapids and Duluth.

Some of our aged friends have been visiting of late too. Joe Rustvold has been recently returned from a lengthy visit at Hendrum and Halstad and other points in the valley. Frank Brodin visited at Hallock a few days and Joseph Benoit is visiting at Red Lake Falls and Ole Stromme at Okiee this week. E. O. Hagen spent a few days with his family at Stewartville and New London, Minn.

EBEN HOLDEN says—

"It's fine to say nice things about people, but it's kind of lazy. There's more satisfaction from *doing something* for 'em. That is, it's more satisfying to you."

PLACEMENTS BY JOB OFFICE RISE

Employment Service Makes Report for June

Reflecting expanded seasonal employment in Minnesota, the United States Employment Service made 15,526 placements during June. This figure, says Dreng Bjornarraa, USES director in Minnesota, is 42 per cent more than in May and compares favorably with the corresponding month of last year when the state's employment picture was still reflecting wartime demand for manpower.

Placements spurted in June, Bjornarraa said, as a result of the beginning of the commercial vegetable canning season and an increase in the demand for farm help, particularly in the state's southern counties. Road building also got under way in many areas.

During the first six months of the year the cumulative total of placements made by the agency exceeded 62,000. While that total is lower than the first half of 1945, many of the state's 37 field offices have found more jobs for workers than they did through June of '45. Thief River Falls has a 10 0per cent increase.

Two Cars and Clown at Pennington Fair August 3

Percy the Clown, nonchalantly standing between two rampways while two drivers hurtle their cars simultaneously, half on the ground and half on the rampways. This and many other sensational thrill stunts are included in the exhibitions of the Jimmie Lynch Death Dodgers which will appear at the Pennington county fair on Thrill Day Saturday afternoon, August 3.

FUR TRAPPERS NET RECORD BAG IN '45

Catch Had Estimated Value of $6,500,000

Furs taken by trappers in Minnesota last year had an estimated value of more than six and a half million dollars, an all-time high for the state according to available records of the Minnesota Department of Conservation.

The game research unit of the Minnesota division of game and fish estimates that 45,682 licensed trappers took 1,574,840 pelts in 1945, with an estimated value of $6,669,059.23. The previous high in value was $5,241,897.97 in 1943. In that year 3,106,284 pelts were taken.

Highest price tag last year was attached to the mink, with 95,782 taken with an estimated value of $3,065,024. Greatest number of pelts reaped in 1945 belonged to the muskrat, with 1,211,196 trapped and the estimated value, $2,603,877.90. Beaver pelts taken totaled 9,346 with the value set at $448,608.00; skunk, 82,800 valued at $186,435; and weasel, 85,125, with an estimated value of $170,250.

Minnesota Auto Taxes Below U. S. Averages

Minnesota motor vehicle and gas taxes in 1945 were lower than the average in other states, according to a state highway bulletin quoting figures based on U. S. public roads administration reports.

Average gas tax for all states was 4.1 cents per gallon, .1 cent higher than Minnesota's 4 cent tax. Rates showed wide variation, from 2 cents in Missouri to 7.5 cents in Oklahoma. Figures do not include 1.5 cent federal gas tax.

Average Minnesota license or registration tax for private passenger cars was $7.61, while the average for all states was $9.23.

Average tax for trucks and truck tractors was $17.13 in Minnesota and $24.96 for all states. Truck taxes showed wide divergence, from a $6.11 average in South Dakota to $42.28 average in Michigan.

GROWING WITH YOUR CHILD

Institute of Child Welfare, University of Minnesota

Vanity vs. Self-confidence

Three-year-old Mary had just entered the nursery school. Her group was preparing to go on a trip to the dairy barn when Mary asked the teacher, "Am I pretty enough to go along?" The teacher replied "Of course, Mary; all the children are going." During the next few weeks Mary asked the same question several times. The teacher was rather puzzled but at ents discovered that Mary's parents were so afraid she would become vain that they made statements belittling her appearance until she had no self-confidence at all.

She was fearful and uncertain in her attempts to play—whether to use equipment or to make social contacts with other children. The parents' efforts had backfired and Mary so aware of "being pretty" that she wondered whether she was attractive; she was afraid to try any new activity.

The teacher tried to build up Mary's self-assurance through praise of her efforts to run and climb and paint. The parents realized that the child had become overly concerned with personal appearance and stopped talking about it. Whenever Mary asked "Am I pretty enough to do this?" the teacher replied "Of course you are," in a matter-of-fact tone and then emphasized Mary's growing skill with blocks and crayons and other play materials. By the end of the year Mary had achieved some self-assurance and no longer needed to ask "Am I pretty enough?"

No one wants a child to be overly vain of looks; he may grow into a self-centered, selfish, unskillful adult always demanding attention without contributing in return. Yet pride in appearance and careful grooming are desirable social attributes. Proper emphasis should be given to the various aspects of personality.

There is no absolute rule to follow in developing self-confidence; the line between conceit and self-assurance is not definite and fixed but varies from one individual to another. But if adults who supervise children will keep in mind the dangers and advantages of vanity and self-confidence young children can spend their energy on learning useful social skills instead of worrying as Mary did, about "Am I pretty enough to go on the trip?"

During the Civil war President Lincoln suspended the writ of habeas corpus. Congress later legalized his action.

TRUCK DRIVER LOSES HIS LIFE ON HIGHWAY 32

Gilman Grindeland Is Killed When Struck by Car Saturday Night

Gilman E. Grindeland, 38, long-time city resident and truck driver for the local Land O'Lakes plant, died a few moments after being struck by a car driven by John W. Johanneck of Red Lake Falls on truck highway 32 three miles south of St. Hilaire late Saturday night.

At a coroner's inquest held at the Erickson funeral home on Monday afternoon a verdict of the jury was that the death was accidental and unavoidable.

Mr. Grindeland, enroute to the Land O'Lakes plant in Thief River Falls with a truck-load of produce, had stopped his truck to assist Floyd Kinsey of Berrien Springs, Michigan, a visitor in this vicinity, who had bogged out a fuse plug on his car, and subsequently was struck by the latter. Mr. Kinsey, traveling south, had parked his car on the right hand side of the highway, while Mr. Grindeland, driving north, had moved the truck up the road beyond the Kinsey car a short distance.

Mr. Johanneck, who had been to Thief River Falls, was apparently blinded by the lights of the truck which had been left on "high beam" for he did not see the Kinsey car until he had passed the truck and then he was forced to swerve his car sharply to the center of the road, side-swiping the Kinsey car and striking Mr. Grindeland who had been standing on the running board conversing with Mrs. Kinsey.

The impact of the collision threw Mr. Grindeland a considerable distance beyond the Kinsey car. Death occurred a few minutes later from a severe fracture of the skull. The injury evidently having been received when struck by the right fender of the Johanneck car.

Funeral rites will be conducted from Zion Lutheran church this afternoon at 1:30, Rev. Walter M. Pedersen officiating, and interment will be in Greenwood cemetery.

Born in Hatton, N. D., September 2, 1907, Mr. Grindeland came to Thief River Falls with his parents at the age of five. He was married in September 1934, and is the father of two children, Irene and Sarah Ione of this city. For the past ten years he had been employed as truck driver by Land O'Lakes Creameries.

Also surviving his death are his father, Henry Grindeland of the city; six sisters, Mrs. Eddy Johnson, Mrs. Albert Johnson, Mrs. Donald Toomey and Mrs. Carl Ryan, all of Thief River Falls; Mrs. Rudy Helgeson, Seattle, Wash., and Mrs. John Cast, Providence, R. I.; three brothers, Clarence and Kenneth of this city and Willis of Seattle; and his grandmother, Mrs. Sophia Grindeland of Hatton, N. D.

VA INSURANCE MAN IN CITY TUESDAY

Expert Will Meet with Veterans and Agents

Veterans of this area will have the rare opportunity of having an insurance expert at their service all day Tuesday, July 30th. He is Mr. Lowell N. Krebs, V. A. insurance officer for the state of Minnesota. In addition to being thoroughly schooled in national service life insurance and U. S. government life insurance, Mr. Krebs has had many years experience in private insurance.

Mr. Krebs will be available at the V. A. contact office, 114 LaBree Ave. N. for consultation with anyone desiring information on government insurance. He will also appear before a meeting of veterans and insurance underwriters Tuesday at 8:00 p. m. in the veterans and memorial club rooms in the auditorium. All veterans and insurance underwriters are urged to attend this meeting.

Jimmie Lynch Death Dodgers Appear at Fair Saturday, Aug. 3

The Pennington county fair will present as a special thrill feature in front of the grandstand on Saturday afternoon, August 3, original Jimmie Lynch Death Dodgers in what promises to be the ultimate in daredevilry.

With a dozen or more automobiles crashing, rolling and smashing with a score or more of the daring Death Dodgers in the thrill-packed caravan, fair patrons are promised new and amazing stunts designed to send the proverbial chill up their spines.

Precision driving in the Roman style where three cars drive hub-to-hub at break-neck speed; crashing a solid board wall of fire with a standard stock sedan; rolling a car over and over and while travelling at fifty miles an hour; leaping a car from an inclined ramp-way over a bus or transport more than 100 feet through the air to crash head-on into a parked automobile, are only a few of the many death-defying stunts to be presented in this two hour thrill circus.

These Death Dodgers are all graduates of the Jimmie Lynch school, where the master himself has taught them the many stunts which earned him national fame at two World's fairs and the leading state and district fairs of the nation. Lynch himself organized these Death Dodgers back in 1935, was soon engaged by leading manufacturer to test their products under the most hazardous conditions, all of which led into these annual tours of these dare devils as a feature attraction at leading fairs and events.

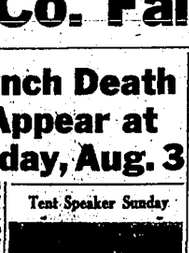
The fair will operate for four days and nights starting Wednesday, July 31, and the Jimmie Lynch Death Dodgers will appear as a special thrill feature only on Saturday afternoon, August 3.

EAGLES TO GO TO CROOKSTON PICNIC

Thief River Falls Group Shares in 3-Aerie Event

The Thief River Falls aerie of Eagles will share with the Crookston and East Grand Forks lodges in a tri-aerie picnic next Sunday afternoon in the Crookston park.

Harvey Heile, president of the local aerie, who will be one of the speakers, announced that buses will leave the aerie hall Sunday noon at 12 o'clock to transport local members to the outing.



A large gathering last Sunday attended the annual picnic staged by the local aerie at the Heinze grove for members and their children. Games and races and informal program of musical numbers supplied the entertainment, in addition to which ice cream and pop were served.

—Death-Dodgers' Chief

Jimmie Lynch, master of automobiles and thrills, who will be seen in person, at the Pennington county fair on Saturday afternoon, August 3 when his world famous Jimmie Lynch Death Dodgers stage their automobile thrill circus which includes a score or more of death-defying stunts of speed, daring and precision while crashing, rolling and smashing stock sedans and other feats of dare devilry.

REPORT PROGRESS IN SECURING NEW GOODRIDGE ROAD

Project May be Let in August; City in Line for National Guard Unit

After returning from a week-end trip to the Twin Cities, C. W. E. Dahlquist reported on conferences he had with M. J. Hoffman, state highway commissioner, and other officials relative to projects affecting the Thief River Falls community.

Mr. Hoffman stated that he hopes to have the Highway No. 1 job, involving the rebuilding of the highway from this city to the Goodridge corner, ready for letting in August. Not included in the present project, but under consideration, is the construction of a new bridge across Thief River on Eighth st.

Dahlquist stated that arrangements are being made thru Dreng Bjornaraa, state director of the U. S. employment service, to bring to this area the recently appointed new chief of the U. S. army engineers district office in St. Paul to familiarize him with details of the projected Red Lake river drainage and conservancy district improvement.

It also was learned that under the new enlarged National Guard program, Thief River Falls has been designated tentatively as the headquarters of a heavy arms infantry company unit. Plans call for guard officers to visit this city in the near future to confer with local officials and citizens to ascertain the extent of the community's interest in the proposal.

Plans call for the use of existing local facilities by the guard for the present, with the assurance that an armory eventually be erected in this city.

General Superintendent of Soo Line Visits City

E. D. Jones of Minneapolis, general superintendent of the Soo Line, spent last Thursday and Friday in Thief River Falls. He was accompanied by Mrs. Jones, and they were guests of Mr. and Mrs. Philip Bryant.

Blaze Extinguished in Northern Woodwork Co.

The building of the Northern Woodwork company escaped with little damage late last Friday morning when a fire developed in a room in the southeast corner of the structure in which sawdust and shavings were stored. The blaze was extinguished by the fire department in the presence of a large gallery of spectators attracted to the scene.

More than an inch of rain fell in two showers the past week-end, .64 inch arriving Saturday morning and .40 inch Monday evening. Moderate temperatures prevailed during the week, the mercury reaching a low mark of 44 Wednesday morning.

Dr. Billings Reports County Turkey Flocks Doing Well This Year

Dr. W. A. Billings, extension veterinarian from University Farm, along with Ernest Palmer, Pennington county agent inspected thirty-two turkey farms in Pennington county on July 16 and 17. At the completion of the tour, Dr. Billings stated that most of the county flocks are coming along in good shape with most of the growers reporting a death loss of five per cent or less.

In spite of the shortage of different types of feed, Doc stated the growth of all flocks to date appeared to be practically normal. In large majority of cases, growers of turkeys had made previous arrangements for feed before buying turkey poults.

Some of the pointers Mr. Billings gave to county turkey growers were as follows: Keep the turkey flocks on the move with a good alfalfa range if at all possible; have an ample supply of good pea-sized gravel before the birds at all times; have an ample number of feeders and waterers to avoid crowding; and use a well-balanced concentrate ration.

In connection with turkey rations Dr. Billings emphasized that a good alfalfa pasture will reduce consumption of grain as much as twenty per cent. Dr. Billings again emphasized the use of the well-known mash ration of 40 pounds of wheat, 20 pounds of corn or barley, 20 pounds of oats, 20 pounds of protein supplement such as meat scraps and soy bean oil meal, and 1 pound of salt.

During the two-day tour, Dr. Billings looked over more than one hundred thousand head of turkeys.

Woolson Gets Guernsey Bull from Famous Herd

Harry C. Woolson, for the past 35 years a breeder of registered Guernsey cattle, last week acquired a nine months old herd sire from the Clinton Guernsey Farm near Kimball, Minnesota, where the 29 cows in the herd have CTA records averaging 390 pounds of butterfat per year for the past five years, giving the herd second rank in the state. The dam of the new bull has to her credit three butterfat records averageing slightly more than 500 pounds in 305 days. The bull brings to this locality the famous Boulder Bridge and Langwater-May-Rose bloodlines.

Rotary Club Officers Tell Members Tuesday of St. Cloud Assembly

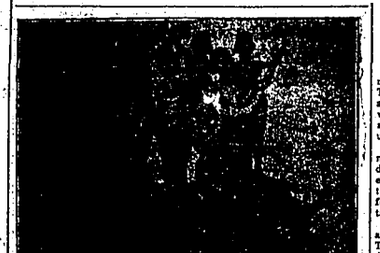
Dr. H. H. Hedemark, president of the Rotary club, and E. B. Benson, secretary, reported to members at their luncheon Tuesday noon in the Evelyn hotel, on the Rotary district assembly which they attended last week in St. Cloud. Both served as a school of instruction for club officers. Dr. Hedemark also announced the personnel of standing committees to serve during the ensuing year. W. E. Dahlquist gave report on conferences relating to local projects which he held with state officials in the Twin cities last week-end, details of which are given elsewhere in this issue.

Bothun Has Local Paper for August, 1904, Telling of Coming of Soo Line

Martin Bothum, pioneer resident of this city, has produced a copy of the Thief River Falls Review for August 18, 1904. Published by D. A. and John A. McDonald, the paper reports that the Soo Line, then in course of construction, was within seven miles of this city, and that trains were expected to be running into Thief River Falls during the coming week. An account also is given of the Red Lake county fair held here, and the paper chided the farmers for not bringing in more farm products for display. The Thief River Falls Lumber company advertised six loads of dry firewood for $5.

CITY SETTLES FOR WINDSTORM LOSS ON CITY PROPERTY

Council Agrees to Accept $8,189.09 in Settlement of Damage



The city council, meeting in special session Wednesday morning, reached what was termed a satisfactory basis for settlement of the loss on city property sustained in the destructive windstorm that hit this community late in June.

Following a lengthy discussion with the adjuster representing all insurance companies involved, the council agreed to accept $8,189.09 in full settlement of the damages. Included in the settlement was $6,476.10 to cover the cost of repairs to the municipal sewage disposal plant. The council has received cost estimates from the Minneapolis Bridge Construction company, which built the structure originally, and Wednesday authorized the company to proceed with repairs at once.

Allowances for other city-owned property damaged by the storm included $1,252.42 covering damage to the roofs of the old and new power plant buildings; $161.52, arena; $18.25, poorhouse; and $280.80, park property.

Average cost of driving a motor car a mile in 1902 was 18 cents; by 1938 it had dropped to 3.1 cents.

'46 Victory Vogues Revue at Fair Here July 31 to August 3

Varied Entertainment Program Is Arranged for Four-day Event

Citizens of Northwestern Minnesota will converge next week on Thief River Falls to attend the 43rd annual Pennington county fair, which opens Wednesday, July 31, and continues thru Saturday, August 3.

Secretary A. F. Retzer, is announcing the program for the four-day fair, stated that no effort or expense has been spared to keep the entertainment and educational features up to the high standard established in past years.

Wednesday has been designated as entry day at the fair, while Thursday will be Thief River Falls day with local business places closing for the afternoon.

Friday has been set aside as 4-H club day, the grandstand program that evening being augmented by the 4-H parade and style revue, together with the crowning of the style queen and the health king and queen.

Saturday will be Thrill day, the afternoon program being provided by Jimmie Lynch and his Death-dodgers, who will present a series of death-defying automobile stunts by reckless but highly skilled drivers.

The show in front of the grandstand each evening at 8 o'clock will include the presentation of the Victory Vogues of 1946, a Gertrude Avery production, augmented by a half-dozen outstanding circus and vaudeville acts. Hal Maxwell will serve as master of ceremonies.

Included in the special acts will be Steele's Circus, presenting trained dogs and ponies; the Carroll troupe of performing equilibrists; Eco and Jardine, adagio and acrobatic dancers; Bob Parry, clown and acrobat; and Ann May and Henry Balkanow, dancers. These acts also will be included in the grandstand show Thursday, Friday and Saturday afternoons.

Fun on the midway will be supplied by the World of Today Shows, including numerous shows and rides in addition to a variety of concessions. The carnival will open Tuesday evening.

All exhibit buildings have been put in proper condition to receive the anticipated exhibits in the various departments, which will complete for approximately $1,800 in premiums.

Fred Kavanaugh Takes over Gray's Tire Store

EXPECT SIGNING OF NEW OPA BILL BY TRUMAN TODAY

Final Congressional Action on Measure Is Taken Late Last Night

A weary senate passed the revised OPA bill early today and sent it to President Truman, who is expected to sign it later in the day.

The vote was 53 to 26.

The instant the president's signature makes the bill law, the rent and price ceilings in effect June 30 automatically will be restored except on meat, poultry, dairy products, grain tobacco, petroleum and certain other items specifically exempt.

The OPA, given another year to operate but restricted in its authority, will be prepared to issue some of its new orders by nightfall.

The senate's approval, completing congressional action, was voted a few minutes after midnight (EST) after a late night session in which the foes of price controls fired fresh broadsides but held no hope of defeating the bill.

Arthur Baken, Former Resident, Visits Here

Arthur Baken of San Francisco, Calif., formerly of Thief River Falls, is spending a few weeks in this city visiting at the home of his sister-in-law, Mrs. George Baken. It is his first visit to this community in twenty years, during which time he has maintained an interior decorating studio in San Francisco. He recently disposed of his studio and is taking an extended vacation before resuming his business activities.

ROBERT VIELGUTH WINS PROMOTION TO SERGEANT

Robert Vielguth, son of Mr. and Mrs. John Vielguth, who is stationed with the army at Fort Bliss, Texas, recently was appointed to the rank of sergeant, and is now serving as supply sergeant.

Straight from New York's Broadway, Gertrude Avery's "Victory Vogues Revue of 1946," a dazzling panorama of brilliant lighting effects, gorgeous costumes, and bevies of dancing and singing beauties will help entertain crowds at the Pennington county fair in Thief River Falls Wednesday, July 31, to Saturday, August 3.

"Victory Vogues Revue of 1946" is a streamlined musical revue, complete in every respect. It presents its own orchestra of accomplished musicians, a chorus line of eye- filling beauty, four huge ensemble numbers and a melange of specialty performers of song and dance.

This glittering company of Broadway performers, who have appeared in the nation's most famous revues and motion picture musicales, will make its outdoor debut at the fair here.

LIONS ADVOCATE CITY PURCHASE OF SQUAW POINT AREA

Propose Acquisition of Area for Recreation and Site for Large Picnics

The Lions club at its luncheon meeting Wednesday noon in the Palm Garden Cafe took action to sponsor a movement aimed toward the acquisition by the city or by the state division of parks of Squaw Point as a site for a huge public playground and for community picnics.

Harry Simmons, secretary of the park board, stated that the board has had the project under consideration for some time, and called attention to the historic significance and natural beauty of the location.

The club adopted a motion to have President Stuart McLeod appoint a committee of three members, one of whom will be Mr. Simmons, to take preliminary steps looking toward the acquisition of the acreage.

Herman A. Kjos, vicepresident, presided over the meeting in the absence of Mr. McLeod.

1,000 PRESENT AT ROCKSBURY OLD SETTLERS PICNIC

Feder Engelstad Heirs Present Valhall Hall to Rocksbury Township

Approximately 1,000 people from thruout this locality participated Sunday in the old settlers picnic staged at Valhall hall under ideal weather conditions.

The occasion marked the fiftieth anniversary of the erection of the hall in 1896, and in the course of the afternoon program the heirs of Mr. and Mrs. Feder Engelstad, represented by their son Mandt, presented to Rocksbury township a deed to the hall and five and one-half acres of adjoining land.

Willie Rondorf, chairman of the town board, accepted the gift with words of thanks. Perry Borgie of Pujunga, Calif., and Bart Engelstad of El Monte, Calif., grandsons of Mr. and Mrs. Feder Engelstad, unveiled a picture of the pioneer couple, while a short talk was given by Morris Engelstad of Aberdeen, S. D., in behalf of the grandchildren.

Rev. T. Fjelstul offered a prayer and spoke in tribute to the pioneers of the community, and W. E. Dahlquist served as chairman during the program, presented a series of musical numbers, including piano selections by Mrs. Earl Engelstad, Miss Colleen Engelstad, and songs by Mrs. Ruby Skidmore and Ira Lee Engelstad.

In a softball game during the afternoon, the Poppler's team defeated Rocksbury 7 to 6, and another game was played between Rocksbury and Hazel.

Water Conveyor

Women in rural areas who do not have running water should persuade husband or son to make a cart from an old coaster or baby carriage. This can be used for wheeling charges of water and also for the basket of clean clothes to be hung for drying. Thus there will be a minimum of lifting and stooping. Have the clothesline placed at the right height for your individual arm-reach.

Pumpkin Tarts

Individual pumpkin tarts make gala desserts for special occasions. Serve plain or top each tart with a scoop of smooth ice cream.

Foolish Question

Teacher—Why should we celebrate Washington's birthday more than mine?

Smarty—Because he never told a lie.

Getting Cold

Nit—Why is a marriage like a bathtub of hot water?

Wit—Why?

Nit—Because after a while it isn't so hot.

Very Thin

Diner—Waiter, you've spilled soup all over me!

Waiter—That's all right. I know the soup here. It never stains after seven o'clock.

At the Beach

Cora—Did that life guard tell you about his forebears?

Dora—Heavens! I didn't know he was an animal trainer!

Not The Sky

Nit—What is untold wealth?

Wit—That's what doesn't appear on your income tax report.

GROWING WITH YOUR CHILD

Books for the Young Child

Now that the paper shortage is less acute, more books are appearing on the market. Children's books which were short during the war will become plentiful once more.

In choosing a book for a child, one should keep in mind the age of the child, his interests, reading ability, and sex. The preschool child likes a book which he can handle by himself. Since he gives a book hard usage, it is desirable to choose one which is well bound, printed on fairly heavy paper so that it is not easily torn, and of such a size that he can carry it about if he likes.

The pictures should be clear and simple and in bright, clear colors. There should be only a small amount of printing on each page so that the child is not bored by listening to the story after he has looked at the picture. These physical features are quite important in choosing the book for the young child.

The subject matter of most interest to young children is everyday events with which they are familiar. A trip to the store, a bus ride, familiar animals, activities of children like themselves are most interesting. The story can be simple and short, since the attention span of the young child is short.

Anyone who has read or told a story to a young child knows that repetition is important. The story must be told in exactly the same way each time; the written story which repeats certain phrases is most enjoyed. Since young children enjoy verbal play, the story which contains some rhyme and jingles is acceptable. Boys and girls like the same kinds of stories; sex differences are less important now than at later ages.

Keep Out

Harry—My girl's father doesn't like me.

Jerry—On what grounds does he object to you?

Harry—On any grounds near his house!

Bigger, Anyway

Explorer—And this bear on the floor here I shot in Alaska. It was a case of me or him.

Bored—Well, the bear certainly makes a better rug.

Always Wrong

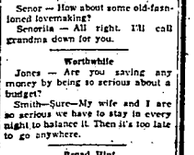
She—Do you love me more than anyone else in the world?

He—Sure.

She—Oh, so you've been out experimenting again!

Colorful Man

Jones—What's the idea of painting your library in brown?



Smith—So if anyone comes in, they can find me in a brown study.

Left at the Post

Slim—Did you know that horses sleep standing up?

Jim—Sure, every time I bet on them.

THE MATURE TYPE

Senor — How about some old-fashioned lovemaking?

Senorita — All right. I'll call grandma down for you.

Worthwhile

Jones — Are you saving any money by being so serious about a budget?

Smith—Sure—My wife and I are so serious we have to stay in every night to balance it. Then it's too late to go anywhere.

Bread Hint

Bo—Here Fido! Have you taught him any new tricks since I was here last?

She—Yes, if you whistle, he'll fetch you your hat.

BREEDERS GROUP PROCURES 2 MORE EXCELLENT SIRES

Association Servicing This Locality Now Owns Nine Outstanding Sires

Local members of the Artificial Breeding association of Thief River Falls have been informed that the association headquarters at Roseau has just recently added to the group bf Holstein and Guernsey sires that are being used by farmers in the north western part of the state.

The Holstein sire just secured was bred by St. Croix county asylum in Wisconsin and is from a sister to the H-2 bull now being used by the association. This sister produced 580 lbs. of butterfat with a 4.3 per cent test as a two year old. This sire will be identified as H-6 on the association records.

The other sire just secured is a *Guernsey and from a cow that* produced 575 lbs. of fat at 3½ years of age. This bull was bred by Boulder Bridge Farm at Excelsior and is an excellent deep bodied type with the size that Guernsey breeders are looking for.

Six Holstein sires and three Guernseys are maintained at the Roseau Breeding center which is servicing associations at Lancaster, Thief River Falls, Red Lake Falls, and McIntosh, as well as Roseau county units.

Ole Lien, Pioneer of Goodridge Community Succumbs July 13 at 79

Ole Lien passed away Saturday, July 13 at the home of his daughter and son-in-law, Mr. and Mrs. Kenneth Sunsdahl in Highlanding, Township, having attained the age of 79 years 9 months and 18 days. He was born in Gulbransdalen, Norway, September 25, 1866, and at the age of 5 years immigrated to this country with his parents and settled in Benson, Minnesota.

In 1903 Mr. Lien was united in marriage to Christine Nelson of Swift Falls, Minn. They moved to this community in 1912 where they resided until Mr. Liens death.

To this union nine children were born, of whom three preceded him in death.

He is survived by his wife and one son Glennie of Star township and five daughters, Mrs. Gytla Bodell, Richmond, California, Mrs. John John Gehris of Warren, Minnesota and Mrs. Kenneth Sunsdal of Highlanding.

He leaves 21 grandchildren to mourn his death.

Funeral services were held Thursday July 18 from the Ekslund church at Erie and burial in Star Cemetery.

The lemon is a native of India.

Farm Help Needed as Grain Harvest Begins

With farmers generally heeding a request that they give advance notice two or three days, if possible—when in need of harvest help, Minnesota has made a good start in cutting the 1946 grain crop, according to Paul E. Miller, director of the agricultural extension service.

"Grain cutting is well under way in the southern part of the state and is rapidly moving northward," reported Paul E. Miller, state director of the service. "This means a rising demand for help. Thus far there have been no serious shortages, due primarily to the fact that farmers are responding to the request that either the county employment service office or the county agent be advised of farm needs two to three days in advance of the time they are wanted. This cooperation greatly helps the government agencies in providing harvest help."

VA Representative to be Stationed at the Fair

The Veterans Administration will have a representative stationed in the woman's building at the Pennington county fair July 31 to August 3 between the hours of 1 and 8 p. m., Paul T. Gray, in charge of the local office, announced this week. The VA man will be prepared to answer questions relating to veteran's benefits.

Heavy April Snow Falls Along Continental Divide

No novelty to Coloradans along the Continental Divide are heavy April snows such as at Berthoud Pass. Snow 40 feet deep has at times been reported in this pass 54 miles west of Denver on U. S. No. 40. Only in recent years has it been possible even to attempt to keep the pass open all year round.

Deep snow hampered Capt. E. L. Berthoud's surveying party of seven men who discovered the pass on May 1, 1861. Organized to find a much needed direct route from Denver to Salt Lake City, the group had set up camp a few miles north of the mining settlement of Empire about April 25 to study the approaches to the Divide.

Here, according to the account of one member of the party, they were advised by the veteran frontiersmen, Jim Bridger and Tim Goodale, not to attempt to seek a crossing so early in the season. But, finding a ravine with timber of good size right to the ridge of the Divide, they successfully reached the summit. Continuing a short distance down the western slope on this same May 1, they were forced to stop by blinding snow. The descent with pack animals through deep snow to Hot Sulphur Springs required most of three days.

Traveling north in the descent after finding the 11,310-foot pass, Berthoud's group passed close to the point on a spur of James Peak where the six-mile Moffat tunnel, second longest railroad tunnel in the United States, has its western gate. Completed in 1927, the tunnel now includes a 10-foot pipe line for diverting water from the west to the east slope of the Divide.

Canned Food Storage

Canning specialists of the department of agriculture say the best method for storing home canned food is on sturdy well - braced shelves. Shelves should be far enough apart to allow for circulation of the air and for convenience in storing the jars. A good way to figure this is to leave about a two-inch space above the jars. For example, set shelves for quart jars about 9½ inches apart and shelves for pint jars about 7½ inches apart. Shelves 12 inches apart will give you room to store number two and a half tin cans double-deck style.

GRYGLA

Hagen-Svendsaden

Marriage vows were spoken in the Northwood Lutheran church July 7th at 8:30 p. m. by Alma Hagen, daughter of Mrs. Arne Hagen, and Obert Svendsaden, son of Mrs. Pete Bakken of Grygla. Rev. G. L. Halmrast performed the double ring candle light ceremony. The traditional wedding marches were played by Miss Elna Grace Halmrast. A duet was sung by Mrs. Halmrast and Elna Grace. Following the ceremony, Mrs. Halmrast sang "If I could Tell You."

The bride given in marriage by brother, Otto Hagen, was attired in a lovely white embroidered taffeta gown with a fitted bodice, bottoned to the waist in back with three quarter length sleeves, a full skirt and sweet-heart neckline. Finger tip veil of net, edged in lace was held in place with a tiara of seed pearls. She had as her jewelry, a string of pearls, a gift of the groom, and carried pink and white carnations and babys breath with pink ribbons falling from the bouquet.

The bridesmaid, Miss Lila Hagen, sister of the bride wore a blue frosted organdy formal with a sweetheart neckline with locket, gift of the bride. She carried gladiolli, and babys breath with ribbon streamers.

The groom's attendant was Morris Hagen, brother of the bride. Both men wore dark grey suits with boutonnieres of pink carnations.

The brides mother wore light blue rayon with a shoulder corsage The groom's mother wore a dark blue rayon with a shoulder corsage.

Following the ceremony a reception was held at the bride's home for relatives and close friends. The bridal table was set for eight and was centered with three tiered white wedding cake topped by a miniatdre bride and groom. The rest of the guests were served buffet style.

The newlyweds left immediately on a wedding trip after which they will make their home in Minneapolis.

To Curb Juvenile Delinquency

Youth bureaus—divisions of police departments staffed to deal with youngsters and their problems—are an important factor in the prevention of crime in five major cities —Cleveland, New York, Philadelphia, Buffalo and Detroit — according to information to the American Municipal association from the International Association of Chiefs of Police. The aim of the youth bureaus in these five cities is to prevent problem children from becoming delinquents or hardened criminals.

ILLINOIS PASTOR IS TENT MISSION SPEAKER SUNDAY

Rev. G. W. Busse to Commence Series of Talks Next Tuesday

G. Harry Nelson, pastor-evangelist from Melrose Park, Ill., will conclude his series in the tent south of the postoffice, speaking at 2:30 and 7:45 o'clock next Sunday, under auspices of the Union Gospel Tent Mission, according to word by L. W. Lindholm, committee chairman. Mr. Nelson speaks also tonight, Friday and Saturday nights at 8 o'clock.

Evangelist G. W. Busse, Minneapolis, pastor of Liberty Fellowship church, will preach in the tent July 30-August 11.

Tent services which continue nightly except Monday through Labor Day are open to the public, said Mr. Lindholm.

Many out of town people came for the dedicatory services last Sunday afternoon when Superintendent Jacob Elving, Minneapolis, brought the message of dedication.

Flavor Prevention

Vitamin C, or ascorbic acid, is closely related to the flavor and appearance of the foods we eat. Ample indication of the flavor content or the lack of it, from careful research, leads to the belief that vitamin C retention within foods is, in fact, flavor retention.

CHURCH PLANS BIBLE SCHOOL

To Open Monday Morning at Community Church

The annual daily vacation Bible school conducted in the Community Methodist church school will start on Monday morning, July 29. The school will meet daily except Saturday and will continue two weeks through Friday, August 9. On that evening, August 9, a program will be given by the children in the school and the work they have done will be on display.

Sessions of the school will be from 9:00 a. m. to 11:30 a. m. for those in the primary and junior departments and from 9:00 to 11:00 a. m. for those in the beginners department. The courses used are those recommended by the International Council of Religious education.

The teachers of the beginners' department are Miss Bertha Hastad and Mrs. Elizabeth Hatch; of the primary department, Mrs. C. M. Adkins and Miss Janice Swanson; and of the junior department, Mrs. Joe Stenberg and Miss Marion Swanson.

ROCKSBURY TOUR STUDIES EFFECTS OF PHOSPHATE USE

Farmers Visit Finstad, Paul Engelstad and Thomas Fixter Farms

A tour attended by forty farmers was held in Rocksbury township on Tuesday evening, July 16, to look over the demonstrations of phosphate, new varities of oats, and the effect of chemicals on killing weeds. The tour started at the H. I. Finstad farm where the results of six years of phosphate demonstrations were observed. R. S. Harris, in charge of the TVA program for University Farm, St. Paul, led the discussion during the evening at the phosphate demonstrations.

On the Finstad farm the most outstanding demonstration was the increase in growth of corn on land which had been phosphated two years ago. Mr. Harris pointed out that from the six years experience with this type of demonstration, the most practical way to spread phosphate fertilizers was to put it with the grain, seed down to legume to be followed with corn. Corn, being a heavy feeder, utilizes what phosphate is left over after the grain and legume crops have been grown.

Mr. Harris stated figures to show the average corn which has been phosphated in the row has yielded ten bushels increase an acre while the corn which has been grown on land phosphated two years previously under this system has shown an average increase of 8½ bushels per acre even though two previous crops had been taken off this field.

On Paul Engelstad's farm, those present observed the growth of Mindo oats. Even though this oats was being grown on very heavy potato soil, very little lodging was observed. There was no rust or smut noticeable.

On the Tommy Fixter farm observations were made of the difference on the growth of barley in a phosphated field and in unphosphated field. The phosphated field showed much earlier maturity, a larger head and a stronger growth of straw.

THROWING THE BULL

Among the stories which have crossed the ocean about those fabulous British Commandos is this story of one who had spent a long evening with friends at the village inn. They showed him a quick way home across the fields, forgetting that the local bull was loose.

The bull attacked, not recognizing the Commando's red beret. The unfortunate animal was gripped by the horns and lugged about the field until it managed to break free and bolt.

"Pity I had those last two drinks," said the soldier-matador. "I ought to have got that chap off his bike."

Good Neighbor Policy

Jones looked over his garden fence and beckoned to his neighbor. "I say, Smith," he said confidentially, "I understand you have Brown's lawn mower."

"Yeah, what of it?"

"Well, if you'll let me borrow it occasionally, I'll let you use his rake and shovel."

Sports Item

Mother — You were supposed to come home from the ball game in an hour, and you stayed nearly two hours.

Boy—It really wasn't my fault, mother. I tried to steal home in the fifth inning, and they wouldn't let me.

Checking Nose Bleed

If a nosebleed is severe and continuous, it may be stopped by having the patient sit with his head thrown back, the clothing about the neck loosened, with a cold wet cloth over the nose and at the back of the neck. Pressing up firmly against the side bones of the nose may stop the bleeding and give an opportunity for a clot to form. This pressure must be applied for at least five minutes. If the bleeding does not stop, call a physician, and while waiting for him pack sterile gauze into the nostril, allowing the end to hang.

Now that Uncle Sam has quit paying a part of our grocery bills some people think we should have tax reduction. That probably would be a justifiable expectation if we had been paying sufficient taxes to support our benevolent Uncle's many various charities. Unfortunately the old fellow has been spending far beyond his means for some time—before the war, during the war and after the war. We have paid heavy taxes, it is true, but not heavy enough to support the spending, and in order to keep himself in change he has had to borrow. As a matter of fact he is planning now to touch us up for another loan. So let's not expect tax reduction merely because we are now paying for our groceries. The debt load that we will pass along to our children and grandchildren will be heavy enough as it is.

There continues to be much speculation as to whether or not Shipstead's defeat indicates a trend away from isolationism in the northwest states. These speculations are based on the assumption that we have been isolationists and that our thinking has been somehow different from that of other parts of the country. Possibly this assumption has been wrong. It has been taken for granted because Minnesota, North Dakota and Montana have been represented by men like Shipstead, Nye, Langer and Wheeler, all vocal opponents of both international cooperation and national preparedness. These men came into power during the years that followed the last war when isolationism was popular in all parts of the country. There is reason to believe that they remained in power in spite of rather than because of their views on international problems. The states that supported them since 1932 have also supported Roosevelt, the outstanding exponent of international cooperation and preparedness. During the past 8 years Minnesota has supported Harold Stassen who in turn has supported the international policies of Roosevelt. But it isn't important what our thinking has been in the past. It probably is fine that at the present time most of us are in favor of experimenting with some form of world organization to maintain peace, hoping that it will be successful and genuinely concerned about what will happen if it isn't.

At buyer's resentment toward unreasonable prices is understandable. None of us likes to be gouged and we can understand the reaction of workers in the large cities toward the high meat prices that followed the demise of OPA. We cannot understand however why these workers should quit work as a means of showing their resentment. By laying off a few hours they not only suffered a personal economic loss but in the aggregate they retarded production, one of the things that makes for still higher consumer costs. It is too early yet to explode about meat prices. Immediately following the end of OPA they shot up largely because of the big backlog of demand. Meat market stocks were down to nothing and had to be replaced. A meat-hungry public was willing to pay any price. Surprising thing is that prices did not go still higher. We now have passed through that first heavy-demand stage and we can expect the market to level off to a more orderly pattern. In another week or two we will be able to judge whether or not we want more controls. At this stage we should be able to agree that we are no worse off with meat at high prices than we were when we could not buy meat at any price. If necessary we could get along without it now as we had to get along without it when there was none to be had.

Topics of the Times

The phrase "Let 'er go, Gallagher" must have had its origin in the way candidates with that name run in Minnesota elections.

As a result of approval of the loan to Great Britain, a colleague points out that John Bull owes Mr. Average American Citizen $50.

Egotism has been defined as the glue that enables a man to get stuck on himself.

We'll know that the times are hard when they reverse the trend and start moving houses from the city out onto the farm.

It would seem that federal taxes would go down now that the government has stopped paying subsidies, but we doubt if it will show up in your tax bill.

The head of the Ku Klux Klan, we read, admits being several hundred thousand dollars short in his income tax payments. There must be money in that racket.

This community will be a safer place if local youngsters heed the warning of Sheriff Rambeck concerning the promiscuous use of guns.

The fair management will have to borrow from the movie blurbs a few adjectives such as colossal and stupendous to describe the county fair opening next Wednesday.

If the surplus pork could be extracted from some of those bills before Congress, meat prices would come down in a hurry.

Speaking of names, a Miss Lion and a Miss Wolff are going to teach in the same Minnesota school this fall.

An interesting commentary on the Minnesota electorate is found in the fact that in the recent primary thousands of votes were cast for a candidate for railroad and warehouse commissioner who had died two months before the election.

Uranium Is Source of Atom Bomb and Radium

Besides being the father of the atomic bomb and the first element to have its atom split artificially, uranium has another spectacular bid to fame. It is the parent substance of radium. For billions of years, scientists believe, uranium atoms have been breaking down naturally, transforming themselves into radium atoms. By giving off its powerful emanations, radium, in turn, is transformed into other unstable substances which finally wind up as lead. Uranium is distinguished by the fact that it is the heaviest of all known substances. It thus marks the known end of the periodic table of elements, which begins with helium, the lightest. The existence of uranium was first recognized in 1789.

Uranium ores are distributed fairly widely throughout the world. The principal supply in the United States comes from carnotite deposits in Colorado, Utah, Arizona and Pennsylvania. Small supplies of pitchblende are found in the Black Hills of South Dakota, North Carolina, Connecticut and Colorado. Extensive beds of both carnotite and pitchblende exist in Canada.

In Europe, uranium ores have been developed in the Cornwall region of England and at various places on the continent from Portugal to the USSR. In Africa, the major source is the Belgian Congo.

Cold Honey

It's both unnecessary and undesirable to keep full-bodied honey in the ice box. Cold honey becomes thick and it doesn't spread easily. It is much better to keep honey at ordinary room temperature. If the jar is tightly covered, the honey will keep for months.

NORTHERN MINNIE LEAGUE TITLE AT STAKE ON SUNDAY

Thief River Falls Will Vie with St. Hilaire in Finale at Fair Grounds

Northern Minnesota League

	W.	L.	Pct.
Thief River Falls	5	1	.845
St. Hilaire	5	1	.833
Plummer	2	4	.333
Red Lake Falls	0	6	.000

Results of Sunday's games:
St. Hilaire, 9; Red Lake Falls, 1.

Next Sunday's schedule:
St. Hilaire at Thief River Falls.

That local fans are assured of a bang-up league championship play-off game on Sunday was made certain this week when St. Hilaire, by a 9 to 1 score, defeated Red Lake Falls and gained a tie with the locals in the league standings. Thief River Falls and St. Hilaire, with both teams at full strength, will meet on the Fair Grounds diamond to decide the league championship.

In the two games played between the teams this year, each club has scored a win. St. Hilaire defeated the locals, 4 to 3, in a game played here early in the season, and two weeks ago, in a contest on the St. Hilaire diamond, the locals racked up a 11 to 0 triumph.

The game on Sunday will find both club striving for a win, for the victory will permit the championship team to enter the regional play-offs and perhaps earn a place in the state tournament. The locals will probably start the game with the following lineup; Hemmy Sahl, pitching; Louie Benson, catching; Blackie Stephens, first base; Johnny Jaranson, second base; Jess DuChamp, shortstop; Clarence Rasmussen, third base; Milt Reierson, left field; Wally DuChamp, center field; and Berdeen Nornes, right field. While St. Hilaire will depend on Woody Almquist, pitching; Arlo Jacobson, catching; Harlan Olson, first base; Kiem Gigstad, second base; Don Johnson, shortstop; Elmer Zachar, third base; Al Thompson, left field; Connie Swanson, center field; and Vern Lindquist, right field.

Qualifying Round in City Golf Tourney to be Played Coming Week

Qualifying rounds for the city golf tournament will be played during the coming week and scores must be turned in by Saturday, August 3, Stan Larson, tourney chairman, announced today, adding that the eight low scorers will be entered in the championship flight. Plans are also going forward for the annual shortstop tourney scheduled for Sunday, August 11.

Former Residents Meet at Picnic Held July 14 in Berkley, California

At the first Thief River Falls picnic to be held in the San Francisco area since 1942, held July 14 at Live Oak park in Berkeley, Roy H. Miller was elected president of the group and Miss Blanche Chittick, secretary. Forty families comprising more than 100 persons attended the event, including former citizens of Roseau, Warren, Oklee and Bagley, according to word received by the Times from Thomas H. Chittick of Berkeley.

After more than three years of service in the U. S. Navy, Ensign Edward Peterson last week received his discharge at Great Lakes, Illinois, and arrived Saturday at the home of his parents, Mr. and Mrs. E. O. Peterson. He was last stationed at Charleston, South Carolina, recently serving on the U. S. Destroyer Bache.

Poppler's	3	3	.500
Harts Stores	3	4	.428
Bridgeman's	1	6	.143
Bjorkman's	1	7	.125

Results of week's games:
Poppler's 10; Harts Stores, 7.
V. F. W., 22; Bjorkman's, 4.

The week's schedule:
Friday, Poppler's vs. Bridgeman's.
Monday, Harts vs. V. F. W.
Tuesday, Oen's vs. Poppler's.

The city softball league continues in a two-team race, with the league-leading Vets and the runner-up Oen's pointing for their "crucial" game on August 6th. The Vets on Tuesday night marked up their seventh straight win, swamping Burt Entatuel's Bjorkman's nine, 22 to 4. Monday night's rain washed away the Oen's vs. Harts game, after the Oen's had gained a 5 to 2 lead in the two innings that were played.

Last Friday night the Poppler's team, playing heads-up ball and taking full advantage of the errors and sluggish play of their opponents, defeated the Hartz Stores team, 10 to 7, to earn third place in the league standings. Scoring four runs in the seventh inning, after the men were out and trailing by a 6 to 7 score, the Poppler's although held to but five hits, scored their win. Gordy Kaushagen racked up eight strikeouts, getting the Poppler's lead-off man, Wally DuChamp, three times.

Tuesday night's Vets vs. Bjorkman's game was a lopsided contest for the league leaders piled up six runs in the opening frame, driving Vince Jaunuszewski from the mound, and they continued their hitting and scoring on southpaw Johnny Lang. The three hits collected by the Bjorkman's off Bill Gray were made by Irv Wilson, Lloyd and Vern Mortrud.

The summaries:

Poppler's	200 002 4	7	3
Harts Stores	000 250 0	7	3

CROOKSTON GOLF CLUB DEFEATED IN TILT HERE SUNDAY

Thief River Falls Wins Inter-club Tournament by Score of 20 to 7

Scoring points in eight of the nine matches played, the local golf club decisively defeated the Crookston Golf club, 20 to 7, in team competition over the local course on Sunday. The win gives the local team an even break with the Crookston team, for in a preceding match, Crookston was victorious by 9½ to 8½ score.

The lowest individual score of the day was posted by Crookston's Ernotte Hiller, who had a 69, and who, with partner Jim Ten Eyck, defeated Vic Jung and Hans Chommie to mark up three points for Crookston. Hiller had rounds of 33 and 36, and during his second round, on the eighth hole, he scored an eagle deuce, being on the green with his tee shot and then sinking a twenty foot putt. Tommy Jorde, with a 73, and Jung and Chommie, with 74's, were other low medal scorer.

Scoring for the local club were Tommy Jorde and Dr. Homar Hedemark, 3 points, over Monty Klein and Don McKenzie; Bruce Prichard and Stan Larson, 3 points, over Geo. Erickson and Bob Seilberg; Keith Jorde and Emmett Hope, 2 points, with Crookston's Howie Canmey and Don Sawyer scoring 1 point; Dr. R. Borreson and Paul Grny, 2½ points, with Tyreson and Mason tallying ½ point for Crookston; Dr. R. Robertson and Dr. M. G. Johnson, 2½ points, with Barlow and Freeman Smith getting ½ point for the visitors; Rudy Sagmoen and Ole Ekeren, 3 points, over Orrin Olson and Plante; C. W. Mattson and Frank Koblinka picked up a pair of points over Darkow and Campbell; and Oscar Cerny tallied two points in his match with Dr. Behr.

The final Friday evening tournament will be played tomorrow, with the tournament committee having arranged a best-ball twosome, with handicaps in effect.

Recreation Highlights

The play center in the arena, will be closed all of next week.

Activities will begin again Monday August 5th. Day camp will be held both August 7th and 14th. The camps have been well attended so far this summer. They are held each Wednesday.

During the month of August the little girls will make dolls. Older girls may volunteer their assistance in this work.

Keeping Score

Here It Is.

The game that all fans hoped would occur will be played on the Fair Grounds diamond Sunday afternoon when the locals and St. Hilaire meet in their "blue chip" game to decide the Northern Minnesota league championship. This game has been shaping up all year and it will be in the nature of a "rubber" game, for the two teams have broken even in the two games played during the regular schedule.

Both teams are expected to field their strongest lineups on Sunday, although there is a question whether or not the locals' Louie Benson will return from a trip to southern Minnesota in time to play. Loule's absence will be quite a handicap, for the nifty all-round performer has been a vital factor in the play of the local team this year. Lou is a top-flight catcher; a first-rate pitcher; a neat out-fielder; and a hard-hitter. You can bet, though, that he'll try to be here for the game.

And the game will witness a resumption of the pitching duel between Hemmy Sahl and Woody Almquist, and it will find the sun-burned Hemmy tossing his assortment of curves, change-of-pace and fast stuff against stocky Woody's side-armed power. The locals thumped Woody pretty soldidly in the game at St. Hilaire a couple of weeks ago, but it must be remembered that Woody was throwing that game with a sore arm, and that he was given erratic support. And, too, it must be remembered that St. Hilaire always seems to be able to play at their best when they play on the local diamond.

It Will Be a Reminder.

Whenever the Crookston Pirates began to rave about their athletic ability we'll always be ready to remind them of the results of their golf match against the local club on Sunday, and which resulted in a 20 to 7 win for Vic Jung's squad. And if it hadn't been for Ernotte Hiller, who was responsible for three of the Crookston's points, the match would have been a rout. The Crokston lineup, with Hiller, Monty Klein, Don McKenzie, and Jim TenEyck on the roster, was a strong one, but the locals carried too much all-round scoring punch, with Tommy Jorde out a 32 on his first round.

The fact that the local course has a number of water holes may have had some effect on the Crokston golfers, for that's quite a hazard for golfers who have played most of their golf, as the Crookston golfers do, on a course that doesn't have any water carrys.

Ernotte Miller, who was playing nearly un-beatable golf, turned in a sub-par 69 for the low medal, and on the eighth hole, during the second round, he scored an eagle two. Hiller, with a wood, reached the green from the tee, being to the right of the pin and about twenty feet from the cup. Using his hand-made putter, and it was red-hot on Sunday, Ernotte went for the cup and dropped the putt for the eagle. It won three free hamburgers *for him*, but he got a tough break when he learned that the club-house had just sold out their last hamburger sandwich.

Mystery.

Whatever became of Ralph "Goalie" Engelstad's curly hair?

For the Record.

The local archery club, and it's one of the city's most active organizations, held a successful tournament during the JayCee's water carnival. Their tournament, as are their Tuesday evening matches, was held on the grounds west of the Tourist Park, and it was conducted on what is termed the American Round plan, which means that the men's senior event provides for the shooting of thirty arrows at targets, 60, 50, and 40 yards distant, and that the women's and junior's events provide for thirty arrows shot at targets, 50, 40, and 30 yards away.

Winning the women's event was Mrs. Marg Peck, having a score of 400, with Mrs. Hulda Carlson in second place with a 388. The junior tournament was won by Milo Kadrlik, with a score of 320, and Billy Borry, with a 306 was the runner-up. The men's senior championship was won by Tom Peck, scoring a 480, with Loran Lord earning second place with a 349.

The local club expects to send representatives to the state archery meet which will be held at Duluth.

NEW PLAN WOULD GIVE $7,000,000 MORE SCHOOL AID

Interim Committee Completes Its Report to 1947 Legislature

A report of a special committee which has been carrying on a study of school aid distribution for more than a year, recommending reorganization and revamping of under a plan that was developed Minnesota's complicated system of school aids, was in the hands of Governor Edward J. Thye this week ready for submission to Minnesota legislators at an early date.

The study was undertaken by a committee made up of leading educators, school officials, business men and parents on request of Governor Thye to see if agreement might not be reached in the interim before the legislative session begins on a program that will simplify and improve Minnesota's school aid distribution.

The state distributes forty different kinds of state school aids from time to time over the years, like a patchwork quilt, and educators and legislators alike long have recognized the need of reorganizing the system and revamping its provisions to make the distribution more equitable.

The committee, headed by Dr. J. O. Christianson, has just completed its report and submitted it to the governor. Thye indicated that he would send copies of the report members of the Legislature as soon as it can be reproduced so its members may have opportunity to study it before the next regular legislative session starts. "I am sure," he said, "that the principles and policies mapped out will prove most helpful in making the reorganization of state aids which all agree is essential." The program contemplates elimination of most of the high present state school aids, excepting apportionment, transportation, gross earnings and handicapped children's aid, and the adoption of an entirely new system in place of the eliminated aids.

Heart of the program would be a provision setting a figure, placed tentatively at $110 for each equated pupil in average daily attendance, as the minimum educational program which should be guaranteed each pupil. The term, "equated pupil," is used to provide a common denominator for the distribution, since education of a high school pupil costs one and a half times as much as elementary education and it would be necessary to count each high school pupil one and a half times to each elementary pupil in making the enumeration of pupils.

The state would give a flat sum, set tentatively at $50, for every pupil attending public school. The school district would be expected to get from local tax sources the balance of the $110 set as the minimum standard, except where resources of the district are too small to permit it. For such districts an additional aid, known as equalization aid, would be distributed, based on the assessed valuation of property per resident pupil, with more state aid going to the districts with low valuations.

Cost of the plan to the state would be about $29,000,000, it is estimated or about $7,000,000 more than the aid to be paid out by the state in the current year. Additional funds also would be provided from local tax sources in many cases. The plan not only would provide more adequately for Minnesota's schools its sponsors contend, but would furnish a more equitable and effective use of the money supplied.

Full-Scaled Turkey

The most important factor to look for when buying a turkey, whether dressed or on foot, is what is called full-fleshing. This simply means plenty of meat on the bones. The breast should be broad with the breast bone so covered with flesh that it does not protrude to the skin. The back, hips and other bones of the body should be fully covered. Always look for a well-fed bird.

Surface Cover

The term mulch refers to any material spread over the surface of the soil around growing trees or plants.

STATE CANVASSING BOARD REPORTS ON ELECTION VOTING

Gov. Thye Carried 66 Counties for Senator; Youngdahl Led in 83

Highlighting results of the recent state primary, the state canvassing board in its canvass of the returns this past week showed that voters casting their ballots for Republican candidates outnumbered those voting for Democratic-Farmer-Labor candidates by more than three to one.

Contests for important places prevailed in both parties, but Republican candidates drew 429,918 ballots, the canvassing board report showed, while ballots cast for Democratic-Farmer-Labor candidates numbered only 222,550. The vote cast for the Republican candidates was the largest in sixteen years. Only two counties in the whole state—Lake and St. Louis—reported as many Democratic-Farmer-Labor voters as Republican. In Lake, the score was 778 to 797, and in St. Louis county, 21,383 to 23,746.

Governor Thye carried sixty-six and Senator Shipstead only eleven counties in their race for the Republican nomination for senator, the report showed. Only counties which Thye lost were McLeod, Carver, Sibley Scott, Brown, Stearns, Douglas, Todd, Morrison, Pine and Lake counties. Thye carried Hennepin county by more than two to one, 67,682 to 31,524. He carried Ramsey county by nearly two to one; and St. Louis county by nearly two to one.

Hjalmer Petersen, it developed, carried only four counties—Brown, Carver, Morrison and Pine—and Luthe W. Youngdahl, his opponent, carried eighty-three counties.

Time to Transplant

Winter is a good time for transplanting. During cool weather there is less loss of moisture from newly transplanted plants and so a better chance of their living. While there may not be any growth above ground, the plant set in late fall or early winter makes root growth and has a chance to be well established by spring.

Small Game

Small game animals form a large share of our country's wild meat. It is estimated, for example, that one wild rabbit is bagged for every item of game taken by all American hunters.

TECHNOCRACY

Social Objectives

TECHNOCRACY'S survey of the economic situation in North America leads to the conclusion that there is in development a process of progressive social instability, that this process will continue until the instability exceeds the limits of social tolerance, and that there then will have to be installed on the Continent a social mechanism competent to meet the needs of its people.

Technocracy finds further that the day when social operations on this Continent can be based on a method of valuation has passed, and that it is now necessary that there be applies in the social field the quantitative methods of physical science.

Technocracy, therefore, proposes that the North American continent be operated as a self-contained functional unit under technological control. This control would operate the area under a balanced-load system of production and distribution, whereunder there would be distributed purchasing power commensurate with the resources and the technical equipment. continuous full-load operation of the physical equipment. with the guarantee of a high standard of living, equality of income, and economic security, at a minimum of working hours, to every adult inhabitant.

Technocracy states unequivocally that only such a social mechanism can operate with stability and endurance in the face of the unidirectional and irreversible advance of this Continent's technology, use of extraneous energy, and, resultant increase in potential production.

Technocracy is not a political party. It has nothing in common with communism, socialism, fascism, or any other social philosophy. It is the "technological Army of the New America," an organization with a social objective formulated, officered, and staffed by North Americans as the only solution to the unique crisis facing this Continent.

Technocracy Inc. may take political action, but it would only do so when the organization is sufficiently trained, disciplined, and widespread to permit the simultaneous execution of that action in all parts of one of this Continent's principal national entities. If Technocracy Inc. takes political action it will be the last political action, as such action would be taken solely for the abolition of the Price System and its accompanying political administration, and the transition into the functional mechanism of Technate.

At this stage, therefore, the objectives of Technocracy Inc. are first, the education of the people of North America to a realization of the conditions behind the social crisis, and second, the organization of all those willing to investigate and interest themselves into an informed, disciplined, and functionally capable body whose knowledge and ability can be called upon to prevent chaos in North America at the time, now imminent, when the Price System can no longer be made to operate.

SIGHTS WALLEYE, SINKS

Battle Lake, Brainerd—Review chronicles encounter of a 15-year-old resorter with a 6½-pound walleye pike. Sighting it swimming toward shore she took a scoop shovel as the handiest implement and literally waded in. There were numerous witnesses to the fact that she got it. Also many witnessed the demise under the heel of a burly patrolman of a scared little garter snake that may only have wanted to scale down a little in a Brainerd beauty salon.

Notice To Veterans Of World War II

Flight training may now be selected as your choice of training under the GI Bill of Rights.

THE SEVERSON SCHOOL OF AVIATION at Crookston, Minnesota signed a contract April 29, 1946, with the Veterans Administration, to give Flight training to all honorably discharged veterans. Classes are continuously in session. Brand new 1946 model aircraft are being used on the flight training program.

When you fly at Crookston you are assured of safe flying conditions "where every field is a potential landing field." Your school and instructors will have had upwards of 20,000 hours of accident free flying experience.

PREPARE YOURSELF FOR PRIVATE OR COMMERCIAL AVIATION

EXPLANATION OF GI TRAINING

ELIGIBILITY

Any veteran honorably discharged and having served his country in any branch or service for a minimum of 90 days is eligible for training.

COURSES OBTAINABLE AND EXPLANATION

Private Pilot's Course:

Approximately an 8-week course. After completion, the veteran may fly his own or rented airplane and carry passengers not for hire—but may share expenses.

Commercial Pilot's Course:

Approximately a 34-week course. After completion, the veteran may fly for hire.

Instructor Ratings Course:

Approximately a 4-week course (in addition to commercial course.) After completion, the veteran may also give student flight instruction for hire.

All costs of flight and ground school are deducted from the veterans educational entitlement, without any additional cost to the veteran.

Veterans may fly on either a full or part time basis and receive subsistence as would be the case in any other accredited school or university.

Tentative arrangements have been made for hotel room and meals for full-time, out-of-town enrollees.

No previous flight experience necessary.

Instrument, Multi-engine and Seaplanes ratings are also available for the veteran under the G.I. Bill of Rights

CANCELLATION OF POULTRY SHOW AT FAIR EXPLAINED

Order from Livestock Sanitary Board Applies Also to Minnesota Fair

Cancelling of the poultry show at the Pennington county fair followed a direct request from the state Livestock Sanitary Board that all such events be suspended in order to reduce chances of spreading the Newcastle disease which has recently been discovered in some Minnesota flocks.

The state board took this action only after consultation with the state poultry industry council which represents organizations of poultry raisers, hatcherymen and processors. The request was addressed not only to county fairs but also to the Minnesota state fair and every other organization which promotes poultry exhibits.

First recommendation that poultry shows be cancelled at a meeting of farm organization and poultry leaders called at University Farm recently by Ralph L. West, executive officer of the livestock board. After hearing a first hand account of the history of the disease and its measures to prevent spread in the state until nationwide controls can be set up.

A number of flocks are under quarantine in different parts of the state at present, and already some serious losses have been recorded. In its early stages, Newcastle disease is hard to distinguish from a number of common respiratory troubles of poultry. It can be spred by movement from farm to farm of sick birds or infected equipment. The disease is not transmitted to man, consequently there is no public health problem.

VA Adopts New Plan on Artificial Limbs

Letters to approximately 280 veteran-Amputees in Minnesota, informing them of steps taken to speed repair of artificial limbs, have been mailed by the Veterans Administration regional office for Minnesota, Paul T. Gray, VA contact representative at Thief River Falls announced. Service will be speeded up by use of a prosthetic service card, enabling veterans with service-connected amputations to go to their local prosethic shops or manufacturers and obtain repairs to artificial limbs up to a cost of $25 without prior approval of the Veterans Administration.

State University Has Given 21 Honor Degrees In Its Entire History

In the 21 years since the University of Minnesota first awarded an honorary degree in 1925, it has given exactly 21 such degrees, an average of one per year. The record contrasts sharply with the number at other colleges in the country and is significant in the light of recent arguments on the practice.

The national average for all state and other colleges in 1940 was one "free" degree to every 648 earned degrees. At Minnesota the average for the 21-year period has been one honorary to every 2,324 regular degrees. In private colleges the ratio was one to 85 in 1940.

The late Dr. William Watts Folwell, first president of the University, was the first person to receive an honorary degree from Minnesota. The doctor of laws degree was conferred upon him in June, 1925, and no further honorary degrees were bestowed until 1931, when Dr. George E. Vincent, former University president, and the late Frank B. Kellogg were given doctor of laws degrees.

Price Control Records Must Be Retained until July 1, 1947, OPA Warns

All individuals and businesses, required to keep records under price control regulations, must preserve those records until July 1, 1947, according to James S. Lamb, district OPA director.

A special supplementary order, which became effective June 30, directs the preservation of such records, books accounts, invoices, sales lists and slips, orders, vouchers, contracts, receipts, bills of lading, correspondence memoranda or other papers, as were required by price control legislation.

Lamb pointed out that this provision is for the purpose of prosecuting violations occuring prior to July 1 of this year, and that regulations and requirements are considered as continuing in force.

A presidential order issued June 30 authorized OPA to continue such functions, powers and duties which did not terminate with the expiration of the price control act, which include continuation of enforcement actions initiated prior to that time.

FARM LEADERS CRITICIZE BASIS OF BUYER STRIKE

Co-op Officials State Present Farm Income Is Not Excessive

Amid talk of buyers strikes, three Minnesota farm leaders today cited figures based on official reports showing that Minnesota dairy farmers of above-average efficiency get less than 53 cents an hour for their work.

Statisticians figured this wage at today's prices which the farmer gets for his dairy products and at today's prices which he pays for livestock feed and other costs of dairying.

"How can anyone justify a buyer's strike against men who earn less than 53 cents an hour?" asked a joint statement made by J. S. secretary of the Minnesota Farm Bureau Federation; W. S. Mocerip, president of the Twin City Milk Producers Association, and John Brandt, president of Land O'Lakes Creameries, Inc.

They backed up the dairy farmer's 53-cent wage figure by listing facts taken from two studies—one just completed by the division of agricultural economics at University Farm with cooperation of the U. S. Department of Agriculture's Bureau of Agricultural Economics.

"Skilled laborers earn double to more than triple the farmer's wage, and even unskilled laborers get better return for their work," said the statement.

"The dairy farmer is a highly skilled worker. He owns his own tools and equipment. He has invested in cattle, in fields, in barns, in high priced feeds. And his investment is one continual risk. Yet he must be well above the state average to net himself 52½ cents an hour.

"The dairy farmer need not apologize for prices on the food he produces. His investment, risk and toil deserve a return that is fair.

"Today's prices on dairy foods in legitimate sales—not in the black market—are higher chiefly because the government formerly paid part of the consumer's bill in subsidies—13 to 15 cents on every pound of butter, 2 to 3 cents on every quart of milk, more than 5 cents on each pound of cheese, and so on down the line.

"The government recognized that its artificial ceilings were below the farmer's cost of production and paid subsidies o make up the difference in production costs. The dairy subsidy cost taxpayers more than one and half billion dollars a year. And millions were spent to administer the OPA which maintained these artificial ceilings."

Feed, the most important raw produc in dairying, has skyrocketed in price, the statement pointed ou, and milk-production costs has jumped oo.

4 COUNTY DRIVERS PENALIZED IN JUNE

276 in State Penalized for Drunken Driving

One driver's license in Pennington county was revoked outright and licenses of three others were suspended in June, the Minnesota Highway department reports. Lists containing names of drivers whose permits have been forfeited are furnished each month to all sheriffs and city police departments.

State total of revocations was 800, largest number in any month in recent years except May, 1946, when 525 licenses were annulled, following conviction for more serious type traffic law violations.

Nine out of every ten revocations or 276 in all, followed conviction for driving while under influence of intoxicants.

Suspensions included 267 failure to comply with provisions o fthe safety responsibility act, the lowest in any full month of operation of this 1946 act. Highest in any month was 767 in March, 1946. Greater familiarity with the requirements of the act, better reporting of accidents, and promptness in furnishing proof of ability to settle claims resulting from accidents, are believed to account for the decrease.

The total number of Federal employees under Civil Service during the administration of Rutherford B. Hayes was about 3,600.

'U' REGISTRATION STARTS AUGUST 1

Fall Quarter Will Start September 30

Under a new plan to be tried for the first time this summer, advance registration will be underway by August 1 at the University of Minnesota for all students planning to enroll for the fall quarter, which starts September 30.

The advance registration will, it is hoped, prevent the rush of thousands of students who otherwise would have to be registered in the one-week period prior to the opening of classes.

A predicted full enrollment of over 21,000 makes it imperative both from the students' and the University's viewpoint for all students who can to come to the campus this summer and complete their registration, Dean R. E. Summers, director of admissions and records, emphasized.

New students should not come to the campus for registration until they have received their admission certificates indicating their applications and credentials have been received and that they are accepted for entrance. The student entering for the first time should expect to spend two or three days on the campus to complete his registration. Those who have not yet made application should do so immediately.

ACCIDENT DANGER MOUNTS AS USE OF AUTOS INCREASES

"Take It Easy" When Driving, Is Plea of State Auto Group

A record shattering tide of vacation travel is pouring out over America's highways, far surpassing even the most optimistic predictions of a postwar travel boom, E. Ray Cory of the Minnesota State Automobile Association reported today.

All available travel indicators—such as travel to national parks, routings by AAA motor clubs, gasoline consumption records and the like—point to a volume of motor vacationing that is as much as 50 per cent greater than the prewar peak volume, according to Mr. Cory.

"The increase in vacation travel and general car use has been accompanied by an appalling upswing in traffic accidents," Mr. Cory declared. "The increase in vehicle mileage, coupled with the fact that more than 25 per cent of the cars on the road today are eleven or more years old means the chances for accidents are greater today than ever before; and effective methods must now be utilized to arouse all people to "Take it easy", in traffic.

Wilfred Lagaesa accompanied Mrs. Mon and Lorraine to Fargo on Friday to consult Dr. Larson and also to do some shopping. A drive to Oak Grove Seminary and through Oak Grove Park was also greatly enjoyed.

The Lutheran Tent meetings by Rev. Kendall of Minneapolis and closing on Sunday evening were greatly enjoyed by many of our folks and now we will enjoy the meeting of the Union Tent Mission, south of the postoffice, during the next few weeks. Frank Brodin, one of our family, will have charge of the pre-prayer service in the Ev. Free Church each service night at 7:30. Come and join with Brother Brodin and others in prayer for the services.

Minnie Gjerde is back on the job again after a weeks vacation in Red Lake Falls and this city.

We had a unique delivery service recently when little Glenn Zaveral pulled up at our back door with his express wagon loaded with some fruit from Mrs. Lizzie Rasmussen on No. Crocker Ave. He delivered his load in fine shape and we are very thankful to young Glenn and also to Mrs. Rasmussen, later we also received canned fruit from the estate of Mr. and Mrs. Peter Berg, brought by her sister Milda Gesler of Henning, Minn., and by Mrs. Williams, and we are also thankful to these ladies for their kindness.

We received such a beautiful basket bouquet of flowers brought to us from the Edwards-Mortenson wedding at Union Church, which we enjoyed so much, as it spoke to us of the beauty and joys in life which we extend in our congratulations to this happy pair. We are so thankful to Mrs. Swanson and daughter for bringing them.

This has been a week of surprises as we have had so many pleasant callers. Mr. E. M. Bennes, the local representative for the Lincoln National Life Insurance Co., called one morning with an armful of good reading matter and greeted old acquaintances. Later in the day we were surprised by Mr. and Mrs. Ole Moen, who are here visiting from Portland, Oregon, calling with Mr. and Mrs. L. H. Pepponhagen. They enjoyed looking over our improvements, and told us how they enjoyed the "Times" and our news column from the Home. They expect to spend a week or more with relatives and friends here in the Newsdeen, Holt, Warren, and also at Fergus Falls and Upsala, Minn. Their daughters Delores and Mabel are also with them.

Phyllis Johnson and Eva Cecilelund of Vega called on Mr. and Mrs. Nels Backstrom and visited the Home on Monday afternoon, and on Tuesday afternoon Eva and Mrs. Rudolph Larson and family from Alvarado visited with the Backstroms.

Mrs. Ingrid Sandberg had several visitors on Tuesday afternoon. Mr. and Mrs. Herman Sandberg and family, Mrs. Henry Sandberg, and Mrs. Anthony Ronca (Clara Sandberg) and son James of Superior, who are spending some time visiting relatives in the Hazel and St. Hilaire communities.

Other callers have been Mrs. Andrew Kisch and children, Oscar Peterson, Pete Johnson, Mr. and Mrs. Oscar Anderson, Carrie Boe, Mrs. Medalen, Mrs. John Sundt, and Mr. and Mrs. Ted Sundby.

We have received a gift in memory of Gust Wilson of Hazel and given by Mrs. John Mostrom of Goodridge. The Wm. Josperson family and the D. O. Holstad family. We extend our heartfelt sympathy to the Wilson family in their loss, and our sincere thanks to the friends for the gift.

We also wish to acknowledge with our thanks and sympathy to Mr. and Mrs. Wm. Larson of Holt for the gift they sent in memory of Rueben Larson and given by Mr. and Mrs. Ed Davidson.

And we wish to express our sincere sympathy to the family of Neri Magby and a hearty "thank you" for the lovely flowers in his memory. Many of our older folk knew and respected him.

Ned Langness and Alf Anderson have completed the painting on the exterior of our building, porches, fire escapes and the new back porch. It has made a great change in the appearance of the Home, and we are justly proud of it and the fine job the boys did. We still have a front entrance to build before we are through for the summer.

• MEMO TO ADVERTISERS.

HOW TO MEASURE *Advertising Values*

WE ASK advertisers to think of the circulation of this newspaper in terms of the distribution of their advertising—the size, quality and interest of the audience to which their advertising is addressed. from that viewpoint our circulation becomes a more direct factor in business plans.

There are well-known standards for circulation values just as there are definite measures of weight and quality as used in the purchase and sale of merchandise.

The standards for evaluating circulation have been established by the Audit Bureau of Circulations, a national cooperative association of 2000 advertisers, advertising agencies and publishers in the United States and Canada. This newspaper is an A.B.C. member.

The Bureau has a large staff of experienced auditors and each year one of these men visits our office and makes an audit of our circulation records. Based on the information thus secured, the Bureau issues official A.B.C. Audit Reports.

These reports tell how much circulation we have, where and how it is distributed, how much people paid (important because paid circulation proves reader interest) and many other facts that make it possible to invest in newspaper advertising on the basis of known values.

For complete and verified information about the distribution of your advertising when it appears in this newspaper ask us for A. B. C. reports.

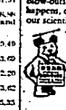
Prospective Students at Bemidji College Are Asked to Register Now

Early registration for the fall quarter at the Bemidji state teachers college is urged by the college administrative officers. Preregistration figures as of July 15 indicate an enrollment for fall that will tax the classroom and housing facilities of the college.



"Naturally, we feel obligated to take care of the veterans and the recent high school graduates of this area before admitting those from other sections of the state and out-of-state residents. If we are to fulfill adequately our obligation to these students we must have their applications for registration well before the beginning of the fall quarter September 23," President C. R. Sattgast said today.

Any students from this area intending to enter the Bemidji State Teachers College this fall are asked to write the registrar or call at the college and make application for enrollment as soon as possible.

BECAUSE OF A BENT STEERING KNEE

Un-balanced wheels, bent knees, misaligned frames, aren't just nuisances to the driver. They wear out car and tires, cause steering pull, faulty control, blow-outs—ACCIDENTS! BEFORE that happens, come in for Safety check-up on our scientific Pure Oil Method.

Farmers Union Grain Terminal Assn. Upheld by Ramsey Co. Court

Cooperative business of Farmers Union Grain Terminal Association of St. Paul, which has been under attack by a number of Minneapolis grain firms, was given a clean bill of health Thursday, July 18, by Judge Kenneth G. Brill of Ramsey district court in St. Paul.

Judge Brill ruled that the GTA grain cooperative has every right under Minnesota statutes to purchase for resale the grain its members ship to it for sale at Minneapolis and Duluth.

The ruling is regarded as highly significant among cooperatives, as it sustains their right to provide complete and continuous marketing service to farmers. The court's decision came as the result of action brought by the Cooperative Farmers Elevator Association of Clinton, Minn., an affiliate of Grain Terminal Association, in a friendly suit to test the law.

The suit was brought to determine whether GTA could legally continue to purchase grain from its own members for resale. Effort previously had been made by other interests to limit the cooperative's operations to those of a commission firm. This would have restricted the cooperative's service to and earnings for patrons.

Highway Maintenance Costs Attain New High Mark in State in 1945

Minnesota counties in 1945 spent $12,304,754 for construction and maintenance of state aid, county aid and county roads under their jurisdiction, according to data compiled by the highway planning survey, joint agency of the state highway department and the federal public roads administration.

Maintenance expenditures hit a new high of $10,176,125. This was $425,252 more than in 1944 and $2,683, 768 more than in 1941, last pre-war. Higher unit costs of labor and material, damage to roads by the elements and by heavy wartime hauling and prolonged curtailment of construction, were factors in the high maintenance costs.

Construction expenditures totaled $2, 128, 619 nearly double the $1,094,546 outlay in 1944, but less than half the $4,955,064 total in 1941.

Other county road expenditures included $400,038 for work done on township roads, $231,289 in cash payments to townships, $78,231 for work done on municipal streets, $51,709 cash payments to municipalities, *$180, 786 interest on county* road bonds and $784,706 principal on bonds from current funds.

Three State Motorists Lose Arms While Driving

Three Minnesota motorists holding arms out of car windows each had an arm so badly crushed by passing vehicles that amputation became necessary, according to recent accident reports received by the state highway department. In two of the cases there was no vehicle collision, and there would have been no accident if the vehicle occupants had kept their arms inside their cars.

Holding arms out of car winnows except when giving necessary signals, is dangerous, says a state highway bulletin. Heads out of the window are worse, to say nothing of the habit of some boys riding with legs dangling outside their jalopples. Limbs can be easily mangled when passing close to other cars, as the recent accidents illustrate. In case of collision or upset, injuries may be more serious.

Woolen Yarns

Woolen yarns are spun from the shorter wool fibers, left crisscross in every direction in the carding process. They are soft and fuzzy compared to worsted yarns. Woolen fabrics, from woolen yarns, are usually more loosely woven than worsteds and are used in heavier weight materials for men's and women's suitings and coatings. Woolen fabrics include tweeds, flannels, novelties and homespuns.
